The hair is like a plant. What makes the plant fade and wither? Usually lack of necessary nourishment. The reason why Dr. Ayer's Hair Vigor restores gray or faded hair to its normal color, stops hair from falling, and makes it grow, is because it supplies the nourishment the hair needs. "When a girl at school, in Reading, Ohio, I had a severe attack of brain fever. On my recovery, I found myself perfectly bald and, for a long time, I feared I should be permanently so. Friends urged me to use Dr. Ayer's Hair Vigor, and, on doing so, my hair immediately began to grow, and I now have as heavy and fine a head of hair as one could wish for, being changed, however, from blonde to dark brown."—Mrs. J. H. HOBENTDER, 152 Pacific Ave., Santa Cruz, Cal. Ayer's Hair Vigor.
