It contained 170 acres. The farm in Benner township was sold to A. C. Grove for \$5000. These farms brought better prices than most farm properties.

Catarrah Means Danger,

Because if unchecked it may lead directly to consumption. Catarrah is caused by impure blood. This fact is fully established. Therefore, it is useless to try to cure catarrah by outward application or inhalants. The true way to cure catarrah is to purify the blood. Hood's Sarsaparilla, the great blood purifier, cures catarrah by its power to drive out all impurities from the blood. Thousands of people testify that they have been perfectly and permanently cured of catarrah by Hood's Sarsaparilla.

A free musical concert will be given on Friday evening, in the Evangelical church, by Prof. R. D. Owen & Co., of New York. All are invited to come and hear a rich treat.

Dr. David Bowersox has bought the property, one door west of the Reformed church, of Dr. C. S. Musser. His many friends are glad to welcome him as a citizen of the town.

Meyer's funeral, Ex-Judge Furst, of Bellefonte; David Meyers, of Centre Hall; Mr. and Mrs. Swartz, of Lewisburg; Michael and Jacob Strohm, two of Mrs. Meyers aged brothers, of Centre Hall; Prof. Phil Meyer, of Boalsburg, and many others came to pay their last tribute of respect to the deceased. Jacob McCool and wife spent a week with their daughter, Mrs. William Finkle, at Patterson, Millin Co.

The George's Valley hunting club, on their way to camp in Poe Valley, in Auman kettle, raised four deer. They fired several shot at them, but failed to bring any of the fleet-footed animals down.

THREE DEER.—The Green Briar hunting party passed through here with three fine deer. One buck will dress two hundred and fifty pounds. The other two were fine does. They got them all in a half a day, and wounded one also. That is the best so far.

Bailed hay is selling for \$8 per ton. That is right, farmer, charge your neighbors \$8 and \$10 for a load of hay out of the field, but you put it in the barn, hire help to take it out, pay one dollar and more to bail it, and then sell it for \$8 per ton. That is a way to make money.

LEMONT.

Mr. J. I. Thompson delivered an eloquent address on the temperance topic, in the Presbyterian church, last Sunday and was heard by many. John is what you would call an "ideal temperance man".

The end has now almost arrived. The running to-and fro will now soon cease and many a wearisome tale of fidelity to party loyalty will be relegated to the pigeon holes, there to remain until another campaign shall call them forth in some aspirant's interest. This week will tell who shall be destined to handle the mails for the next four years. The edict is anxiously awaited by all concerned, and the dailies are closely watched for the result. The ring did its best, so did the rest. Personalities were plentiful and little things that were resorted to that certainly were beneath the dignity of men in a petty little three-cent scramble. Calvin you did your best, Isaac did the same. James if you should win the prize, Mayor wouldn't you smile. Cousin Charley we will surely miss thee, if the prize you chance to miss, but we trust that in the future you'll be more like this—this—this.

Howard had another wedding last week, Mr. Mathias Walker's son Franklin to Mr. Wesley Adam's daughter Mollie. The groom started away the next morning to look up a house, in Northumberland county, where he expects to get work.

She Was Happy.

John Hauser, of Linden, and Miss Alice Bastian, of Antese Fort, drove from the bride's home Tuesday, of last week, to Williamsport, and were married by Rev. Father Golden, in the Catholic church. After the ceremony, with the groom and his best man stopped at the hotel, the bride, attired in white, and with all her wedding finery on, walked to several stores on a shopping errand. She attracted considerable attention, but appeared to be blissfully ignorant of the gaze or the comments of those whom she met.—Lock Haven Democrat.

Skeleton Found.

The skeleton of an unknown man was found in the woods, near Warriorsmark, on Monday of last week. Nothing is known as to the identity further than the initials "A. N.," that were cut into a small board that was found lying beside the bones. The man is supposed to have crawled to the position in which he was found from the rail-road tracks and died while lying there. A spoon stuck in the rocks near him would indicate that he had taken some medicine. He had evidently been well dressed and was about thirty-five years old.

Married Last Week.

At the home of Mr. and Mrs. G. W. Potter, near State College, at 1 p. m. Wednesday, Nov. 10, E. D. Mosel and Miss Nancy Potter were united in marriage by Rev. Charles T. Aikens, pastor of the Pine Grove Lutheran church. Miss S. B. Bradford, of Aaronburg, was the bridesmaid, and the groom's brother, James Mosel, was his best man. Mrs. C. T. Aikens played the wedding march. A fine wedding feast was served and the happy couple were the recipients of many handsome presents.

Touching Subscribers.

No sensible man should, or ever does, get angry because a newspaper man duns him for his money. A dun is not an impeachment of a subscriber's integrity, but is simply an outcropping of a publisher's necessities. For instance, a thousand men owe a man from \$1 to \$10; he has to dun them in order to pay his expenses. Instead of getting angry and stopping his paper because a publisher asks what is due, the subscriber should thank the editor for waiting so patiently, and pay up like a man.

Millers and Farmers at War.

A large majority of the roller flour mill owners of Westmoreland county have organized and agree to give only 33 pounds of flour for every bushel of wheat, 3 pounds less than has been allowed in the past. The action has created widespread disgust among the farmers. Meetings of all the grange organizations in the county have been called to protest against the plans of the new organization.

AN ORIGINAL CONTRIVANCE.

General Joseph S. Smith, of Maine tells how he published a paper without a press in Bath, Me., many years ago. "When I'd get my paper all set up and ready for the press, I'd lay the type on a washstand, get it all leveled down well in a chase, or the frame in which it was locked up, and then I'd call in the hired girl. She weighed about two hundred and ten pounds when she sat down. That's what I wanted—sitting down weight. So after the hired girl came in I inked the type, laid over it the sheet of paper, and on top of that the blanket, and then I politely invited the hired girl to sit down on the washstand. Two hundred and ten pounds, remember. The result was just as good an impression as you could get on any \$100 press made in the United States. My edition in those days was about two hundred copies, and the hired girl was good for the job at one sitting—no, at two hundred sittings. And she took an interest in it, too, and was just as ready for business every publication day as a \$20,000 Hoe perfecting press would be."

BLADDER TROUBLES.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

SAMPLE SENT FREE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. It is comforting to know that Dr. Kilmer's Swamp-Root fulfills every wish in quickly curing bladder and urinary troubles. It corrects frequent calls, inability to hold urine and scalding or stinging pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
