Court convened on Monday afternoon, at 1:30, and the sheriff acknowledged eight sheriff's deeds and three were continued, two special returns were read and quite a number of petitions and motions were heard.

H. A. McKee, use of Kezia Dunning, now Kezia Stevens vs. H. M. Dunning, scire facias sur judgment, No. 241 April term 1897, plea nil debit. Non suit entered without prejudice.

Annie C. Essington vs. W. R. Campbell, summons in trespass, plea not guilty. Non suit entered.

Frank P. Blair vs. Austin Brumgart, Sarah Gibbs and Charles Trczynny, summons in ejectment, plea not guilty. This suit is brought to recover a tract of land containing about one hundred and ten acres, located on the Ridge dividing Nittany valley about one mile east of Zion, in Walker township. The plaintiff claiming under the Wister survey and the defendants under the J. J. Lingle survey, a junior survey, the two surveys interfering. Verdict in favor of the plaintiff for the land described in the writ, subject to the question of law reserved by the Court, whether judgment should be entered on the verdict with or without costs.

John A. Logue and William A. Hartsock, administrators of etc., of Josephine Williams deceased vs. William J. Kline, J. C. Henderson, and George Kline, fieri facias, No. 61 April term 1896, and judgment opened as to J. C. Henderson and he let into a defence, pleas nil debit, non assumpsit, and non est factum. The judgment was never opened as to William J. Kline and George Kline, and the jury was sworn only as to J. C. Henderson. This suit grows out of a note dated February 21, 1896, and given to Josephine Williams for \$200 and purporting to have been signed by the three defendants above named. The note was entered and filed in the Court of Common Pleas on the 3rd day of January 1894, and sometime in 1895 the note in suit disappeared from the files in the Prothonotary's office and has not since been found. Mr. Henderson alleged that he never signed this note and that if his name was on the note it is a forgery. Verdict on Tuesday morning in favor of the plaintiff for \$305.30.

D. F. Fortney, executor, of etc., of Margaret Woodring, deceased, vs. J. L. Spangler and H. H. Montgomery, summons in scire facias sur judgment, plea nil debit. Verdict in favor of plaintiff for \$285.60.

Rose Sternberg Lyon vs. Gustave Lyon, summons in trespass, plea not guilty. This proves to be the most interesting trial in our civil courts, since the trial of the famous Armor Will case some years ago, and as the former case is a Bellefonte case it is creating considerable local interest. The plaintiff is ably represented by E. R. Chambers, Ellis L. Orvis and C. M. Bower, while the defendant is just as ably represented by W. F. Reeder, ex-Judge A. O. Purst, and James W. Scarlet, of Danville, Pa. and not a legal point is allowed to escape by either side. The case was taken up on Tuesday forenoon, and will not go to the jury much before Thursday noon.

The case grows out of the marriage of Moyer Lyon, then a member of the firm of Lyon & Co. dealers in dry goods in this town, to Miss Rose Sternberg, a daughter of Mr. and Mrs. A. Sternberg a respectable Hebrew family, who for many years resided in Bellefonte, the Lyon family being of the same faith. The marriage ceremony was solemnized on the 26th day of December 1893, at Allentown, Pa. at the residence of Mrs. Lichten, a sister of Miss Sternberg's, by a Jewish Rabbi, after which the apparently happy couple returned to Bellefonte to the bride's home, the groom paying frequent visits to his wife and everything seemed smooth until Mr. Gustave Lyon, of Philadelphia, appeared upon the scene, from which time Mr. Lyon's visits to his wife became less frequent, and on January 7, 1894, he left for Philadelphia, since which time Mr. Lyon has

BOLD HIGHWAY ROBBERY

Committed Near Bellefonte on Wednesday Morning

MILTON BICKLE HELD UP

A Shot From a Revolver Sends a Ball Through His Coat—\$15 Taken From Him By Two Armed Men.—Description of the Desperadoes.

Milton Bickle is a young man about 17 years old whose home is near Unionville. For some time he has been living with his brother Lyman Bickle on the farm near Zion, Pa. On Wednesday morning he started to drive to his parents home, Mr. Isaac Bickle, who resides on Dick's Run, in Union township.

The young man had a trunk in the conveyance, containing his personal effects. He was traveling on the pike leading from Zion to Bellefonte. At a point about two and a half miles east of this place, near the Fishing Creek school house, and not far from the residence of Mr. James Simmonds, two men came out of the woods and walked down the road towards Mr. Bickle. The smaller carried a rifle, wore a light-colored slouch hat, blue blouse and overalls and had a dark moustache. The tall man had a full beard, wore a cap and had on a ragged coat and carried a shot gun.

When they met the small man, grabbed the horse and called for Bickle to stop. The tall man ran toward the buggy and Bickle reached for the whip to urge his horse along and escape. While in the act of leaning forward the tall man drew a revolver and fired very close to Bickle's breast, and yelled "Your money or your life." The ball passed through the inside of the left breast of the coat and out through the side of his overcoat, near his left arm, without injuring him. The muzzle of the revolver was close enough for the flash to burn the lining on the inside of his coat.

This naturally frightened Mr. Bickle and he at once gave over his purse. It contained two \$5 bills, two \$2 bills and small silver coins, the total being over \$15. That was sufficient plunder and the young man was allowed to proceed.

The two highway men ran down the road, towards Zion and turned off to the right, in the woods, and soon disappeared. Mr. Bickle came to Bellefonte and informed Policemen Mullen of the robbery. He then went before Justice Keichline and made a statement and qualified, and warrants were at once issued. The young man then came to this office and related the occurrence in detail, as given above.

Col. Amos Mullen accompanied the young man back to the vicinity of the alleged robbery. Inquiry was made of many people, but nothing could be learned of the two men. Young Bickle told some conflicting stories and the authorities are slightly dubious about the affair. Yet it may be true.

A Set-Back For Murderers.

In six days Judge Mayer, of the Clinton-Cameron and Elk county district, tried three murderers at Ridgway, two of whom were convicted of murder in the first degree and the third of murder in the second degree. In speaking of this remarkable record the Ridgway Advocate says:

The murderers were given very fair and impartial trials, and all convicted. Many people thought in the beginning that it would be impossible to try all three cases in one week, but Judge Mayer, with usual celerity, gave the third case to the jury before 10 o'clock Saturday, and yet neither case was unduly hurried. It is safe to say that no court ever held in Elk county has been more generally commended by the people in attendance than was last week's sessions.

Brakeman Fatally Injured.

Harry S. Schope, a Philadelphia and Reading brakeman, was fatally injured at West Milton, Friday night.

Schope had just made a coupling on his own train, when he stepped out on the other track directly in front of local freight No. 86, south bound. The cruel wheels crushed his entire right leg and the left leg between the ankle and knee. He was cared for as tenderly as possible, and brought to Williamsport on the first train and taken to the hospital, arriving there at 3:30 o'clock. The poor fellow was exhausted and never rallied, his death occurred at 5:30 o'clock Saturday morning.

Schope was aged 23 years and made his home at Milesburg, where his remains were taken.

Two Good Things.

"77" for Grip and Colds; No. 10 for Dyspepsia, Indigestion and Weak Stomach; 25c. each; at all druggists.

Remodeled Jail.

Clearfield county is going to have a remodeled jail. The interior of the old building will be torn out and new steel cells put in, so arranged that the corridors will be on the outside. The work will be begun about the first of the year and while it is being done the prisoners will be removed to jails in neighboring counties.

That is what Centre county should do, instead of the patch work policy so often pursued. Temporary repairs are expensive in the end.

Cigarettes Killed Him.

Harry Graham, aged 19 years, died at his home in Franklin one day last week from the effects of excessive cigarette smoking. Before Graham became addicted to the habit he was possessed of a fine physique and was a leader among his companions in athletic contests. Graham boasted that he had often smoked 100 cigarettes in a day.

Killed a White Deer.

George Lipp, a Lycoming county hunter, shot and killed a snow white deer while hunting in the woods near Huntsville on Saturday. This is the first white deer shot in this state since the one killed near Renovo several years ago. The deer is being mounted by a Williamsport taxidermist. Lipp, the hunter, values the animal's skin at \$100.

Another Beech Creek Link.

Clarion has another railroad boom. A line is to be built from Franklin to Clearfield. It will pass through Clarion and Brookville, and will connect with the Lake Shore and Michigan Goutheran at Franklin, and connect with the Beech Creek railroad at Clearfield.

Eagleville Boy's Misfortune.

J. J. Riordan, a sixteen year old boy, who formerly lived at Eagleville, Centre county, had his arm broken on the grade of the new railroad near Curwensville Tuesday. His parents now reside at Clearfield.

New Residents.

Howard Tipton, wife (nee Annie Hop-ton) and baby have moved from Howard, Centre county, Pa., and have made their home on North Logan avenue, Tyrone.

A BEECH CREEK BLAZE.

Another Mysterious Fire Consumes Valuable Property.

At twelve o'clock Tuesday night fire was discovered in the two story frame building of Richard R. Berryhill on Main street, Beech Creek. The interior of the Berryhill two story store room was all ablaze, and no one attempted to save anything in it. The men who were first on the scene then directed their energy to removing to a place of safety the stock of H. H. Berry & Son, shoe and harness makers whose building adjoined that of Mr. Berryhill on the left. Most of the stock in this building was saved. By that time a small army of men had arrived who began to remove the things in Mr. Berryhill's wagonmaker shop which stood within ten feet of his larger building to the right. In a very few minutes the building in which the fire started was a roaring mass of flames, so that the residence and store of Geo. D. Hess and the Gould House was in immediate danger and were with difficulty protected.

Their untiring efforts alone saved the large long residence in which Mr. Berryhill lives, and which was not more than 20 feet from his wagon shop.

Estimated loss on whole, \$2,000. Like all fires in this vicinity, the origin cannot be accounted for.

Divorce Proceedings.

Mrs. Susan Gosler Pague has instituted divorce proceedings in the Lancaster courts against Lieutenant Samuel S. Pague. The trouble began out at Fort Sheridan, near Chicago, several years ago, when the lieutenant shot at the colonel of his regiment. He was court martialled and dismissed from the army and since then has been leading a dissolute life. Mrs. Pague charges him with non-support, intoxication, carelessness of the payment of his debts, threatening to break her wrists and other misdoings. The lieutenant was stationed at State College, '86-90.

Coalport Postoffice Robbed.

At 2 o'clock on Thursday morning robbers broke open the back door of the postoffice at Coalport, Clearfield county, blew open the safe and secured \$300 worth of stamps and change. They took the railroad track speeder and rode to Frugality, where they "ditched" it and took to the woods. Postmaster O. B. Thompson offers \$200 reward for the capture of the robbers. The evening before the robbery two strange characters in women's clothes were seen about Coalport. They were ungainly and handled their skirts badly, betraying their sex.

Renodeled Jail.

Clearfield county is going to have a remodeled jail. The interior of the old building will be torn out and new steel cells put in, so arranged that the corridors will be on the outside. The work will be begun about the first of the year and while it is being done the prisoners will be removed to jails in neighboring counties.

Buried Seven Cattle. The large straw stack in the barn yard on Mr. Henry Sampsell's farm, near Pleasant Gap, fell over sometime Sunday night and seven head of young cattle were buried under it.

With the aid of a team of horses and a hay fork they started to drag the straw off the cattle. Six of them were taken out alive, but the seventh one, a fine young heifer, was dead.

All that had been lying close about the bottom of the stack were living, but the one that was dead had evidently started to run away when the avalanche of straw began, but was not quick enough to escape it. They were wet as if just pulled from a stream.

To cure a cough or a cold in one day take Krumine's Compound Syrup of Tar. Money refunded if it fails to cure.
