My brother had a severe attack of inflammatory rheumatism and the doctor did not help him. At first he would get some better, but as the effects of the medicine wore off he would be worse than ever. His liver was enlarged and his kidneys out of order. He suffered intense pain for two months and took very strong medicine without permanent relief. One day I suggested that he try a bottle of Hood's Sarsaparilla and he consented to do so. After taking a few bottles he was able to go to work. We have a very high opinion of Hood's Sarsaparilla."

SKILL OF DOCTORS TESTED.

Fifteen Years of Suffering.

"I thought I should surely die."

When the stomach begins to fall in its duties, other organs speedily become affected in sympathy, and life is simply a burden almost unbearable. Indigestion and dyspepsia are so common that only the sufferer, from these diseases know the possibilities of misery that there are in them. A typical example of the sufferings of the victim of indigestion is furnished in the case of John C. Pritchard. He went on for fifteen years, from bad to worse. In spite of doctors he grew constantly weaker, and thought he would die. He got well, however, and thus relates his experience:

"For fifteen years I was a great sufferer from indigestion in its worst forms. I was weaker and worse, until I became so weak I could not walk fifty yards without having to sit down and rest. My stomach, liver, and heart became affected, and I thought I would surely die. I tried Dr. J. C. Ayer's Pills and they helped me right away. I continued their use and am now entirely well. I don't know of anything that will so quickly relieve and cure the terrible sufferings of dyspepsia as Dr. Ayer's Pills."—JOHN C. PRITCHARD, Brodie, Warren Co., N. C.

This case is not extraordinary, either in

the severity of the disease or the prompt and perfect cure performed by the Pills. Similar results occur in every case where Dr. Ayer's Pills are used. "They helped me right away" is the common expression of those who have used them. Here is another testimony to the truth of this statement:

"I formerly suffered from indigestion and weakness of the stomach, but since I began the use of Dr. J. C. Ayer's Pills, I have the appetite of the farmer's boy. I am 46 years of age, and recommend all who wish to be free from indigestion, take one of Dr. Ayer's Pills after dinner, till their digestive organs are in good order."—WM. STEINER, Grant, Neb.

Dr. Ayer's Pills offer the surest and sweetest relief from constipation and all its attendant ills. They cure dizziness, nausea, heartburn, palpitation, bad breath, coated tongue, nervousness, sleeplessness, biliousness, and a score of other actions that are, after all, only the signs of a more deep rooted disease. You can find more information about Dr. Ayer's Pills, and the diseases they have cured, in the book, a story of cures told by the cured. This book of 100 pages is sent free, on request, by the J. C. Ayer Co., Lowell, Mass.
