LOVEVILLE.

When there is a good time in store, the people of our town are always up to date. Such was the event on last Friday evening, when a number of our young folks had the opportunity to attend a banquet, at Tyrone, given by Lieut. H. A. Gripp, the noted German artist, in honor of the Sheridan Cavalry troop and their friends.

The party from this place consisted of the following:—Messrs N. J. Wilson, G. W. Way, Charlie Beck, Harry Gemstner, Daniel Beck, and their lady friends, Misses Carry DeLong, Viola Wilson, Eva Beck, Lorena Wilson, Della Buck, and Lizzie Kosecrans. Upon reaching the palatial home of Prof. Gripp, they were delighted to find about twenty-five others from Warriors Mark, Altoona, and Tyrone. They had the pleasure of feasting upon all that a healthy appetite could desire and the main part of the evening was spent in playing games,—bowling alley and ten-pins being the favorite ones. All had a royal good time and wish to thank Mr. Gripp for his generous entertainment.

The refreshments consisted of oysters on the half shell, fried and stewed. Other delicacies were served by Mrs. Beck, which go to make up a supper of this kind. Every person present made the remark that they never enjoyed themselves any better than they did at this party. They amused themselves by playing various games, until about half past one o'clock when they then departed for their homes, wishing Mr. and Mrs. Beck good night.

Persons who visit chicken pens on

moonlight nights, just after a new fallen snow, had better be making themselves scarce in this community, or they will be hunted down and dealt with as the law may direct. As it happened under existing circumstances, the chickens could not be disposed of on the same evening, and the would-be-thief had them on the premises before sunrise on Sunday morning. It is expected that this bit of warning will hit the guilty party pretty hard, and actions speak louder than words. Our moral is 'don't monkey with the buzz-saw.'

KREAMERVILLE ITEMS.

Iva Wolf was off visiting a few days last week. I don't suppose she married again.

Mr. and Mrs. John Mallory had visitors on Sunday, but we did not learn the names.

James Miller was to see his son Luther, last Saturday who is teaching school near Coburn.

Our people had a fancy for sleighing on Sunday, and of course was as nice a day as one could expect.

Mrs. John W. Waite, mother and brother, spent a few hours, pleasantly at the home of John F. Waite, Sr., on Sunday.

Miss Nellie Brindle returned home from Centre Hall, where she had been for quite a while. Of course she says, some mighty fine boys live in Centre Hall. She is right, we know it.

That broad smile on the face of our friend H. A. Detwiler can be accounted for when we found there arrived at his home a baby boy. Henry says he intends to make his winter quarters with him.

The Epworth League, of this place, will hold an entertainment on Saturday the 12th. The members are all of a friendly disposition, and extend to all a most hearty welcome to attend these exercises.

Our friend, T. A. Auman, intends teaching summer school this spring. He is a man of good, solid ability for the work, and it certainly would be of great interest to those having children to send to school, to send them to Mr. Auman. We did not hear what his rates will be, but we know that Thomas is always liberal as to tuition.

To cure a cough or cold in one day. Take Krumrine's Compound Syrup of Tar. Money refunded if it fails to cure.

BLANCHARD.

If you wish to give your friend an interesting present, send them Centre Democrat.

Mr. Irvin Scantling came home on last Saturday evening to pay a visit to his father and mother. Irvin has not been home for a long time. We are glad to see him again.

A short time ago some thief broke into J. R. Williams' barber shop and stole two of his best razors. A party that is mean enough to steal from a poor man, who is trying to make an honest living for a large family, ought to be lynched. Hope that it is no one at home.

Next Tuesday is election. Voters, stop and think, and vote for men that are qualified to fill the office, to the interest of the township. Right here is where we should look after our interest. Men who cannot run their own business successfully, are poor servants for the township.

Mr. John Tigert, of Beech Creek, gave an entertainment with his graphophone at the Hunters Run church, on Saturday evening. It was well attended. Mr. Foster Schenck came down and took a sled load of young folks up and brought them back free of charge. That suits the boys. Thank you, Foster.

ZION.

The sleighing is almost gone.

Mrs. Wm. Smith, at present is visiting friends at Boalsburg.

Miss Lea Grove, daughter of Daniel Grove, is at present visiting her sister Mrs. William Rocky, of Boalsburg.

Quite a number of our young people attended the concert, at Pleasant Gap last Saturday evening. They say the concert was fine.

Some of our young men should have more respect for themselves than to throw snow balls and swear at sleighing parties as they pass this place. Boys, you will strike the wrong crowd some time.

Our young people are enjoying the snow, while it lasts. Last Monday evening a sleighing party left this place for Spring Mills, where they were entertained at the home of Mr. Harter. And Tuesday they spent the evening very pleasantly at the home of William Mitterling near Tusseyville. They all report a jolly time.

A PLEASANT SURPRISE:—Last Friday evening, while the family of S. E. Showers were least expecting, two sled loads, forty in number of near Bellefonte, came to their place and were highly entertained by music and playing games. L. C. Rerick introduced a play called "Old Mother Goose" which furnishes quite an amusement for a while. At 2 o'clock the party started for home and we won't tell on L. C. for eating so much supper, he says he only ate an hour.

Rev. Kooztz, of the Evangelical church, is holding protracted meeting this week.

Christ Robb and son, of Blanchard, were visiting Mrs. Brown, one day last week.

A certain fellow, from another place, who comes to this place to see the girls, does his good-bye kissing and squeezing rather public.

Messrs Ritter and Barker, who had been working at the stove mill, moved back to Snyder Co., on Monday. We are sorry to have them leave our community.

A sled-load of the Grammar school pupils were to Clintondale, on Friday afternoon, to visit the school of that place, and reported a pleasant time. On Tuesday afternoon Miss Danley, teacher of the primary school, had her pupils out to give them a sled ride and visited the Cross Road school, taught by Miss Grace Beck.

NOT FOR EVERYTHING.

But if you have kidney, liver or bladder trouble you will find Swamp-Root just the remedy you need. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness? It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder need doctoring. There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys—the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar, or by mentioning and sending your address to Dr. Kilmer & Co., Binghamton, N. Y. you may have a sample bottle of this great discovery sent to you free by mail.
