ZION. The winter snow is melted, And all the quilts are quilted— And the maiden who has willed To be, e'er long, a bride Is sitting quite demurely, By strong walls bound securely, Thinking that summer surely, Will bring that happy tide. We fear that one fair maiden, Who looks for gray horse laden With a youth, who, bound for Aiden An earthly Zion seeks. Will e'er the gentle showers, Have sprinkled leafy bowers, Spend many sunny hours, And many pleasant weeks, In lovingly caressing That marriage is a blessing To loving hearts and true. REBERSBURG. Very many people attended the sale of Edwin T. Weaver, dec'd, last Thursday. W. H. Corman left for Valley Falls, Kansas, last Thursday on legal business. We noticed "John," our former miller, in town again, perhaps he is trying to rent a house. If you want your horses clipped call on Chas. Bierly, Jr., and he will accommodate you. Dr. T. C. Practice is necessary in almost everything before we are able to accomplish much and in the event thereof our new company of butchers should do a little target practicing before trying to kill a steer.

(CORRECTION.—In the last issue a bad blunder was made in the report of the death of Mr. John Smull. The compositor, who was a new one, instead of setting the article in an entire paragraph, the rule, broke it up into several. As the communication arrived late it was impossible to reset same. All communications are re-arranged according to size of the paragraphs and the foreman, naturally, got those relating to the death of Mr. Smull mixed up among other personals, making it look ridiculous and absurd. A typographical error also occurred that we hope no one will consider as intentional. Many of our correspondents last week held their communications until the last day and it caused such a rush of work that the customary care and revision could not be given, and we are able to make the mails. We hope that our many friends in Miles township will overlook this ridiculous error, which occurred in our office and was not the fault of our correspondent. In the future we will profit by this experience. It is hoped that this explanation will prove satisfactory to any person who may have cause for being aggrieved.—EDITOR.)

—You can't do better—THE CENTRE DEMOCRAT and the weekly Pittsburg Post both one year for \$1.50.

SNOW SHOE. The boys are at their old game—playing marbles. Mr. T. B. Buddinger is converting his old store room into tenement houses. Mr. W. H. Fisher intends moving his photograph gallery to Philipsburg. Mrs. Robt. Dixon, formerly of this place, has been the guest of her mother. Prof. A. C. Thompson, principal of the schools of this place, made a trip to Philipsburg on Saturday. Mr. James Morgan comes to town with a broad smile over that big democrat that came to his home last week. Owing to the mud, Wm. Temple was forced to put four horses to his back, which runs from this place to Clarence.

Mr. Alfred Thompson, the hustling groceryman, has harvested his fine crop of whiskers. It yielded 50 bushels to the acre. Mr. R. J. Haynes bought a fine stock of bicycles on Monday. Mr. Haynes is the first in this city to go into this business. It will prove a good investment. Mr. R. W. Holmes captured a genuine grasshopper while on his way to his school at Fountain. It is very marvelous for a grasshopper to appear at this time of the year. Mr. Frank Haynes, pitcher for the Snow Shoe base ball team last season, has been to our town to negotiate an agreement with the captain to pitch for the boys this season. Frank is a fine pitcher, and fools the batter by his wonderful curve.

RIMS BROKEN.—Mr. Wm. Pootman, while felling logs at Bidding's camp, slipped from the acme of the logs, and fell to the ground landing on a log, on his left side near his heart, breaking three ribs. He was a consistent and faithful member of the United Evangelical church. Mr. Bierly is survived by his aged wife, who is also in very feeble health, Mrs. Claude Johnson and Mrs. Wm. Losh, of Hubersburg; and Mrs. Christ Swartz, of Bellefonte; also two brothers and one sister, all of whom reside at Rebersburg. HE BROUGHT IT FROM THE WORLD'S FAIR.

And kept it two years.

The great World's Fair, at Chicago, in 1893, while it gave pleasure to many, gave pain to not a few as an indirect result of their visit to the White City. People were lured along the miles of wonderful exhibits by the new marvels that met the gaze at every step, and did not realize their exhaustion until they dropped into a chair in some breezy corner by the lake, and "cooled off." That's what began the trouble, in many cases. Of one such case, Mrs. L. W. Stevens, Fort Fairfild, Me., writes: "My husband took a severe cold and two years ago last October—time of the World's Fair, which we attended. This cough lasted over two years, was accompanied by spitting of blood, and nothing would help him, although various and numerous remedies were tried. Several doctors were consulted, but their prescriptions afforded no relief. Finally, I saw an advertisement of Dr. Ayer's Cherry Pectoral in my paper and prevailed upon my husband to get a bottle and try it. The very first dose helped him and he was completely cured in a short time. We feel very grateful for what Dr. Ayer's Cherry Pectoral has done for us, and shall keep it constantly on hand in the house."—Mrs. L. W. STEVENS, Fort Fairfield, Me.

Two years of doctoring for a cough, two years of "remedies" that gave no help, of prescriptions that profited only the men who wrote them, and then a trial of Dr. Ayer's Cherry Pectoral, which helped from the very first dose and effected a complete cure in a short time. The difference between Dr. Ayer's Cherry Pectoral and all other cough medicines could not be better stated than in this comparison of results. It has cured the most obstinate and chronic cases of chronic bronchitis and asthma. It is a specific for croup and whooping cough. It cures all coughs and colds and all affections of the throat and lungs promptly and effectively. In response to numerous demands Dr. Ayer's Cherry Pectoral put up in half-size bottles—sold at half price—50 cents. More about cures effected by Fectoral in Dr. Ayer's Cure-book. Sent free, on request, by the J. C. Ayer Co., Lowell, Mass.

Both Dr. and Mrs. were some of our former school teachers, and were received with an illustrious smile.

Mr. Samuel Bathurst left last Wednesday for McKeesport, where he will be employed as a clerk in a grocery store. It is observed, that when the young man from a distance comes to see one of our young ladies, her beau at home has to take a back seat. It must be real nice to have a girl of that kind. Mr. Wm. Dukeman, of Bellefonte, visited his parents last Thursday and on his return home he met with an accident. While riding along the road his bike went into a wagon track and broke the rim off the front wheel.
