Last Thursday morning while Mrs. J. T. Seaton was on her way to a neighbor's house she fell and broke her right arm. Dr. L. E. Hilder, of Boalsburg is the attending physician.

James Raymond, who for several years has been working in Lebanon county, came home last week and will work for D. T. Wieland this summer. Jim's hair are growing as thick as ever.

DEATH.—Jonathan Tressler, Sr., was born in Berks county, Pa., May 21, 1801; died at Linden Hall, Centre county, Pa., April 1st, 1898, aged 96 years, ten months and ten days. He came to this county about seventy years ago. Mr. Tressler was married to Sarah Boyer who preceded him to the grave twenty-two years ago. After living for some years in Brushvalley, this county, he moved to Linden Hall. By industry and frugality he acquired a large amount of property. Mr. Tressler was known as an honest business man, a good neighbor and a faithful christian, having been a member of the Evangelical association for seventy-five years. It was largely through the instrumentality of Mr. Tressler that the church of that denomination at Linden Hall was built, over thirty years ago. He was the father of seven children, four of whom still live. They are Isaac and Daniel, of Linden Hall, with whom he made his home, having died at the home of the former. Mrs. Duck, of Centre Hill, and Joseph, of Pleasant Gap. He had fifty-four grand children and thirty-eight great-grand children. His funeral on Monday was one of the largest held in this community for some years. Rev. Romig, of Rebersburg, officiated. The pall bearers were Robert Corl, Cyrus Durst, James Seaton, Henry Gingerich, George Swab, and Andrew Knoff. The choir of the Reformed church, of Boalsburg, rendered appropriate music for the occasion. R. W. Weber undertaker, of Boalsburg, conducted the funeral.

H. W. Reeder, one of our bright young men, has gone to attend the Spring term of Lock Haven Normal. We are glad to notice so many of the young people in our vicinity see the value of a good education and are taking advantage of every opportunity that is afforded them.

The schools of our immediate neighborhood have all closed for this season, March 25. Quite a number of citizens gathered at the Kennedy School to listen to their closing exercises, which consisted of singing, recitations, reading of a school journal, etc. Longfellow's "Palm of Life" as a class poem, was well rendered. All enjoyed the exercises and looked forward to the following Friday when Mr. J. L. Gardner closed his term of school in our village with exercises by the pupils which gave great credit to them and their teacher. Several recitations and essays were rendered in such a pleasing way, that we are obliged to say our pupils have not been idling away their time, but are striving to make of themselves noble men and women, which is everyone's privilege.

Sending a Smile Perhaps far away to a friend. are faces far away that we like to see smile again. Faces that, just to look upon, would bring back a world of happy memories. If you only have a good photograph of that friend it would help—would it not? Perhaps there are friends of yours whom your photograph would make just as happy—happy if you'd send it now—glad to have it perhaps in the future when you may be far away. The cost is but little to please a dozen friends.

The pose, the expression, the smile, we shall take pains to catch at its very best—just as though we were the friend to be delighted by receiving—Shaeffer's Art Studio.

BREAD, POTATOES and MILK.

A Dyspeptics daily diet.

Dyspepsia is one of the most prevalent of diseases. Thousands of people suffer from it in a more or less aggravated form. Few diseases are more painful to the individual or more far reaching in their effects on human life than dyspepsia. The dyspeptic needs is not local treatment, not mere temporary stimulus. The real need is the taking up of the entire system. Fortify the system and it will do its own fighting, and promptly reject any intruding disease. The success of Dr. Ayer's Sarsaparilla in curing indigestion and dyspepsia is due to just this quality which it possesses, of renewing the vital forces, repairing the waste and loss of the body. The ordinary treatment brings the food down to the level of the weak stomach. Dr. Ayer's Sarsaparilla puts strength into the stomach, and brings it up to the level of the strong food fit for men. It does this by strengthening the entire system. The stomach cannot stay weak when all the other organs are gaining strength. What Dr. Ayer's Sarsaparilla does for dyspepsia is best illustrated in cases like that of M. S. Shields, Meridian, Miss. Mr. Shields had fallen to the last level of dyspepsia. But let him tell his own story.

"For years, I was afflicted with dyspepsia which gradually grew worse until I could eat nothing but bread and potatoes

seasoned with a little salt, and drink only a little milk. I became so bad that a trifle more of either of these caused terrible suffering in the regions of the stomach, darting pains back of the eyes, attended with dizziness and partial loss of sight. The only way I could get relief was by vomiting. Finally I had such a severe attack that the entire left side of my body felt numb and partially paralyzed, and in this condition, I was taken to my room unconscious. The physicians failed to help me, and hence of the medicine, I took, did me any good. At last a friend presented me with a bottle of Dr. Ayer's Sarsaparilla and before I had used half a bottle, I could see a decided change for the better. I used three bottles and was completely cured that for four years I have not been troubled with the old complaint, but am rugged and hearty and able to eat anything that can be eaten. It would be impossible to say too much in praise of Dr. Ayer's Sarsaparilla, and I would not give one bottle of it for a dozen of any other kind."—M. S. SHIELDS, Meridian, Miss.

Try Dr. Ayer's Sarsaparilla if you are dyspeptic. If you want more testimony to the value of the medicine, get Dr. Ayer's Cure Book. It is sent free on request by the J. C. Ayer Co., Lowell.
