"MY WIFE'S LIFE." How I was the means of saving it.

When the lungs are attacked and the symptoms of consumption appear, then begins the struggle between a disease and that destroying disease which slays its thousands annually. It is a happy issue that the struggle when disease is conquered and health restored. Such an issue does not always end the struggle, but it did in the case of Mr. E. Morris, Memphis, Tenn., who saw his wife wasting and weakening and physicians helpless, and then suggested the simple remedy that brought the cure. He tells the story thus: "Seven years ago, my wife had a severe attack of lung trouble which the physicians pronounced consumption. The cough was extremely distressing, especially at night, and was frequently attended with the spitting of blood. The doctors being unable to help her, I induced her to try Dr. Ayer's Cherry Pectoral. Before using one whole bottle she was cured, so that now she is strong and quite healthy. That this medicine saved my wife's life I have not the least doubt. I always keep Dr. Ayer's Cherry Pectoral in the house. Whenever any of my family have a cold or cough we use it, and are promptly cured."—E. MORRIS, Memphis, Tenn. The question: "Is consumption curable?" is still debated, and still debatable. It is easy to say that this was not a case of consumption. Yet the physicians said it was. They should know. As a matter of fact, Dr. Ayer's Cherry Pectoral has brought so many similar cases that it seems to argue the curableness of consumption, in its earlier stages, by the use of this remedy. There are many medical cures for pulmonary troubles than Dr. Ayer's Cherry Pectoral. It gives relief in cases of Asthma, and Bronchitis, where relief has been heretofore unobtainable. It promptly cures Coughs and Colds, La Grippe, and all affections of the throat and lungs. Heretofore, Dr. Ayer's Cherry Pectoral has been put up in full size bottles only, at \$1.00 per bottle. To meet a world-wide demand for a smaller package, the remedy is now put up in half size bottles, at half price—50 cents. Write for Dr. Ayer's Carebook (free) and learn more of the cures effected by Dr. Ayer's Cherry Pectoral. Address: J. C. Ayer Co., Lowell, Mass.
