BLOOD POISONING.

A Nurse's Experience.

There are thousands of people suffering from blood poisoning who have almost beggared themselves in buying medicines from which they have obtained no help. There are thousands of other: who first or last have tried Dr. Ayer's Sarsaparilla and found perfect healing. One of these others, Mrs. A. F. Taylor, of Englevale, N. Dak. relates the following experience:

"About two versus are a versus and about the people suffering and to heal. Before the six bottles had been taken, the ulcers were healed, the better than it had been for years. I have been well ever since. I had rather have one bottle of Dr. Ayer's Sarsaparilla than three of any other kind."

This is but one example of the remedial

others, Mrs. A. F. Taylor, of Englevale, N. Dak. relates the following experience:

"About two years ago, I, nursed a lady who was suffering (and finally died) from blood poisoning. I must have contracted the disease from her; for shortly after her death, I had four large sores or ulcers, break out on my person. I doctored for a long time, both by external application and with various blood medicines; but, in spite of all that I could do, the sores would not heal. They were obstinate, very painful, annoying, and only getting worse all the time. At last, I purchased six bottles of Dr. Ayer's Sarsaparilla, thinking I would give it a thorough trial. Before the first bottle was taken, I noticed a decided improvement in my general health; my appetite was quickened, and I felt better and stronger than I had for some time. While using the second bottle, I noticed that the sores had begun to look healthier

Some may and perhaps do think that the correspondent from this town publishes news that should not be; and we have heard the expressions made, that if anything was published that did not quite suit the fancy of those for whom it was intended, we would get it in the neck. We are, however, like Daniel of old, we eyen dare the fierceness of a lion, and as long as we remain in the bounds of reason we are not or will not be moved. Our friend Edwis Stover, who lately left for the East Stroudsburg Normal was successful in drawing first prize given for the best elocutionist at the institution. His prize being a map 100x150 inches in size, illustrating the United States on one side and the whole world on the other. The map is valued at \$5 which is a very good premium. We are glad to hear this of our friend Ed and hope he may be as successful in all his undertakings. Dale leit sin shoont riche worra mit era agna bisniss minda. Amen. Boubles the Pleasure of a Drive.
