

THE RACKET

No. 9 and 11 Crider's Exchange, Bellefonte, Pa.

SPECIAL

I have made arrangements with the Parisian Importing Company for another series of Window Attractions to commence this week. The first exhibit is

Monkeys in Monkeydom.

Don't let the children miss this; it will be a bright spot in their lives, and they will need all the "bright spots" U know they can get, especially when they don't cost anything. These exhibits have been procured at considerable expense and trouble and will be changed

EVERY TWO WEEKS.

Brief announcements will be made every other week during the Summer and Fall, of new exhibits. To keep posted, watch and read "Racket" ads. They will not only tell U about the latest exhibit, but "put money in thy purse beside."

of the Mother shapes the course of unborn generations—goes sounding through all the ages and enters the confines of Eternity. With what care, therefore, should the Expectant Mother be guarded, and how great the effort be to ward off danger and make her life joyous and happy.

MOTHER'S FRIEND

allays all Nervousness, relieves the Headache Cramps, and Nausea, and so fully prepares the system that Childbirth is made easy and the time of recovery shortened—many say "stronger after than before confinement." It insures safety to life of both mother and child. All who have used "Mother's Friend" say they will never be without it again. No other remedy robs confinement of its pain.
