DOCTORS DON'T DENY IT.

The frank testimony of a famous physician.

When Dr. Ayer announced his Sarsaparilla to the world, he at once found the physicians his friends. Such a remackly was what they had looked for, and they were prompt to appreciate its merits and prescribe it. Perhaps no medicine—known as a patent medicine—is so generally administered and prescribed by physicians as proved it to be a specific in such diseases, and diseases of the skin that indicate a tainted condition of the blood. Experience has proved it to be a specific in such diseases, and sores of long standing, old ulcers, chronic rheumatism, and many other like forms of disease have yielded to the perseveringuse of Dr. Ayer's Sarsaparilla it is without exception, the best blood purifier with which I am acquainted."

There is no other similar medicine can swith the rheumatism for three years, and had taken as she had informed years, and had taken as the formore due in the peak of the result. I advised her to try a bott

the persevering use of Dr. Ayer's Sarsaparila after other medicines hadutterly failed. The testimonials received from physicians to the value of this remedy would fill a volume. Here is one leaf signed by Rich'd H. Lawrence, M. D., Baltimore, Md.

"It affords me pleasure to bear testimony to the success which your preparation of Sarsaparilla has had in the treatment of cutaneous and other diseases arising from a vitiated condition of the blood. Were it necessary, I might give you the names of at least fifty individuals who have been cured of long-standing complaints simply by the administration of Dr. Ayer's Sarsaparilla. One very remarkable instance was that of a quite old woman who had lived at Catonsville, near this city. She had been
