is the name to remember when buying Sarsaparilla. Dr. Ayer's Sarsaparilla has been curing people right along for nearly 50 years. That is why it is acknowledged to be the sovereign Sarsaparilla. It is the original and the standard. The record of the remedy is without a rival, - a record that is written in the blood of thousands, purified by its power.

"I nursed a lady who was suffering from blood poisoning and must have contracted the disease from her; for I had four large sores, or ulcers, break out on my person. I doctored for a long time, both by external application and with various blood medicines; but in spite of all that I could do, the sores would not heal. At last I purchased six bottles of Ayer's Sarsaparilla, thinking I would give it a thorough trial. Before the six bottles had been taken, the ulcers were healed, the skin sound and natural, and my health better than it had been for years. I have been well ever since. I had rather have one bottle of Dr. J. C. Ayer's Sarsapailla than three of any other kind."—Mrs. A. F. TAYLOR, Englevale, N. Dak.
