Many people from town went out to see "Old Glory" suspended from the mountain peaks. —Gov. Hastings has positively promised the boys that he will be in attendance at the Undine picnic at Hecla Park, on July 4th. So this announcement is no fake on their part. —At the meeting of council on Monday evening no business of any importance was transacted. Report of various committees and some repairs made was about all heard. Bills to the amount of \$345.15 were approved. —WANTED—Good homes for two bright, healthy children—boy aged 4 and girl 5 years. None but responsible applicants desired. For further particulars apply to Mrs. H. T. Kurtz, East Curtin street, Bellefonte, Pa. —Mrs. Wistar Morris, her two grandchildren Margaret and Morris Wood, Miss Mary Blanchard and other members of the family arrived in town last week to spend the summer at their home on Allegheny and Curtin streets. —The engagement of Miss Katherine Harris, daughter of Dr. Geo. F. Harris and grand-daughter of the late Governor A. G. Curtin, to Mr. John M. Shugert, son of Cashier J. Dunlop Shugert, of the Centre county bank, was recently announced. —Prof. G. F. Mark, of Northeast, Erie county, formerly of Penn Hall, is home on a vacation, and on Tuesday in company with his father-in-law, Isaac Frain, paid our sanctum a short visit. Prof. Mark likes that section and reports it a wide-awake, hustling country. —On Monday evening the Bellefonte School Board held a meeting for the purpose of electing instructors for the ensuing term. There are numerous applications for some of the positions and no conclusion was reached. The meeting adjourned until some date in July. —On Monday N. B. Spangler, Esq., went to Clearfield, Pa., to assist Col. MacNamara, of Bedford, in securing recruits. Since Mr. Spangler has been home he has not enjoyed the best of health, and is much less in weight than when he went away with the company. —James B. Barger and bride, of Uniontown, spent several days visiting friends and relatives in Bellefonte while returning home from Philadelphia and other places, on their wedding trip. He is a former Centre county boy and we wish them a happy and prosperous journey through life. —This week Robt. F. Hunter, agent for the New England Mutual Life Insurance Co., moved his office to the second floor of Temple Court and occupies a desk in the law office of Harry Keller. Mr. Hunter has been writing considerable insurance of late, some of which are large policies. —On Tuesday Al. Garman came down from Tyrone to pay his friends a visit. He reports business quite good with him. He now has his place of business completely fixed up. Everything is new bright and cheery about his hotel, and is the general stopping place for Centre county people when they are traveling through Tyrone.

—Argument court was in session on Monday. —Miss Mamie Fox is visiting friends at Lewistown. —Will Furst, Esq., of Philadelphia, is home on a short vacation. —Miss Katherine Harris is home from a several weeks visit in New York City. —Many of our farmers commenced cutting their hay crop this week. It will be a large yield. —On Friday the Academy boys defeated the famous Mackeyville ball tossers by a score of 4 to 5. —Miss Norah, daughter of Mr and Mrs. James A. McClain, of Spangler, Pa., is visiting friends in town. —Charles Hughes, now a Baltimore, Md., merchant is home on a visit and to attend the Academy reunion. —Mrs. J. Edward Lawrence and children have gone to Old Orchard Beach, Maine, to remain this summer. That we believe was their former home. —Wheat took another tumble on Wednesday. In our local markets the price is only 70 cents. Some few of the farmers failed to sell at the proper time. —The Centre Democrat was the first to originate the boom for Geo. A. Jenk's nomination for Governor, which we believe will take place at Altoona next Wednesday. —On Thursday evening of last week, Samuel Delige, one of Bellefonte's oldest citizens died after a brief illness, aged 78 years. The interment took place on Sunday afternoon. —Dr. Harry L. Carlisle, who left Philipsburg last fall in company with Tom Switzer and C. B. French for the Klondike, surprised his friends by arriving home last week. —Finley Shugert, of Georgetown, D. C., who for some years has held a good position in one of the departments, at Washington, is visiting his brother J. D. Shugert, at this place. —On Saturday afternoon a flag was raised at the Grange Hall, near the Pleasant Gap station. Clement Dale, Esq., and Rev. G. W. Lesh were the orators for this occasion. —During the past week a number of piscatorial fiends traveled down the Bald Eagle in the hope of catching some bass, near Howard. Everyone of them came home empty handed. The usual fisherman's luck. —Thomas J. Orbison, who graduated recently from the medical department of the University of Pennsylvania at Philadelphia, joined the city troops and it is his intention to go to Cuba. He is one of Bellefonte's young men. —The weevil is said to be in the clover in many fields of this county and will eat the blossoms—destroying an important part of what makes hay sweet and nourishing. Many farmers complain of their wheat fields being injured in the same way. —The report of the injury to Late Berdel, by being mangled by a tiger while with Mains circus at Scranton, Pa., was somewhat exaggerated. He has fully recovered and is again with the show. Young Berdel is from this place. —On Monday morning a slight fire on Thomas street brought out the departments in short order. The fire was in a basement of a double house owned by Mrs. Isaac Haupt and was easily extinguished. The Undine horse carriage broke away from the boys going down High street and came near doing some damage. —On Sunday morning two houses, occupied by Samuel Meyers and Jacob Crider, near the depot, in Central City, were destroyed by fire. The origin of the fire is unknown. Both properties were insured. A high wind prevailed at the time and Mr. Kohlbecker had difficulty in saving his hotel property from destruction. —During the past week the Brant House has been torn up considerably. The stone wall on Allegheny street was noticed to be growing unsafe and had to be torn out. Numerous timbers had to be put in place to support the unprotected parts and the bad wall was torn out, but will soon be replaced. Landlord Yeager does not allow this to interrupt trade a particle and in a short time everything will be in fine shape again. —Last week while painting the dome of the court house tower, Frank Wals made some measurements to satisfy an argument. The gill fish is 46 inches in length and the ball 22 inches in diameter and the length of the minute hand on the clock is 32 inches in length. This is a matter of great moment to the professional statesmen generally in session on the hotel porch and about the court house pillars. The next subject for discussion is, how long McKinley will survive after having his naval board out. Experts only will discuss this point. —Prof. H. Elmer Bierly, of Rebersburg, who is professor of philosophy in Virginia college, has been elected a fellow of psychology at Clark University, Mass., of which G. Stanley Hall, the great American educator, is president. The fellowship for which there were many applicants and which is one of the highest philosophical honors given by a University, is good for several years. The holder of the same must deliver a course of lectures at the University. Prof. Bierly is well known in our county through his child-mind investigations.

Reduced Rate.
For State Teachers Association at Bellefonte, July 5th to 7th, the Trunk Line Association have granted the concession of one and one-third fare, on the certificate plan, upon the following conditions:
At least one hundred persons who pay full fare going, to obtain certificates to that effect from ticket agent at starting point, and have their attendance certified by an officer of the association, upon which the special agent of the Trunk Line Association, who will be in attendance upon the association, will give the certificates for the agreed reduction.
Persons desiring to secure this rate must be sure to procure the certificate, above required, from the agent from whom they purchase their ticket.
Going tickets will be sold within three days (Sunday excepted) previous to the meeting, and certificates for return must be presented within three days after the adjournment.
One hundred certificates, representing fare of not less than 75 cents each, are required to secure the reduction. Of course, this number will be greatly exceeded, as the indications are that the attendance will be large.
Additional Locals.
—Mr. Charles McCafferty, of Washington, is in Bellefonte on a short visit.
—The Reformed Sunday School, of Lock Haven, is holding a picnic a Hecla Park to-day.
—During the season the Bellefonte academy team won twelve straight games, which is an unusual record.
—Geo. W. Young, of Jersey Shore, transacted business in Bellefonte Wednesday, returning home in the evening.
—On Wednesday morning Mr. J. Thos. Keithly, of Philadelphia, and Miss Ada, daughter of Mrs. Martin Dolan were married at their residence near the glass works. Only a few intimate friends were present to witness the ceremony, performed by Dr. Stephenson, of the Methodist church. The young couple will make their future residence in Philadelphia, where Mr. Keithly is employed by the Pennsylvania Railroad company as a draftsman.
Going to Altoona.
Next week there will be a large gathering of Centre county democrats, at Altoona, to attend the State Convention which will hold its session on Wednesday 29th. The rate will be one fare \$1.44 from Bellefonte for the round trip. As there is no early train Wednesday it will be necessary to leave here on Tuesday and will be able to return to Bellefonte at 9 p. m., Wednesday.
The Huckleberry Crop.
Indications all point to a plentiful huckleberry crop this year, and it is believed that more people than ever before will be engaged in picking. There were few serious bush fires to destroy the plants and the fine weather which has prevailed this season will produce a big crop.
A Horse With a Mustache.
George Batchlet, of near Queen's Run, has a grey horse, that has a hirsute appendage about three inches long. The mustache has all the curls and crinks of the one that is much envied by young men. The horse attracts a great deal of attention.
HOOD'S PILLS cure Liver Ills, Biliousness, Indigestion, Headache. Easy to take, easy to operate. 25c.
Shiloh's Consumption Cure cures where others fail. It is the leading Cough Cure, and no home should be without it. Pleasant to take and goes right to the spot. Sold by Krumrine Bros., Bellefonte.

INTERESTING EXERCISES
Children's Day at St. John's Lutheran church, last Sunday, was a unique affair. In the morning the Sunday school in a body attended the preaching services, and listened to an appropriate and interesting sermon by the pastor on, "How the Trees Praise God." The church was beautifully decorated with flowers. In the evening the Sunday school rendered a bright and delightful service, "Awakening of the Flowers." The main audience room and Sunday school apartment were crowded. It was estimated that 600 people were present. The children delighted the audience with their excellent recitations and sweet singing. The orchestra of the school led the music in fine style. The address by the pastor and superintendent were well received. A handsome offering was taken for the Orphans Home at Loysville Pa. This Sunday school is growing rapidly, and earnest and faithful work is being done in all departments of the congregation.
Married To-day.
On Wednesday morning Prof. A. R. Rutt, principal of the Bellefonte High School, accompanied by Prof. Boyd Musser, departed for Granite Hill, Pa., near Gettysburg, on an important mission. At 2 o'clock, this afternoon, the wedding ceremony will take place by which Prof. Rutt and Miss C. K. Bell will be united in marriage. Prof. Musser and Miss Nettie McHenry will officiate as groomsmen and bridesmaid at the happy event.
Mr. and Mrs. Rutt will depart on a western tour, probably as far as Omaha, and will be gone for about a month. Upon their return they will occupy the Hoover property, on Curtin street.
For some time Prof. Rutt has been a suspect, but always dodged the intimation of matrimony. His reclusive disposition can now be fully explained, while in our community, and we hope that this venture will bring to him all that fondest bachelor hopes anticipated, in the way of happiness and prosperity.
A Former Editor.
The "Charleroi Sun" is a new paper on our exchange list, published at Charleroi, Washington county, Pa., and only established about four months ago with Frank E. Bible, as editor. Some years ago Mr. Bible was editor of this paper and also was Recorder of Centre county. At the head of the editorial column is hoisted the republican state and county ticket, showing that he has experienced a change of heart, probably only name, as that is a strong republican section and it often pays, when in Rome to do as the Romans. We hope to hear of abundant prosperity smiling upon Mr. Bible in this venture. From his editorial comments one can readily discover that he writes with his old time vigor and brilliancy.
Favorably Mentioned.
Newspaperdom, the representative trade Journal, New York City, contains several pages devoted to the merits of the "Courier," Conneville, Pa., which is considered the best managed weekly paper in the country. Among the leading illustrations are H. P. Snyder, editor and Harry U. Tibbens, assistant. The latter is one of Bellefonte's brilliant young men, a recent graduate of our High school, and who is rapidly making a career for himself in the journalistic field. The Courier long ago was recognized by us as the best inland weekly published, and the most valuable among our exchanges.
Teachers Association.
We have heretofore called the attention of our people to the fact that on July 5th there convenes in this place the Pennsylvania State Teachers Association. This is a learned and very dignified body of men and women, and our people should be glad that they honor us with their presence.
During the time they are in session let us keep our homes and give them such a welcome as will ever after cause a feeling of good will and gratitude to return towards us.
Postoffice Changes.
The annual re-adjustment of Presidential salaries has just taken place, the changes to go into effect at the beginning of the fiscal year, July 1st. These are some of the places we know where the salaries are raised: Phillipsburg, from \$2100 to \$2300; Curwensville, from \$1600 to \$1700; Jersey Shore from \$1500 to \$1600; Altoona, \$2900 to \$3000; Bedford, \$1700 to \$1800; Tyrone, \$2600 to \$2700; Hastings, \$1800 to \$1900; Patton, \$1300 to \$1400. Bellefonte was reduced from \$2200 to \$2100.
Recruits Wanted.
Persons desiring to enlist in the volunteer service of the United States will present themselves at the armory, in Bellefonte, Monday June 27th, for physical examination and muster. Thirty-one men will be mustered and assigned to Co. B, 5th Pa. Vol. Infy., at Chickamauga, Ga. N. B. Spangler, Member of Recruiting Retail.
Good Sale.
On Saturday a large number of horsemen were in town to attend the sale of Illinois horses at Keller's hotel, by J. R. Stewart. It was a fine selection of draft horses for which there was a demand. Prices paid were higher than usual. It demonstrated that there were plenty of people willing to pay good prices for choice stock.

UNDINE PICNIC.
The members of the Undine Fire Co., of Bellefonte, will hold their annual outing at Hecla Park, July 4th. On this occasion they will be joined by the "Hand-in-Hand Hose Co.," and "Good Will" Fire Co., of Lock Haven, who will be present in a uniformed body and accompanied by the Good Templar Band, the crack musical organization of Central Pa. The amusements for the day will be an interesting game of base ball by the Bellefonte Academy and Mackeyville teams; local sportsmen have arranged for a wing shooting, pigeon, contest between Bellefonte and Lock Haven; bicycle races for which a number of valuable prizes will be awarded. Professional wheelmen from Altoona, Tyrone and Williamsport will compete, as well as amateurs. This program will be announced later. During the afternoon and evening the famous Undine Orchestra will furnish choice music in the large pavilion for dancing. Gov. D. H. Hastings, who was the first president of the Undine Fire Co., has positively announced that he will be present the entire day and will deliver an appropriate and patriotic address.
Projectoscope—in the evening a large canvas screen will be erected in the grove and by means of this instrument large views will be given for the free entertainment of the public. These are interesting views about Bellefonte, State College, Hecla Park, the entire U. S. Navy, an accurate scene of the battle of Manila. This feature is supplied by the Bellefonte Camera club. Ample provision has been made to feed the thousands of hungry who will be in attendance. Dinner 25 cents. Supper same price—consisting chiefly of Boston baked beans and Saratoga chips. Ice cream, confectionery, etc., will be served continuously from booths distributed about the ground. Special trains will run every hour and the usual low rates will prevail. See special schedule for movement of trains. This outing for years has been the largest gathering in Central Pa. This year it will be larger than ever. All are invited.
Excursions to the Seashore.
Atlantic City, Cape May, Sea Isle City, Ocean City, N. J., Rehoboth, Del., and Ocean City, Md., are the choicest of the Atlantic coast resorts, and any one of them may be visited under these arrangements.
The dates of the excursions are July 7 and 21, and August 4 and 18. A special train of Pullman parlor cars and day coaches will leave Phillipsburg on above-mentioned dates at 8.55 A. M., arriving at Altoona 12.15 P. M., where stop for dinner will be made, reaching Philadelphia 6.25 P. M. and arriving at Atlantic City, via the Delaware River Bridge route, at 8.40 P. M. Does Baby Thrive?
If your baby is delicate and sickly and its food does not nourish it, put fifteen or twenty drops of Scott's Emulsion in its bottle three or four times a day and you will see a marked change. We have had abundant proof that they will thrive on this emulsion when other food fails to nourish them. It is the same with all children that are delicate. Scott's Emulsion seems to be the element lacking in their food. Do not fail to try it if your children do not thrive. It is as useful for them in summer as in winter. Ask your doctor if this is not true. SCOTT & BOWNE, Chemists, New York.
