That Quaker who said to his wife, "all the world is queer, but these and me, and these is a little queer." showed plainly that he looked upon himself as the standard man, and therefore regarded everyone who differed from him as more or less off center. We have such individuals not over a thousand miles from here, who think themselves "standards" to which the whole community should look to as a guide. But the community not seeing any proof that they must necessarily be regarded as the standard individuals, pretty generally refuse to accept the depreciated estimate put upon themselves, and therefore do not follow their teachings.

A TRAVELLER'S TESTIMONY. What He Carried on the Cars To Take when Travelling.

Every traveller knows that continuous journeying on the railroad is very apt to derange the system in some way. In spite of springs and soft seats there is a continuous jar and vibration, which acts upon the nervous system, and produces results varying somewhat, according to the strength of the traveller or his predisposition to some specific ailment. The most common consequence of continuous car riding is constipation. And this condition invariably produces headache, and tends to biliousness. J. J. Converse, St. Louis, Mo., found a way to avoid the evil effects of constipation, to which he was subject when travelling. He carried with him "the pill that will" cure constipation and all its sequent sufferings. This is what he says: "Travelling on the cars tends to constipation with me, but by using Dr. J. C. Ayer's Pills moderately, my bowels are kept in healthy action. They also prevent headache." J. J. Converse, St. Louis, Mo. Dr. Ayer's Pills are good for constipation under all circumstances and conditions. They have cured long standing cases after every other medicine had failed. Rev. Francis B. Harlowe, of Atlanta, Ga., furnishes a case in point. He writes: "For some years past, I was subject to constipation, from which I suffered increasing inconvenience, in spite of the use of medicines of various kinds, until some months ago, when I began taking Dr. J. C. Ayer's Pills. They have entirely corrected the costive habit, and vastly improved my general health." (REV.) FRANCIS B. HARLOWE, Atlanta, Ga. Constipation is, perhaps, the most serious physical evil of to-day. It is like the Octopus, that grasps its victim and fastens its tentacles on trunk and limbs one after another, until at last, incapable of longer resistance, the helpless being succumbs to his frightful foe. Constipation is the beginning of many of the most murderous maladies, the clogged system becoming charged with poisons that affect the liver and kidneys, and prostrate the entire being mentally, morally, and physically. Dr. Ayer's Pills will cure constipation. If you doubt it send for Dr. Ayer's Carebook, free, containing the testimony of those cured by this remedy. Address J. C. Ayer Co., Lowell, Mass.

MANY THINK! when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary. Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength. MOTHER'S FRIEND so relaxes the system and assists Nature, that the necessary change takes place without Nausea, Headache, Nervous or Gloomy Foreboding of danger, and the trying hour is robbed of its pain and suffering, as so many happy mothers have experienced. Nothing but "Mother's Friend" does this. Don't be deceived or persuaded to use anything else.
