—The Centre county teachers institute this year will open on Dec. 19th. Those of Clinton, Clearfield and Lycoming counties will open on the same date.

—On Friday evening the young people of Bellefonte will hold the first of their series of dances in the armory. As there are a great many visitors in town at present a large attendance is expected.

—Henry Lyon, now a prosperous grocerman, of Danville, Pa., in company with some of his friends made a trip on their wheels to Bellefonte. Henry is looking quite well and appears to be flourishing in that locality.

—The Relief Society of the Red Cross, of Bellefonte, shipped two barrels and one bale of supplies weighing in all 357 pounds, on Thursday afternoon, to the Red Cross society at Philadelphia, for the relief of the soldiers at the front.

—Prof. A. Reist Rutt and bride arrived in town on Monday evening and are stopping at the Brockerhoff House. They will soon be occupying a residence on Curtin street, that is being furnished throughout.

—On Monday Overseer of the Poor, Daniel Eberhart very thoughtfully remembered our office by leaving with us, a lot of luscious apricots, grown in his yard and several fine apples. They were much relished. We are glad to know that he thinks of the "poor printer," too.

—Maurice A. Trome, who had been reading law in Bellefonte, but went to Hanover on account of sickness recently enlisted with the company recruited at Gettysburg, by Capt. H. S. Taylor, and was appointed first sergeant. He was a member of Company B, at this place, for about three years.

—Captain H. S. Taylor spent several days of the past week at his home, but returned on Tuesday to Chickamauga. He recruited four complete companies while here. His heart and soul seem to be in military life. He says that after the war, if nothing serious befalls him and an opportunity should come to join the regular army, as a captain he would accept very quickly, and thinks there is some possibility of his succeeding. According to the views, after this war our standing army will be largely increased and there will be many opportunities of that kind.

—The Bell Telephone company have issued a new call book, and the numbers of nearly all the phones have been changed, as well as the regulations of the company in many particulars.

—The John Roundtree store, near Reynolds's mill, was bought on Tuesday by Messrs Harry Diehl and Jacob Barlett, two enterprising young men who should be able to make a success of the venture.

—The democratic majorities in College boro promise to be increased since a young voter arrived at the home of Hon. R. M. Foster on Wednesday morning. Bob, we would suggest "Dewey" for his name, sir.

—Alfred Grove, the dairyman, who lives in Spring township, fell from a load of hay on Saturday afternoon and badly wrenched his spinal column. At first it was feared that it would prove fatal, but since then he has improved much.

—The Hook and Ladder Fire Co., of Milesburg, held a very successful festival at that place on Saturday evening. They attracted a large crowd and succeeded in disposing of all their provender. The attendance from Bellefonte was good.

—John O'Connor, who held a position in the customs department at Philadelphia, is home again. He gave up his job by request, to make room for some republican heeler. He secured the position under the democratic administration.

—Gottlieb Haag and John Morgan claim to be the champion tomato growers of Centre county at present. Mr. Haag has some ripe ones that weigh one and one-half pounds each, while Morgan's weigh one and one-fourth pounds. Who can beat them.

—The post office problem seems to be a deadlock. No light has been thrown on the situation thus far. Montgomery still has the endorsement of the Quay combination, and Williams the Hastings backing. Who the successful man will be, we do not venture an opinion.

—Charles Baney was arrested on Tuesday and given a hearing before Justice Keichline for forcing his way into Mrs. Eliza Walker's house, on Saturday evening, where he conducted himself in a disgraceful manner and struck the woman several blows. He was bound over for appearance at August court. If the charge is correct, the young man certainly is distinguishing himself.

—On Friday N. B. Spangler, Esq., arrived home from Chickamauga on a furlough. He is quite thin from his recent illness, but his condition is such as not to excite any uneasiness. He needs rest and in time will recuperate, when he will rejoin the company. Dr. Hayes accompanied him home. The Dr. is not feeling very well and thinks a furlough will put him in good shape again. It is their opinion that Company B will be ordered along with the troops to Porto Rico. The boys are anxious to leave Chickamauga as they are in a malarial district.

COUNTERFEITERS SENTENCED.
Our Two Counterfeiters Plead Guilty At Erie.

Last week the U. S. District Court was held at Erie, Pa., and 16 prisoners plead guilty to the charges preferred against them. Among the lot were two representatives from this section.

Charles F. Bartges, of Loganton, plead guilty to passing counterfeit money and received six months in the Allegheny jail; Valentine Breon, of Miles township, admitted to making counterfeit coin and was sentenced to one year.

True bills were found against them, and being told that it would be more severe, if convicted by a trial, they made the plea of guilty and received mild sentences.

Flag Raising.
On Saturday evening a large audience assembled at the Keller hotel, on Bishop street, to witness the ceremony of raising a flag in honor of Company B. A pole about 60 feet in height, furnished by Mr. Bilger, of Pleasant Gap, was raised in place by the telephone linemen.

The United band boys were present and discoursed some of their choicest strains. At 7:30 Messrs John Derstine and Lewis Sunday, two old soldiers hoisted the stars and stripes and a rousing cheer was given. C. M. Bower, Esq., presided at the meeting and called upon Messrs D. F. Portney, Esq., Clement Dale, Esq., and Capt. Hugh S. Taylor for addresses. They responded in short talks that were appropriate. Capt. Taylor thanked the proprietor of the hotel Mr. D. K. Keller for this thoughtful tribute to the boys of Company B, and assured the people that they could well be proud of the young men sent from here to the front who for their efficiency and discipline were promoted to the position of Color Company of the 5th regiment.

Drink More Water.
An exchange has discovered that people do not drink enough water. It is strange, says the paper, that the thing that has made springs and other resorts famous has never been applied to everyday life. The invalids who visit those places drink all the water they can hold and think the good results come from some of its properties. Sheer nonsense! It is simply very pure water taken in such quantities as to cleanse the whole system and flood every organ. Besides its cleansing properties, water absorbs effete matter and carries it through the system, and the purer the water the greater its power of absorption. Diseases of the kidneys yield to its power, and liver and stomach troubles cease to exist. Even rheumatism, local heart troubles, indigestion and the numerous other annoying ills of the flesh due to impeded circulation disappear before the resistless power of plenty of water.

Lutheran Reunion.
Island Park, Sunbury, Thursday August 4th 1898. For the accommodation of persons desiring to attend the Lutheran Reunion at Island Park, between Sunbury and Northumberland, Thursday August 4th, the Pennsylvania Railroad Company will sell excursion tickets from Lock Haven, Bellefonte, Wilkesbarre, Mt Carmel, Lykens, Harrisburg and intermediate stations, to Sunbury and return, good on day of issue, at single fare for the round trip.

Train 107 which leaves Montandon on arrival of train 1 leaving Sunbury 5:45 will be run through to Bellefonte.

Lutheran Reunion.
The 8th annual Susquehanna Lutheran Reunion will be held at Island Park, between Sunbury and Northumberland, on Thursday August 4th. It will be a basket picnic, but meals can be secured on the ground. Single fare for round trip and a special train will likely come through to Bellefonte in the evening. A complete and interesting programme of exercises has been prepared.

Important Information.
The postoffice department asks the press to give this notice an insertion or two: "Friends and relatives of soldiers now in the field, in addressing letters to them should mark plainly the company and regiment to which they belong, as by doing so the distribution of the mail will be facilitated. This applies to both the regular troops and militia volunteers."

Our John.
The Tyrone Herald says:—John Ammerman, who was arrested at the station a few days ago for riding freights, came in on the train from Bellefonte on his way home to Galitzin. He is clean and well dressed this time and is really a pretty child. He says he is going home now and behave himself.

Good Record.
Trapper John P. Swoope, of Alexandria, succeeded in bagging five foxes and one wild cat last week, notwithstanding the warm weather. He has also bagged sixty raccoons since the first of the year.

Promoted.
Frank Rupp, of Aaronsburg, who enlisted in the navy some months ago, and who is on board the St. Paul, commanded by Captain Sigbee, has recently been promoted to 2nd Captain of a gunners crew.

Snake's Fatal Bite.
Word reached Lock Haven Saturday 16th, of the death of William Daugherty at Hammersley's Fork, Leidy township, Clinton county, on Wednesday. Mr. Daugherty's death was due to the bite of a rattlesnake.

On Tuesday night Daugherty, who lived with his twin brother Joseph, at Hammersley's Fork, went to the barn in company with a boy and slept on a pile of buckwheat straw. Toward morning the boy awoke and heard Mr. Daugherty moaning. He went to the house and woke up Joseph, who immediately went to the barn and found his brother unable to speak. His face was badly swollen and there were two slight wounds on his forehead. The man lived until 8 o'clock Wednesday morning, when he died. A search of the premises was made and a rattlesnake five feet long was found and killed.

August 4 is the date of the next low-rate ten-day excursion from Erie, Troy, Bellefonte, Williamsport, Sunbury, and principal intermediate stations (including stations on branch roads), to Atlantic City, Cape May, Ocean City, Sea Isle City, Avalon, Anglesea, Wildwood, or Holly Beach, via Pennsylvania Railroad. Excursion tickets, good to return by regular trains within ten days, will be sold at very low rates. He Got His Kiss.
This story is told as one of the pleasant incidents of the war: When the train on which Captain Harder and a Clearfield company stopped at Phillipsburg one of the soldier boys had a very pleasant experience. His best girl was at the depot to say good bye to him, and the young man wanted to kiss her, but the distance being too great a Phillipsburg man came to the rescue by lifting the young lady up to the window while the soldier boy treated himself to about a dozen kisses.

Has Lost His Eye-Sight.
Mr. Henry Comer, of Milesburg, returned last week from Philadelphia. For the past three months he has been in the Pennsylvania hospital having one of his eyes operated on by one of the most skilled oculists in the country. The operation, we are sorry to state, was not successful and Mr. Comer is almost totally blind. He lost the sight of the other eye about a year ago through an attack of erysipelas.

LARGE BARN BURNED.
Bishop street is having all the excitement this past week. Last Saturday Landlord Keller held a flag raising at his hotel and on Wednesday morning the large new brick stable on the premises was destroyed by fire. The fire started about half-past five in the morning, in the second story, and in a half hour the structure was a mass of smouldering embers. The building was of brick walls, with slate roof. The firemen could not save the building but it was easily confined to this structure.

The second story contained a large mow filled with hay, about 70 bushels of oats, spring wagon, carriage, several sleighs and other things, all of which were destroyed. All the stock on the first floor was taken out in time.

Mr. Hagg, the owner, had \$1200 insurance on the building, which will not represent more than half the loss. Mr. Keller had no insurance on his personal property in the stable. This hotel stable was destroyed several years ago by fire.

THE NEW CREAMERY.
On Tuesday the stockholders of the new creamery, being established at this place, held a meeting and elected the following officers: Pres., F. W. Crider; Sec., H. H. Harshbarger; Treas., J. D. Shugert; Board of Directors: F. W. Crider, C. C. Shuey, John Olewine, Harrison Kline, Samuel Decker, Christ Decker, Wm. Dale, Wm. Noll, Jr., and Harry Shivery. On Friday they will hold another meeting to decide on routes and award contracts. The building for the new plant is completed and the machinery is here and being put in place now and in the course of a week it is expected to be in operation.

Separators will likely be stationed in Bald Eagle Valley, lower Nittany, Lemont and Centre Hall, where the fresh milk will be taken and the cream removed and sent to the factory in Bellefonte. This plant will have a capacity for one thousand cows. Jacob Krumrine, of State College, will be the butter maker, and has had considerable experience in that line.

Child Bitten by a Snake.
A four-year-old son of Samuel Boyer, two miles east of Aaronsburg, on Daniel Wolf's farm, while playing about a stone fence was bitten by a rattlesnake. The child cried and was taken home but the parents did not know what the trouble was. Another child who was along said something came out of the stone fence and bit it. A party, after they found that the limb was swollen very fast, instituted a search and found the snake, when George Kreachbaum killed it. The doctor was sent for and the child is doing alright.

Church Re-opened.
The United Evangelical congregation of Centre Hall, who some few months ago purchased the church formerly belonging to the Evangelical Association at a cost of \$400, and after remodeling and painting, re-opened it Sunday 17th.

Bishop R. Dubs, D. D. LL. D., of Chicago, was present and preached two masterly sermons. The church is now finished in good style; a new red oak pulpit and choir platform has taken the place of the old one.

Excursion to Niagara.
On Tuesday August 2nd and Sept. 6th, special excursions will be run to Niagara Falls, via the Central, R. R. of Pa., and Beech Creek R. R. Tickets will be good to return within six days. The rate from every point on the C. R. R. of Pa., will be \$5.50.

K. G. E. Festival.

through the winter? If so, we are sure it quieted your cough, healed the rawness in your throat, increased your weight, gave you more color, and made you feel better in every way. But perhaps your cough has come back again, or you are getting a little thin and pale.

Then, why not continue the same helpful remedy right through the summer? It will do you as much good as when the weather is cold.

Its persistent use will certainly give you a better appetite and a stronger digestion.

It will cure your weak throat and heal your inflamed lungs. It will cure every case of consumption, when a cure is possible.

Don't be persuaded to take something they say is just as good.
