

MANILA CAPTURED

Short Bombardment and Quick Advance by Our Infantry.

THE FLIGHT OF AUGUSTI.

Spanish Commander Escapes to Hong Kong on a German Ship.

OLYMPIA FIRED THE FIRST SHOT.

And the First Colorado Regiment Was the First to Charge the Spaniards in the Trenches—Admiral Dewey Has Probably Ere This Forced the Surrender of Two Other Philippine Ports and Captured Several Steamers—Captain General Augusti Leaves Hong Kong for Madrid.

London, Aug. 17.—The Manila correspondent of The Daily Telegraph says:

Nothing could be more humane than the American capture of this town. General Merritt's and General Dewey's plan was to spare every object but the defenses and the trenches. Apparently the American losses were extremely small.

Defending this long line of at least ten miles were not over 5,000 Spanish regular troops, volunteers and natives. About half that number were in the hospital. The attacking force numbered from 10,000 to 20,000 natives and 10,000 Americans, on shore and aboard the fleet.

Looking over the bay it was curious to notice how the foreign fleets arranged themselves according to their sympathies. The English and Japanese were near the Americans and the Germans and French on the opposite sides of the bay, north of the Pasig river.

The Olympia fired the first shot at 9:40, and a fairly continuous but by no means furious cannonade was kept up until 11:20. By that time the Malate fort was silenced, and the American troops then stormed the entrenchments.

Resistance to the American attack was impossible. The First Colorado regiment was the earliest to charge the Spaniards, who retired to the second line, but, soon outnumbered, they were forced into the old city.

The Spanish commander, convinced that further resistance was hopeless, hoisted a white flag at 1:30 and the order to cease firing was immediately issued in the center of the town, but in the outskirts street fighting continued for some time afterwards.

As the white flag was hoisted General Augusti and his family were taken on board the German cruiser, and the Kaiserin Augusta steamed off immediately for Hong Kong.

DEWEY WANTS MORE PORTS.

He Has Also Set Out to Capture Spanish Warships.

Hong Kong, Aug. 17.—Consul General Widman yesterday received a report from Admiral Dewey saying that it was intended after the capture of Manila to dispatch cruisers on Aug. 14 to Iloilo and Cebu to accept the surrender of those ports, and also to send cruisers to Port Royalist, in Talawan, to capture the Spanish gunboats hiding there.

Consul Widman credits the report and says that should the vessels have left before the arrival at Manila of the British steamer Australia, which was chartered to carry the news of the signing of the protocol and the cessation of hostilities to that place, it will be an impossibility to recall the vessels in three weeks.

General Augusti yesterday said he did not know that the Kaiserin Augusta was to sail for Hong Kong. He was informed that a launch was awaiting him, which he boarded and was taken to the Kaiserin Augusta, which immediately started for this place. This statement is considered an equivocation, as General Augusti evidently knew his destination and his escape was prearranged. Augusti will start for Madrid today by the German mail steamer.

THE HORRORS OF SANTIAGO.

Cremating the Bodies of Spanish Soldiers, Victims of Disease.

Santiago de Cuba, Aug. 17.—The bodies of the dead Spaniards continue to be cremated. Over 700 were burned so far. Yesterday afternoon 70 were to be burned. Over two rail cars dozen bodies are stretched, across them another dozen, and then about 30 corpses are stacked in an immense funeral pile ten high.

These 70 corpses represent two days' dead from the Spanish camp. The danger to the population from the stench, the presence of the buzzards, vultures and flies is incalculable.

MILITARY COMMISSIONERS

Who Will Restore Order in Cuba and Porto Rico.

Washington, Aug. 16.—Today's Post says: The announcement of the personnel of the military commissions for Cuba and Porto Rico may now be expected at any time.

It will be noticed that the name of General Fitzhugh Lee does not appear in the list of the Cuban commissioners. The omission is not intentional.

Several Soldiers Stricken at Key West and Montauk Point.

Washington, Aug. 17.—Surgeon General Sternberg has received the following dispatch from Surgeon Borden, at Key West, regarding the yellow fever there: "Three cases of yellow fever and three suspected cases officially reported at marine barracks here. Have 50 men at this hospital, mostly from the Fifth corps, ready for duty, and 31 convalescents able to travel."

Disorderly Immunes at Santiago.

Santiago de Cuba, Aug. 17.—General Shafter yesterday ordered the Second volunteer regiment of immunes to leave the city and go into camp outside. Some of the men have indulged in liquor until they have verged upon acts of insubordination.

Washington, Aug. 17.—The authoritative announcement is made that Senator Allison, of Iowa, will not be a member of the peace commission.

As the white flag was hoisted General Augusti and his family were taken on board the German cruiser, and the Kaiserin Augusta steamed off immediately for Hong Kong.

WANTS STICK KEYSTONE SOLDIERS HOME.

Bellefonte, Pa., Aug. 17.—Governor Hastings is endeavoring to arrange with the war department to bring all sick Pennsylvania soldiers from Camp Alger, Camp Thomas, Tampa, and other places in the south to Pennsylvania at once by hospital trains.

Colored Troops at Middletown.

Santiago de Cuba, Aug. 16.—The official report submitted to General Shafter by Collector of the Port Donaldson shows the customs revenues from July 30 to Aug. 13 to be \$64,215, an excellent showing for the first fortnight of American administration.

DECLARATION OF PEACE.

Presidential Proclamation Puts an End to Hostilities.

PROVISIONS OF THE PROTOCOL.

Five Commissioners From Each Government Will Meet in Paris and Complete the Provisions—All Our Demands Agreed To.

Washington, Aug. 13.—The president has issued the following proclamation: "Whereas, By a protocol concluded and signed Aug. 12, 1898, by William R. Day, secretary of state of the United States, and his excellency, Jules Cambon, ambassador extraordinary and plenipotentiary of the republic of France at Washington, respectively representing for this purpose the government of the United States and the government of Spain, the United States and Spain have formally agreed upon the terms on which negotiations for the establishment of peace between the two countries shall be undertaken; and

"Whereas, It is in said protocol agreed that upon its conclusion and signature hostilities between the two countries shall be suspended, and that notice to that effect shall be given as soon as possible by each government to the commanders of its military and naval forces;

"Now, therefore, I, William McKinley, president of the United States, do, in accordance with the stipulations of the protocol, declare and proclaim on the part of the United States a suspension of hostilities and do hereby command that orders be immediately given through the proper channels to the commanders of the military and naval forces of the United States to abstain from all acts inconsistent with this proclamation.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"WILLIAM MCKINLEY."

A copy of the proclamation has been cabled our army and navy commanders. Spain will cable her commanders like instructions.

The protocol provides:

- 1. That Spain will relinquish all claim of sovereignty over and title to Cuba.
2. That Porto Rico and other Spanish islands in the West Indies, and an island in the Ladronez, to be selected by the United States, shall be ceded to the latter.
3. That the United States will occupy and hold the city, bay and harbor of Manila, pending the conclusion of a treaty of peace which shall determine the control, disposition and government of the Philippines.

- 4. That Cuba, Porto Rico and other Spanish islands in the West Indies shall be immediately evacuated and that commissioners, to be appointed within ten days, shall, within 30 days from the signing of the protocol, meet at Havana and San Juan, respectively, to arrange and execute the details of the evacuation.
5. That the United States and Spain will each appoint not more than five commissioners to negotiate and conclude a treaty of peace. The commissioners are to meet at Paris not later than the 1st of October.

- 6. On the signing of the protocol, hostilities will be suspended and notice to that effect will be given as soon as possible by each government to the commanders of its military and naval forces.
7. With simplicity in keeping with republican institutions the war which has raged between Spain and the United States for a period of three months and 22 days was quietly terminated at 23 minutes past 4 o'clock yesterday afternoon, when Secretary Day, for the United States, and M. Cambon, for Spain, in the presence of President McKinley, signed a protocol which will form the basis of a definitive treaty of peace.

As a further mark of his disposition, President McKinley called for the proclamation which he had caused to be drawn up suspending hostilities, and signed it in the presence of M. Cambon, who expressed his appreciation of the action.

Without delay Acting Secretary Allen hastened to the telephone and directed that cable messages be immediately sent to all of the naval commanders—Dewey, in the Philippines; Sampson, at Guantanamo, and the various commandants at navy yards and stations—to cease hostilities immediately.

Camp Wyckoff in Excellent Condition.

Washington, Aug. 17.—Margaret Sumner McLean, of the Woman's National War Relief association, has written a letter to Surgeon General Sternberg concerning her observations of the sanitary conditions at Camp Wyckoff, Montauk Point. During a personal visit to the camp she found no serious suffering on account of inadequate supplies either of food or shelter.

Mustered Out the Volunteers.

Washington, Aug. 17.—The mustering out of the volunteer army raised in defense of the Union against the armies of Spain practically began at the war department yesterday, and will be continued until the army has been placed on a basis consistent with our present relations to the nations of the earth. Orders were prepared yesterday for the mustering out of about 35,000 volunteers, including nearly 25 regiments of infantry and about eight troops of cavalry and five or six batteries of artillery.

Santiago's Customs Receipts.

Santiago de Cuba, Aug. 16.—The official report submitted to General Shafter by Collector of the Port Donaldson shows the customs revenues from July 30 to Aug. 13 to be \$64,215, an excellent showing for the first fortnight of American administration.
