KILLED AT CENTRE HALL.

A Frightful Runaway Results in the Death of Jacob Strohm.

Early on Tuesday morning a frightful runaway accident happened at the Centre Hall railroad station that resulted in the death of Jacob Strohm, of Tusseyville, and serious injuries to Mrs. John Lose and children.

Mr. Strohm resides near Tusseyville and is a retired farmer. For some time Mrs. John Lose and her son Strohm Lose and daughter Annie were visiting at the Strohm home. Her husband, John Lose, is a member of Company B and their home is in Bellefonte. As Mr. Lose was coming home on a furlough, Mr. Strohm had hitched up in the spring wagon to take them to the Centre Hall station to board the early train for their home in Bellefonte. As they were driving along the pike, in the hollow beyond the Old Fort Woods, and at the edge of the boro limits, the horse took fright at a vehicle back of them and started to run. Mr. Strohm could not quiet the animal and as they crossed the railroad tracks and turned in towards the station the rear spindle broke and the heavy wagon was overturned.

They were thrown on a heap of broken stone. Mr. Strohm clung to the lines and was dragged considerable distance. Mrs. Lose and children fell under the overturned wagon and were rolled and dragged over the stones.

Mr. Strohm was picked up at once and found to be unconscious. He had a six inch gash cut on the right side of the face from the ear. Several deep fractures were found back of the head, and he had other bruises about the body. He was carried over to Bartholomew's, where he lived only about thirty minutes.

Mrs. Lose and children were in a serious condition suffering from bruises. Mrs. Lose was helpless and by the aid of a cot was carried to Bartholomew's house. An examination showed that she sustained a broken collar bone and her head and face was badly bruised. She can not be moved for some time. Strohm Lose, a young lad of about 14 years, had his hip bruised and his knee badly cut. Annie, the daughter, was bruised and cut about the face.

Mrs. Lose was an adopted daughter of Mr. Strohm who resided with his wife at Tusseyville, from which place the interment will occur on Friday morning. His age was 76 years; and his wife only survives him.

Died at Jacksonville.

Mrs. Sarah J. Long wife of Wm. H. Long, died at her home in Jacksonville, Friday afternoon. She is survived by her husband and three children. The funeral which was largely attended took place Sunday morning at 11 o'clock. Mrs. Long died of apoplexy, after a brief sickness, being stricken down on Monday, August 15, and remained unconscious until her death. Mrs. Long was a consistent member of the Lick Run Presbyterian church of Jacksonville. The services were conducted by Rev. D. E. Craighead, of Curwensville, Pa., the text being: "Or ever the silver cord be loosed, or the golden bowl broken, or the pitcher be broken at the fountain, or the wheel be broken at the cistern." Ecclesiastes 12th chapter and 6th verse. Mrs. Long, together with her husband and three daughters, moved to Walker from Milroy some fifteen years ago, she being a daughter of Jacob McAuley, deceased, also a sister of John McAuley, of Hubersburg; she also has a brother in California.

She leaves to mourn her loss, her husband, Wm. H. Long and three daughters, Miss Maggie C. Long, of Walker; Mrs. Walter L. Cooke and Mrs. A. A. Schenck, both of Howard.

Death of Anna Martin.

She is survived by her father and mother and the following brothers and sisters: Sadie J., Harry W. and Helen all of Bellefonte.

BUSINESS MEN'S PICNIC.

A Very Large Gathering Despite the Unfavorable Weather.

One week ago the Business Men's Picnic was held at Hecla Park and the unexpected happened in having a rainy day that kept many away, and to some extent interterred with the pleasures of the day.

It is estimated that about ten thousand people from the two counties were on the ground. This year a large delegation from Phillipsburg were in attendance. Notwithstanding the weather, the gathering was a success, and all seemed delighted. Owing to the rain in the evening the fireworks were omitted from the program. The following is a brief account of the other events:

One of the novel and interesting feats of the day was the English dog races over a 200 yard course. The animals are run over a straight course and follow their masters. The races were managed by Mr. Thomas Morgan, of Phillipsburg, whose dogs, Jack, Monkey and Fly, carried off all the money, which aggregated \$40.

The first heat was won by Morgan's "Jack"; the second by Morgan's "Fly"; the third by Morgan's "Monkey"; the fourth by Ashcroft's "Rice"; the fifth by Morgan's "Bessie." In the final Morgan's three dogs took first, second and third as follows: "Jack," "Monkey" and "Fly."

FURNACE SOLD.

The Valentine Furnace Sold Last Monday to A Syndicate.

The Valentine Iron company was sold at sheriff's sale Monday for the nominal bid of \$1,000. And this for a property that has a nominal value of not less than a half million dollars. The entire holdings of the company include 347 acres of land, the furnace plant, ore mines with improved washing machinery and the ore right on over 12,000 acres of land. The sale and purchase Monday was subject to a mortgage of \$75,000, representing the original security given by the Valentine company at its organization in 1891 for the capital secured at that time. The personal property was sold some time ago and was purchased by Robert Valentine and certain creditors. The real estate sold on Monday was purchased by practically the same parties. If the iron market should warrant it the plant will be improved and enlarged and put in operation. Of this latter fact no definite assurance can be given.

The Cotton Tail Club Must Hustle.

The Kyle correspondent to the Lewis-ton Gazette says: Mr. Levi Hartzler told your scribe that when his sons were cutting wheat with the binder a rabbit jumped on the platform of the binder and was taken through the elevators along with the straw and tied up with one of the sheaves, and when the sheaf was dropped out the young man on the machine saw the rabbit, they stopped, went and released the little bunnie, but found the packers had hurt its spinal cords so it could not navigate and they killed it to put it out of suffering. Now Richard and his cotton tail club had better look out or Levi and his binder will take the banner on catching bunnies.

Attacks the Eyes.

A strange malady has made its appearance among some of the cattle in this state. It attacks the eyes, causing them first to get bloodshot, then entirely white, which makes them blind. The disease is said to have been introduced by western cattle, and in some cases one steer has infected a whole herd, in some cases the cattle recover their sight and in others they remain totally blind.

Coughs and colds, weak throats and lungs, come quickest to those who are thin in flesh, to those easily chilled, to those who have poor circulation and feeble digestion.

Scott's Emulsion of cod liver oil with hypophosphites does just as much good in summer as in winter. It makes flesh in August as well as April. You certainly need as strong nerves in July as in January. And your weak throat and lungs should be healed and strengthened without delay.
