A GREAT REMEDY. Greatly Tested. Greatly Recommended.

The loss of the hair is one of the most serious losses a woman can undergo. Beautiful hair gives many a woman a claim to beauty which would be utterly wanting if the locks were short and scanty. It is almost as serious a loss when the natural hue of the hair begins to fade, and the shining tresses of chestnut and auburn are changed to gray or to a faded shadow of their former brightness. Such a loss is no longer a necessity. There is one remedy which may well be called a great remedy by reason of its great success in stopping the falling of the hair, cleansing the scalp of dandruff, and restoring the lost color to gray or faded hair. Dr. Ayer's Hair Vigor is a standard and reliable preparation, in use in thousands of homes, and recommended by the most eminent American and European physicians. The remarkable results that follow its use. It makes hair grow. It restores the original color to hair that has turned gray or faded out. It stops hair from falling, cleanses the scalp of dandruff, and gives the hair a thickness and gloss that no other preparation can produce.

Mrs. Herrmann, of 356 East 68th St., New York City, writes: "A little more than a year ago, my hair began turning gray and falling out, and although I tried every means known to prevent a continuance of these conditions, I obtained no satisfaction until I tried Dr. Ayer's Hair Vigor. After using one bottle my hair was restored to its natural color, and ceased falling out."—Mrs. HERRMANN, 356 East 68th St., New York City. "I have sold Dr. Ayer's Hair Vigor for fifteen years, and I do not know of a case where it did not give entire satisfaction. I have been, and am now using it myself for dandruff and gray hair, and am thoroughly convinced that it is the best on the market. Nothing that I ever tried can touch it. It affords me great pleasure to recommend it to the public."—FRANK M. GROVE, FAUNSDALE, PA. There's more on this subject in Dr. Ayer's Curebook. A story of cures told by the cured. This book of 100 pages is sent free, on request, by the J. C. Ayer Co., Lowell, Mass.
