Among our sick at this writing are Charles Musser, Mrs. Henry Norris and Mrs. L. B. McEntire, the youngest child of John B. Rockey. We hope to see them all get well and be around among us again.

DEATH:—On Sunday evening, at 8:30, the death angel called at the home of A. C. Kelley, taking away their infant daughter, aged 4 months, 3 weeks and 4 days. The deceased was a sufferer of indigestion for the past nine days. Funeral services were conducted by Rev. Runyan, at 2 o'clock Tuesday afternoon, after which the body was taken to the Meyers cemetery for burial. The bereaved family has the sympathy of the people of this community.

Fillmore No. 2.

The farmers are busy seeding.

The immense crop of corn is rapidly being harvested.

A Harvest Home Service will be held in the M. E. Church Sunday, Sept. 18, at 10:30 a. m. All are cordially invited to attend.

Several of our young people were up to the Waddle social Saturday evening and reported having had a good time. How is it Harry?

Some people are so sensitive to strong drink that when they pass Tressler's cider press the smell of the pumice makes them drunk.

Some of our young ladies must have been up until a late hour Saturday night as some of them could scarcely keep awake in church on Sunday. How about it Sadie?

Our new coachmaker, C. R. Norris, has the first rig completed, which is as fine a vehicle as can be found anywhere. If you don't believe he is a first-class workman, give him a call.

The well known "Squire Way" is on the fence in regard to the "girl question" and don't know which way to jump. Go it Squire! But sympathize with those who are less fortunate.

THE WONDERS OF SCIENCE

LUNG TROUBLES AND CONSUMPTION WOULD BE CURED.

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.

The distinguished chemist, T. A. Slocum, of New York City, demonstrating his discovery of a reliable cure for Consumption (Pulmonary Tuberculosis), bronchial, lung and chest troubles, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of this paper willing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure. Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung trouble and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

The dread Consumption, uninterupted, means speedy and certain death. Simply write to T. A. Slocum, M. C., 98 Pine Street, New York, giving postoffice and express address, and the free medicine will be sent direct from his laboratory.

Sufferers should take instant advantage of his generous proposition. Please tell the Doctor that you saw this in the Centre Democrat.

THE DANGER

to which the Expectant Mother is exposed and the foreboding and dread with which she looks forward to the hour of woman's severest trial is appreciated by but few. All effort should be made to smooth these rugged places in life's pathway for her, ere she presses to her bosom her babe.

MOTHER'S FRIEND

allays Nervousness, and so assists Nature that the change goes forward in an easy manner, without such violent protest in the way of Nausea, Headache, Etc. Gloomy forebodings yield to cheerful and hopeful anticipations—she passes through the ordeal quickly and without pain—is left strong and vigorous and enabled to joyously perform the high and holy duties now devolved upon her. Safety to life of both is assured by the use of "Mother's Friend," and the time of recovery shortened.

"I know one lady, the mother of three children, who suffered greatly in the birth of each, who obtained a bottle of 'Mother's Friend' of me before her fourth confinement, and was relieved quickly and easily. All agree that their labor was shorter and less painful." JOHN G. POLBELL, MAcon, Ga.
