E. KOLB, Shark, Ark. as a sick and the whole heart is fail." There are scores of hundreds of people who live so under the dominion of this bully bil-iousness that they don't dare eat or drink without his permission. There's no need of such slavery. Dr. J. C. Ayer's Pills effectually cure biliousness.

Billousness is in general but a symptom of a more stubborn disorder, constipation. Constipation is the root of almost all physical evils, and Dr. J. C. Ayer's Pills enter almost all these physical evils by going to the root. They cure constipation, and the consequent maladies, billousness, heart burn, palpitation, shortness of breath, coated tongue, and a score of other miserable maladies that have their origin in cases of billousness and general disorders of the stomach and bowels and have found
