Mrs. James Martin and sister, Mrs. John Holmes, Jr., was to Howard, on Wednesday, to see their cousin Mrs. Holter, who is ill. A mistake was made in last week's Walker items, by saying Miss Lottie Nestlerhood, of Tyrone, was the guest of Miss Bessie Harter. It was Mr. Lotter Nestlerhood, of Tyrone. The funeral of Mrs. Chesebro, of Nittany Hall, took place on Wednesday. Interment was made in the Presbyterian cemetery, at this place, also the burial of Mrs. Bierly, of Hubbersburg, which took place on Thursday. Interment was made in the Lutheran cemetery, at this place. Shiloh's Consumption Cure cures where others fail. It is the leading Cough Cure, and no home should be without it. Kreamerville.

Mathias Strayer is on the sick list. Iva Small is on the sick list, at present. John R. Styers was to Union county Saturday and Sunday. L. A. Miller commenced teaching, Monday, at Smithtown. Quite a number from this place attended Grangers picnic last week. Reuben Musser, who got ill by exposure at camp meeting, is improving. Mrs. W. H. Leitzel, who was seriously ill for the past week, is on a safe way of recovery. FOR SALE.—Harry Small, of this place, has about 30 or 40 pound of plaster hair to sell. Master Joe Gramley is again on the rounds, his broken arm being in fairly good condition. Samuel Condo is the man to settle a rumpus. If you don't believe it, ask some one what was going on, on Carlin's store porch, Sunday evening. It would be a good thing if T. D. Stover's woods were haunted with ghosts. It would keep folks out of it on Sundays, that should be in Sunday school, at the attendance of duties. Our boys who left for Jersey Shore, a week ago, are again back to Brush-valley, and we suppose some of the feminine gender are glad for the joy that cometh in the morning. On Sunday, while two young men from Tusseyville, one a suitor to one of our belles here, were showing their skill at bicycle riding by running at full speed through the town, when at the cross roads the young ladies sweet-heart said, "this part of the country has mighty rough roads, and hardly had he spoken these words when he drove headlong in his partner's wheel and threw her head fore-most about 10 feet on the road. No serious consequences happened, but they left immediately. We hope they will come again, for Miss B. will be glad to see them. We hope that they will have in remembrance further on that "the more haste, the less speed," and also that we have bicycle riders in Brush valley that can ride the bend of the road and not meet with their experience. Stop that cough! Take warning. It may lead to Consumption. A 25c bottle of Shiloh's Cure may save your life. Sold by Krumrine Bros., Bellefonte.

Yarnell.

Thrashing in this vicinity is over. Joseph Mayes bought a new horse. Our schools will open on Monday 26th. Claud Yarnell spent Sunday night at Fairview. George Heaton has things very handy at his place. Miss Rachael Womer spent last week in Mt Eagle. Fannie Miller has gone to Spruce Creek for a visit. Miss Gertrude Taylor, of Bellefonte, has been the guest of Anna Wensel, for the past two weeks. Orvis Pitzer is preparing for a trip to Pittsburg. It is the general supposition that he will bring a wife back. Mr. Walker has been fortunate in se-

curing the school at Fairview, where he has in charge a large crop of peaches.

Edward Coakley has quite a large colony of bees in Fetzerstown, also a friend whom he says is a "Pearl of great price."

John Coakley has returned from the woods to investigate his potato crop, which has been in the hands of Runville capitalists.

Charlie Heaton was paying his best girl a visit over Sunday. Charles is a kind boy and secures hearty welcomes whether in Fetzerstown or Fairview. Nelson Confer says that bologna is a sure cause of gout and he ought to know for he ate more, choked harder and went off more than any other man of all ages of his age.

Chester Walker foreman on E. I. Walker's saw mill was unfortunate by striking his hand with a five pound hammer. It is not certain as to the breaking of any bones, but he has decided to go to Blanchard for medical attendance.

For Constipation take Karl's Clover Root Tea, the great Blood Purifier Cures Headache, Nervousness, Eruptions on the face, and makes the head clear as a bell. Sold by Krumrine Bros., Bellefonte.

Fillmore.

Rain is needed badly for Buffalo Run is dry. The farmers are nearly through cutting their corn. Chas. Musser is still poorly; he has been ill for a long time. Henry Huey and family spent Sunday with friends in Bald Eagle valley. A great many of our people attended the Granger's Picnic and report a nice time. George Hall, of Julian, spent Sunday with his grand father, Daniel Taylor. Ed Wasson is improving in health for which his many friends are thankful. The youngest child of John Rockey, Sr., is still being treated by the doctor. School will begin here Oct. 3rd, and is to be taught by Clyde Collins, of Lemont. We wonder where Mr. Bickle is so often, of late. We had better present him with a bell. In last week's issue of Centre Democrat we said Mrs. Wm. Fisher was ill. This was a mistake. It was Mrs. Wm. Tresler. She is still poorly. Many people of this place attended the picnic held at Hunter's Park by the employees of the Morrison Cass and Co., paper mill, from Tyrone, and report a pleasant time. Mrs. A. H. Hoover was stung on the neck by a bee, some time ago, which apparently got well, but lately she has been suffering great pain in the leader of her neck. She is being treated by Dr. Irwin. Catarrh Cured. A clear head and sweet breath secured with Shiloh's Catarrh Remedy; sold on a guarantee. Nasal Injector free. Sold by Krumrine Bros., Bellefonte.

Aaronsburg.

Mrs. Kate Yordy and baby, of Shamokin, are the guests of H. K. Summers. Freeman Luse, wife and son, of West-Fairview, are the welcome guests of Jno. Yargers. Mrs. Nogle and Mrs. Wert, of Dauphin county, are the guests of Mrs. Lavina Lenker. Mrs. Dan Roush, of Madisonburg, spent a few days at the home of Frederick Limberts. Mrs. Wm. T. Meyer, accompanied by her daughter Eva, have returned home in Philadelphia. The Misses Annie Charles and Nettie Raubenbaugh, of Heartleton, Sundayed with Mrs. George Charles. Miss Lizzie Edmunds, who has been at State College, for the few months, has returned to the parental roof. Master Johnny Rupp, formerly of this place but now of Rebersburg, was in town on Saturday. His many friends were glad to see him. Rcv. Edmunds, of Odell, Ill., occupied the Reformed pulpit on Sunday morning. His excellent sermon was appreciated by the large audience that was there to hear him. The price of the Centre Democrat and 3-times-a-week World has been reduced from \$1.75 to \$1.65 per year. This is a great combination at a low price. We always furnish "The Most News for the Least Money."

What Dr. A. E. Salter Says. BUFFALO, N. Y.—Gents—From my personal knowledge, gained in observing the effect of your Shiloh's Cure in cases of advanced Consumption, I am prepared to say it is the most remarkable Remedy that has ever been brought to my attention. It has certainly saved many from Consumption. Sold by Krumrine Bros., Bellefonte, Pa.

Deafness Cannot Be Cured. by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, Etc.

Rebersburg.

Miss Lottie Malony and Levi Fulmer are at present sick with typhoid fever. Wm. Smith, of Mt. Carmel, was among the farmers on Monday and purchased their extra potatoes. Albert Steininger was at Hubbersburg, last Thursday to attend the funeral of his wife's grandmother. On Monday morning our public schools opened. The attendance has been very good, taking in consideration the time of the year. Our traveling people have been to the Grangers picnic, during the last week. Some were not so jolly when they came back, as when they left. Jacob Kerstetter, while he was working on C. C. Lose's steam saw mill, cut an ugly gash in his foot, which will keep him from work for a while. Some of our farmers are now feasting on cider, while they are in the midst of the corn harvest. Auch yah; dost ist herrlich von der mench gut und wohl leben kon. Edward Diehl, of Centre Mills, we notice, is an up-to-date wheelman, since he purchased that bicycle which is almost as good as new. No flies can catch him. How is it Ed? Chas. Gramley, who has been among the Jersey Shore people during the last few weeks, is again with his old friends, and especially, with that partical friend at Kreamerville.
