Caught a Turkey.

When the Bald Eagle valley express train pulled into Tyrone Tuesday afternoon last week and engineer John Leisenring went to look over his engine he found a plump, young wild turkey imprisoned by the air brake pipe on the bumper of his engine. The turkey was alive but was bruised slightly about the wings. It had evidently been frightened into flight by the train and flew into its imprisonment.

One day last week a young pheasant flew against the passenger coach of the Snow Shoe train, while the train was moving. The conductor saw the bird drop. When picked up, it was dead, having broken its neck.

Successful Operation.

Last week Wm. C. Heine, Esq., accompanied his wife to Philadelphia, where she entered the German Lutheran hospital. A tumor had formed below the knee that was of considerable size. Last Saturday Mrs. Heine submitted to an operation that was entirely successful. Her condition had become so favorable that Mr. Heine was able to return home on Wednesday. He apprehends no serious results, but it will take time until she will be able to return to her home again. This will be welcome news here to her many friends who have been solicitous for her recovery.

Another Fire.

Monday night at about 12:30 fire broke out in the attic of the Martin Laughlin property on Lamb street. The house was occupied by Margaret and Jennie Laughlin, and were sound asleep when the flames were discovered. The fire companies responded quickly to the alarm but could only save adjoining property. Part of the furniture was saved. The fire originated likely from a defective flue. The loss is estimated at \$1,500, with \$500 insurance on furniture and \$800 on the building.

Stung in the Throat.

Charles Matz, of Tyrone, was the victim of a peculiar accident one day last week. He was visiting at Dry Hollow and was drinking sweet cider out of a barrel through a small gun hose, when a yellow jacket was sucked up through the hose into Mr. Matz's throat. The bee stung him three times in the throat and breast, and the stings swelled up until Mr. Matz nearly choked. By the use of a tube the throat was kept from entirely closing up and the victim pulled through, but he will not drink cider out of a barrel hereafter.

Game Season.

On Saturday sportsmen were plenty, the woods were full of them but little game was captured on the opening of the season. It was an unfavorable day and that may account for the small returns. George Meek came home with a wild turkey and it is presumed that he killed it himself. Some had a squirrel or two, now and then a pheasant and most of the sports had nothing.

CORONER'S INQUEST.

Report Mrs. Garbrick's Death Due to Christian Science Teaching.

Last week a full account was given of the tragic death of Mrs. J. M. Garbrick, of this place, by having her head cut off on the railroad track near Gerberich, Hale & Co's mill. From the surroundings it was evident that the act was premeditated owing to the woman's illness and consequent mental derangement.

During the past two years she discarded medical treatment and submitted to what is known as the Faith Cure or Christian Science method, as taught by a Miss Rebecca Parry. Mrs. Garbrick grew worse and worse and finally her mind became effected. Towards the last the woman despised Miss Parry as a demon and attributed her growing ailment to this woman's treatment.

At the hearing on Monday, the following witnesses testified: M. J. Garbrick the husband, Mrs. Lew Gettig, Mrs. D. C. Stine, Mrs. John Shadle, Mrs. Curns neighbors of the deceased.

All testified that under this Faith Cure Mrs. Garbrick grew worse, and were of the opinion that it deranged the sick woman's mind which ultimately ended in suicide.

The jury was made up as follows:—Coroner M. J. Locke, Edward Chambers, H. P. Harris, Wm. Waddle, John Walsh, H. H. Montgomery and George Weight.

The verdict of the jury, which is in accordance with the testimony, is as follows:

"We find that Mrs. Emma Garbrick met her death on the evening Oct. 10th, 1898 by having thrown herself under the cars on the P. R. R. near Gerberich, Hale & Co's mill in the boro of Bellefonte with suicidal intent, she being of unsound mind partly produced by the influence of one, Miss Rebecca Parry"

This is a remarkable finding and a severe rebuke of this teaching which seems to oppose all that medical science and skill can do in the treatment of diseases of human flesh.

At first glance this scheme of Faith Cure bears the stamp, to the average mind, as the rankest fanaticism. As a rule these impressions are always the safest guide. In matters of this kind everybody has the privilege to do as seems the most reasonable. You pay your money and take your choice.

When Faith Cure doctors are accepted in this establishment, the chances are some one is "off-his-base."

Death at Hubersburg.

Mrs. Mary, wife of John Decker, died Thursday night 13th at 12 o'clock at her home in Hubersburg, in the 66th year of her age. She is survived by her husband and five sons and three daughters, as follows: Charles and Mrs. Harvey Kessinger, of Pittsburg; William, of Irvona; Christian and Mrs. George Rocky, of Bellefonte; Herbert and Mrs. Irvin Yarnell, of Hubersburg; and Edward, of Lock Haven. A Sudden Death.

David T. Hoover, residing near Roopsburg, died suddenly Tuesday morning while sitting at the breakfast table. He was about to get up from the table when he suddenly dropped over dead. Several members of his family have died in just such a manner. Only a few weeks ago his daughter, Mrs. Mollie Minsker, was found dead in bed.

He would have been 71 years of age on his next birthday anniversary.

He is survived by his wife, Mary E. Hoover, and the following sons and daughters, Frank, Robert and David, of Altoona; William, of Axe Mann; Mrs. Cornelius Hazel, of near Bellefonte, and Katie, who resides at home.

Sudden Death.

L. C. Brinton, one of Philipsburg's prominent citizens, died at 11 o'clock last Friday night. He retired early and shortly after was seized with a chill. Medical aid was summoned but the neuralgia had gone to the heart.

Mr Brinton has been a resident of Philipsburg about 15 years, coming there from Liverpool, Ohio. In addition to his wife and son, he is survived by a brother, Taylor Brinton, of West Chester, two sisters, Mrs. Frank Gheen, of the same place, and Miss Maria Brinton, of Media, as well as half sister, Mrs. Walters, of West Chester.

Death of Mrs. Isaac Bartley.

The funeral services of Mrs. Isaac Bartley, of Mackeyville, was held in the Christian church, of that place, September 29th. Manley, pastor of Christian church, of Howard. Interment was made in the Cedar Hill cemetery.

Died From Stalds.

Mary, the one year old daughter of William Woods, of Axe Mann, tried to walk for the first time last week and while toddling about after her mamma, who was busy in the kitchen, she pulled a pan of boiling water over onto herself. She was so badly scalded that she died from the effects of it on Tuesday evening the 11th.

ADVICE TO MINISTERS.

Given by a Minister.

Preachers who practise it will preach better.

No class of people is so liable to throat trouble as the great class who make up the Gospel ministry. The strain put upon the vocal organs by constant exercise; the sudden change from a heated building to the cool air when the vocal organs are in a state of complete relaxation; the fact that a minister feels impelled to use his voice when actors and lecturers would take the needed rest; these are among the reasons why "Clergymen's sore throat" is known as a special disease. The Rev. E. M. Brawley, D. D., District Secretary of the American Baptist Publication Society, writes from Petersburg, Va., the account of an experience of his own which is profitable reading to those afflicted with Bronchial or other throat troubles. The substance of the letter is as follows:

PETERSBURG, VA. J. C. AYER CO. DEAR SIR: Three months ago I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Dr. Ayer's Cherry Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms. To ministers suffering from throat troubles, I recommend Dr. Ayer's Cherry Pectoral. "Prevention is better than cure." A bottle of Dr. Ayer's Cherry Pectoral kept in the house, will effectually prevent the rooting of a cold and its consequent development into some dangerous malady. This remedy has no equal in Bronchial troubles. The most stubborn cases have yielded to its use. It is equally effective for Asthma, Croup, Whooping Cough, and every disease that attacks the throat or lungs. For years Dr. Ayer's Cherry Pectoral has been put up only in large size bottles, at a price of \$1.00. To meet an increasing demand for a smaller sized package the remedy can now be obtained in half-size bottles, at half price—50 cents. Send for Dr. Ayer's Carebook (free) and you will get a clearer idea of the great value of Dr. Ayer's Cherry Pectoral. Address J. C. Ayer Co., Lowell, Mass.

In Memoriam.

Mrs. Catharine E. Sellers, widow of Agnew Sellers, late of Fillmore, this county, died at the residence of her daughter Mrs. Dr. McEntire, at Howard Pa., Friday Oct. 7th, at 2 p.m. aged 81 years, 2 months and 10 days.

The subject of this notice, whose maiden name was Catharine Essington Keppheart, had been a sufferer of rheumatism for a number of years, but bore it all with remarkable patience and fortitude. Her family have been identified with this State from an early day. Her grandfather General Philip Benner having located in Spring Township in 1790 where he died in 1833.

Of the older descendants on the maternal side, only two survive, C. H. Keppheart of Fillmore and Mrs. Martha Dickerson of Fairbault Mines. The following children survive: Caleb Matlock Sellers, an only son who resides near Fillmore; Mrs. Geo. W. Musser, Warriors Mark, Huntingdon County; Mrs. Benner W. Way, Buffalo Run, and Mrs. Fannie, wife of O. W. McEntire of Howard.

The many excellent traits of character of this well known lady had gained for her the love and high regard of all with whom she came in contact and her memory will ever be cherished by those who had the pleasure of her friendship, and for her countless acts of benevolence and kindness. After services conducted at the residence by Rev. Wharton of the M. E. church, the remains were taken on the noon train Saturday, to the old homestead near Fillmore, from which the interment took place Sunday at 2 p. m., in Meyers cemetery.
