Perry Winters is going to commence making logs for C. C. Loose, in a few days.

Wm. S. Breon and wife, of Lock Haven, were the guests of J. F. Waite, Sunday.

Lots of public sales this fall. C. C. Loose, Oct. 28; G. W. Kreamer, Oct. 29; and James Neese, Nov. 1.

John F. Waite has a turnip he raised in his lot, that weighs nine pounds. Let us hear who can beat that.

The bridge crossing Elk creek, just north of us, is in pretty bad condition. This state of affairs should not exist.

Quite a rumpus in the store the other Saturday evening, but it turned out to be mostly wind and not much "back-bone."

Geo. Winters seems to be the champion hunter of this town. The first day of his hunt resulted in shooting five grey squirrels and a fox.

Tramps and burglars are frequently seen and heard of here. Some of them should be arrested, as they soon play havoc afterwards.

A certain woman of this town, while on her way to the cornfield was frightened at a Jew spectacle peddler, whom she took to be a tramp. She took the nearest road to a neighbors house.

Our schools are progressing as well as can be expected, under the circumstances. I believe we have elegant teachers.

Mr. Vocum has the reputation of being a good teacher. Mr. Bartley is doing the best he possibly can, or that any one else could do under the circumstances.

The school is entirely too large for one teacher to do justice to the pupils. We do hope the directors will soon awaken to a sense of their duty and give us a graded school at Zion. It is a disgrace for the citizens of our community that they are not more interested in the education of their children.

We are entitled to a graded school at Zion and if the directors will not give it to us there are other ways of getting it. Our teacher has sixty pupils enrolled and ten or twelve more are expected. It is impossible for a teacher to do anything like justice to so many pupils. Directors take warning.

Floyd Bowersox, the jovial blacksmith bought the property of Isaac Strunk, where he will erect a new carriage and blacksmith shop on Main street.

The hunting season opened with C. King to the front. He got two pine squirrels and it took six loads to bring them down. Not so bad, you may go again.

Last Friday night, as bad as the weather was, an attempt was made to blow open Allison Brother's safe in the mill. They drilled a hole in through the door, put a charge of powder and fuse in, and set fire to it, but for some cause or other it did not go off. It is supposed to be the same party that went through Thompson & Smith's safe at Potter's Mills.

We noticed a two horse carriage containing Mrs. Alison, Mrs. Guiser, Miss Bell Shafer and Miss Mittie Winkleman start for Lock Haven last Wednesday, and did not get back till Thursday evening. They were the guests of Mr. and Mrs. Samuel Goble while away.

Three Doctors in Consultation.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; and to reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to natural and healthy condition. For sale by F. Potts Green, Bellefonte, Pa.

Opera House Attractions.

William Garman will manage Garman's opera house for the season of 1898-'99, and the list of his attractions already booked are as follows:

Nov. 14th, Martin's Uncle Tom's Cabin.

Dec. 2nd, Roger Bros. "Next Door."

Feb. 13th, Keller, the Magician.

Feb. 20, Rickett's Comedians.

Applications for dates from some other companies are being considered, and it is probable that a sufficient number will be selected to give Bellefonters amusement during the show season.

Safe Robbers.

During the past week some expert safe wreckers have been operating in this county. They succeeded in blowing open safes at Zion, Pottery Mills and Rebersburg. At Spring Mills they drilled Allison Bro's mill safe but did not succeed exploding it as the fuse did not burn properly.

Two suspicious looking characters, traveling with a gray horse and covered wagon are supposed to be the men who have been doing this work. It would be well to keep an eye on these chaps if seen in any part of our county.

Saw Dust and a White Hen.

An Iowa farmer, studying economy, mixed saw dust with the cornmeal fed to the chickens. It worked so well that he gradually reduced the quantity of meal, until the ration was all sawdust. About this time a white hen stole her nest, and, after reposing three weeks on thirteen eggs, she came off with twelve wooden legged chickens and one wood-pecker.

Big Flags a Failure.

Tyrone's big flag succumbed to a recent heavy storm, which drove it over the wires to the trees of Bush mountain. The flag is now in a position secure from storm, but is not visible to the passing public. The same thing happened to the flags at Coburn and Pleasant Gap.

Tobacco Crop.

It is estimated that this season's tobacco crops in Clinton county will reach a million pounds of cured tobacco, which will sell for \$100,000, or more. There were eight hundred acres planted in that county and the yield is the largest ever known.

will tell of the everyday lives of those brave men who dare death and darkness in their angriest forms—showing the workings of a system that saves thousands of lives yearly.

IV—The Men Who Wreck Ships.

It is popularly supposed that wreckers no longer exist; this article will tell of well-organized bands of wreckers who lure on to rocks, by means of false signals, rich vessels for the sake of their treasures.

V—Perils of the Smuggler's Life.

The risks that are taken nightly to circumvent the Customs officials—a business that is much larger to-day than it is supposed to be.

The title of a weekly page that displays at a glance the panorama of people prominently before the public—portraits and paragraphs that tell the week's history among the notables.

POPULAR BIOGRAPHIES

The Post will give, in the course of the year, thousands of brief biographies, and sketches of its writers and authors, illustrated wherever possible with photographic portraits.

THE BEST POEMS IN THE WORLD

The poems in this series will be admirably illustrated, and, wherever possible, there will be given a sketch of the life of the poet, with a portrait, and the story of how each poem came to be written.

The poems will be selected, not from the standpoint of the ultra-literary man or woman, but for their appeal to lovers of sentiment. They will be poems of the emotions—those that appeal to the heart; poems that tell a story—those that are filled with human interest. They belong to what may be called the "pocketbook school of poetry"—those poems that one cuts from a newspaper and carries in the pocketbook till they are worn through at the creases.

THE SATURDAY EVENING POST WILL BE MAILED TO ANY ADDRESS FROM NOW TO JANUARY 1, 1899, ON RECEIPT OF ONLY TEN CENTS. THE REGULAR SUBSCRIPTION PRICE IS \$2.50 PER YEAR
