J. C. Shaffer, the name which heads this item, is one familiar to all as that of a young man who moved out and in among our people for more than three years. Young as he was and with a seeming promise of fair days before him at this hour there remains of him only the name. His spirit is with his God. His memory alone remains to us. Some few weeks ago he was attacked with typhoid fever. It was not believed he was in a critical condition up to within a few days of his death. He was subject to cramp and it is supposed that this, in connection with the fever, caused his sudden death, that took place on Thursday night of last week. Mr. Shaffer was only 25 years old at the time of his death. He leaves a wife and one child to mourn his loss. His body was interred in the cemetery at Zion on Saturday afternoon.
