Woe be to such persons! You cannot serve two masters. On December 30, 1898, Milesburg Castle, No. 222, K. G. E., elected the following officers: Past chief, R. B. Past Chief K. G. E., of Bellefonte Castle, was the installing officer. James Schofield, Harry Gheret and brother, Abe Hamilton, and John Reacker, of Bellefonte Castle, were present. James Schofield made an impressive and interesting address to the castle. He spoke of the duties of the members of the castle to each other, emphasizing the word love, that it should have a bearing on the minds of the brethren, and above all, they should uphold each other in private, and to be more devoted to the organization. Brethren, do not the workings of the castle bring to your mind a new sense of responsibility? Your title proclaiming your duty pledges you to be the band of the castle which holds together the sacred shrine of brotherly love for each other. Love is a treasure no person can afford to cast aside. Allison Bros. are rushed with orders so that it requires them to run night and day. William Baker, the section boss, has been under the weather for a few days. Mrs. Brown's father is visiting her from New Berlin. Subscribe for the Centre Democrat, the best county paper, and do not borrow. Rev. Brown is holding a protracted meeting at Farmers Mills. The have several seekers. C. P. Long will build a wagon-maker shop for Luther Roper, at the foot of the hill, near the Grange Hall. There will be lots of moving about this spring, and it seems there is a want for houses. Some will leave town, while others will move in. Will Bair was thrown off of a load of logs and was severely hurt about his neck and shoulders, which might have proven fatal. C. E. Confer's sale was well attended last Saturday. Everybody was looking for a bargain. Some of his goods brought more than he paid for them. Robison Bros. are more than pleased with the business they are doing in the hardware line. A fine lot of cook stoves, ranges and heaters on hand. L. A. Smith, of Pine Grove Mills, visited Smith Bros. last week. L. A. was quite useful during the cold snap. He kept the plants from freezing. If you don't believe it just ask Mike. J. O. McCormick and John Smith are the champion sucker fishers. They came home the other day, McCormick 20 and Smith 22, some of them measured 18 inches. You may go again. It will not be long until we hold the spring caucus. It is well to look up such candidates who will take an interest in our township. Andrew Corman and Jeff Heckman, who saved four hundred dollars, are out for re-election for Supervisors; John Emerick for Reg. Assessor; John Lloyd wishes his name to come before the people for Constable. Who will be the next?

Pa. Furnace.

Dan Irvin lost a fine heifer the other day. Amos Clemson is quite poorly with heart trouble. We hope he may soon recover. J. J. Goheen has been very poorly for some time. We hope for his speedy recovery. Catherine Gardner died Friday morning of heart failure. Interment will be made at Graysville cemetery. Jacob Neidigh and Charles Lytle are on a hunting expedition, at the hostler, trying to capture the foxes. Miss M. E. K. was in Bellefonte and got herself a pretty new coat for the cold weather. Nothing like being comfortable. Oscar Irvin was to see his mother at Altoona, and reports times very good and lots to do. He is in the best of spirits. Mr. Mock, the venerable horse and cow surgeon stopped F. B. from practicing, not having the authority to perform the same. Three boys at Baileyville got themselves in a nice box. The officer is on the hunt of them. They should be arrested and punished severely for their conduct. We say, teach them a lesson or they may do much worse. D. H. Kustenbender and John Markle, of near Pine Grove Mills, took a trip to Bellwood to see their many friends. They report a pleasant time. The turkey roast at O. J. Weaver's took John's eye. He ate about 51 pounds of turkey a 42 pound mince pie and a pile of cake last Thursday and then complained of being full. He will surely go back, as he was treated too good to stay away. To the Public. We are authorized to guarantee every bottle of Chamberlain's Cough Remedy and if not satisfactory to refund the money to the purchaser. There is no better medicine made for the grippe, colds and whooping cough. Price, 25 and 50c per bottle. Try it. F. Potts Green, druggist, Bellefonte, Pa.

Kramerville.

John Winters is among the living again. These cold days wood is almost as essential as flour. Chas. Douty wears a new pair of glasses. Subscribe for the CENTRE DEMOCRAT and get the news. Geo. Miller, of Madisonburg, was among us a few days last week. Election of Epworth League officers was held on last Tuesday evening. Sylvia Schoff is back from a visit at Lock Haven. The next legal holiday will be Washington's birthday. Mrs. G. B. Winters was visiting at Mr. Halves, Aaronsburg, one day last week. All up-to-date democrats get the Centre Democrat. The second week of the of the new year is the first time we blow the horn. As the holiday season is now over, we wonder if any one was disappointed. David likes the folks in the west end of town the best, and we don't blame him. Harry Smull had the grippe last week. It was not so severe as to be called the la grippe. Nellie Brindle was home one day last week. It seems she likes Centre Hall best. Rev. Faus will hold his last communion services here, Sunday, forenoon of the 22nd, for this conference year. Corn cobs are among some of the presents received by some. Of course, we would not venture to say who received them. Willis and George are bachelors for a few weeks. I bet they don't fancy it very much. The fantastic parade passed through this town twice. Some of the men had quite a time getting their better-halves on the sleds. There will be a District Teachers Institute, at Rebersburg, Jan. 20, in evening, and 21st, during entire day. All are invited to attend. W. S. Miller, the efficient post master of Rebersburg, offers for the next 30 days 1 1/2 cent stamps, for one cent and a quarter. It is reported that a certain man here in town, got a letter from the white caps, for misbehavior in the family; but so far we have not heard that he was visited by them. Some folks wear rings that do not belong to them, and we would suggest that a good plan would be to return them to the original owner. The democrats will have their caucus on the 22nd, or Washington's birthday, to nominate officers for the various offices to be supplied. Wm. Smull, who left here six years ago for Freeport, Ill., is home on a visit to his parents. He is the same William he always was. He will stay a few weeks. Mrs. W. H. Leitzel, who was called to attend the funeral of her mother, at Loysville, is still visiting there and expects to stay for about two weeks yet. Yes, we think it was a pretty mean trick for George to go away from home and not provide his love with wood; but George came back you know, and his chief occupation is fiddling with the saw and chopping wood. Serenes Harry, after spending about two weeks in the coal regions, concluded that it would be better to discontinue his wandering and return home to "Hanna and de Kiner." W. H. Leitzel is agent for the First National Nursery Co., of New York. So if you see him coming don't go about it like a fellow did the other week when a sewing machine agent called at his house. Our high instructor of the Grammar school, people say is getting rather strict. We are afraid he'll fall through in getting a school hereafter. We never heard of scholars being promoted from the second grade school to the third, that had to stand an examination like our teachers must, at a teachers examination. We have pupils from this town that had been promoted to the third grade that positively should have remained there, but were severely examined and sent down again. Did our worthy Co. Supt. Gramley ever do such work in all his teachings? This sort of work is very encouraging to a pupil, indeed.

Walker.

Miss Lulu Irwin is on the sick list. D. Harry Martin returned to Lancaster, last week. Mrs. David Long has returned home from visiting friends at Mill Hall. Miss Edith Rine, of Lock Haven, was in our vicinity on Sunday. The poles are going up for the new telephone company. Geo. Russell is still improving. Dr. Hensly, of Howard, is the attending physician. Prof. J. Colter Hockenberry, of Chester, Pa., is visiting her mother, Mrs. John Hoy, Sr. W. P. Lucas and Miss Mary Hoops, of Howard, were welcome callers at the home of Jacob Orndorf, on Sunday afternoon. Ira C. Johnson and wife, of Howard, were the guests of their daughter, Mrs. J. Harry Yearick on Thursday, of last week. Quite a number of teams from Bald Eagle valley, are hauling lime stone from the quarry, owned by James Beck. Miss Maud Longee, of Howard, spent last week at the home of Miss Mabel Hoy, of this place. She returned home on Monday. A number of young people from Howard and this place gathered at the home of Z. W. Hoy on Tuesday evening, of last week, to spend the evening in playing games, etc. The party was given in honor of their daughter, Miss Mabel Hoy. —The price of the Centre Democrat and 3-times-a-week World has been reduced from \$1.75 to \$1.65 per year. This is a great combination at a low price. We always furnish "The Most News for the Least Money."

Mt. Eagle.

The singing is o'er, The church is cleaned; Nothing lost, But little gained. Mr. Archie is improving since his medicines have been changed. J. K. Boney, Mack and the new Juniper, are making good use of the snow. Master Houpie Bower, son of S. C. Bower, has been ill with La Grippe, for several days. Orrie Heverley and wife, of Reynoldsville, New York, are visiting his brother, Charles Heverley. Austin Bathurst, who has been employed, at Parkersburg, is spending several days with his family. Certainly our community is not advancing in civilization very rapidly, when the church wine is stolen, which represents the blood of Christ, and used as a beverage. Mrs. James Bathurst had a paralytic stroke last week. She is at present some better. Her husband, who fractured his hip some time ago, is still unable to move his limb. The owner of our handle factory, W. T. Leathers, has been scouring the country far and near for handle wood. As soon as good sledding comes, he expects an over-supply. R. C. Leathers, wife and son Claire, drove to Bellefonte on Tuesday. This is the first time Mr. Leathers has had an opportunity to take a sleigh ride on account of his health for a long time. Howard Butler and wife, of Philadelphia, are visiting at the home of her mother, Mrs. J. B. Leathers. Mrs. Butler once was one of Mt. Eagle's most accomplished young ladies, and we are glad to welcome her home again. Mrs. Nancy Leathers and daughter Ellie, have been at Mackeyville for some time, where they have been attending to the wants of her daughter, Georgie and family, who are seriously ill. The Prof. was left to the care of Misses Alice and Mabel, and kids—Shrower and Sholley. Prof. Johnston surprised the people by his appearance last Saturday evening. He intended to commence his singing class, but from the shortness of his notice it was not known. All people wishing to attend should come next Saturday evening. The debate last Friday evening certainly broke the records of Mt. Eagle's home talent. The debate was so animating that the judges went asleep. The intellects were undoubtedly clouded by the atmosphere. Society journal next night. On last Monday evening, two sled loads of Mt. Eagle's bright archers started for the home of Milligan Walker's, of Gum Stump. The drive of eleven miles through rain was certainly exhilarating. The guests were entertained very nicely, and returned (early) all reporting a good time. The chief characteristics were the hostler, Ted, Maud and Reeder.

Roland Items.

Rev. Heiney, of Milesburg, began a protracted meeting in the Evangelical church, Monday evening. Bobby G., he has a pup. What that pup knows, he ne'er forgets; what that pup does is deweyets. John Leathers and family, of Mt. Eagle, called at the home of B. Williams, Saturday evening and had a very pleasant time. Ben Aikey, of this place, lost a valuable horse Saturday. The horse fell on the ice on the Baruhart hill, about a mile from this place, and broke his neck, dying instantly. John Curtin returned to State College, Wednesday, after a very sporty vacation. W. Gaylor Morrison and wife of Bellefonte, were frequent callers at the home of Mrs. Morrisons parents, Mr. and Mrs. J. M. Parker, last week. Mrs. Rebecca Curtin, whose home is on the farm of Irvin Harvey, her brother-in-law, is quite sick. Her old age has so enfeebled her as to compel her to take to her bed. She is being attended by Dr. Dorsworthy, of Bellefonte, and Katherine Harvey her grand daughter. A speedy recovery is hoped for by her many friends. Miss Alice Neff entertained her school, at her home, about a mile from this place, Friday evening. There were about 30 present, coming in sleds driven by H. Corman and Joe Harvey. After refreshments were served they departed for their homes after a most enjoyable evening. The donation extended Rev. Heiney and family, of Milesburg, by the Evangelical brethren of this place, was attended by two sled loads. The people took an abundance of everything, which was certainly appreciated by Rev. Heiney who thanked them most heartily for their many gifts.

Woodward.

The hunters, here killed another bear last week. The protracted meeting in the United Evangelical church, has closed. Quite a number of people about town and vicinity are on the sick list. H. H. Stover, from Rebersburg, was canvassing through our town on Monday. Charles Burd, the bustling organ and piano salesman, was also seen in town on Monday. Rev. Yerky, of McClures, made a flying visit to our landlord this week. Geo. H. Small the Life Insurance agent was seen in town on Monday. The P. O. S. of A. took in another member on Saturday evening. The United Evangelicals had preaching services on Sunday evening. Charles Guiswite spent Sunday in Sugar valley. The fantastic parade was a grand success; and by all accounts the Woodward representation was the foremost of the entire gathering at Millheim and Coburn. How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted. For sale by F. Potts Green, druggist, Bellefonte, Pa.

Madisonburg.

J. F. Kern is on the sick list with the grippe. R. G. Hockman paid his parents, in Union county, a visit last week. Wm. Smull, of Dakota, Ill., was visiting local relatives in this community. Mrs. S. B. Shaffer is convalescing from a severe attack of grippe. Mrs. J. C. Smith is at present visiting her parents at Boonville, Pa. An unparalleled record! As unheard of as roses in December is Edwin Noll's lily in January. G. S. Shaffer, who is engaged in the lumbering business at Johnstown, is home on a vacation. Rev. Salem delivered his first sermon on Sunday afternoon, as pastor of the Lutheran church. Miss Alice Nestlerode, who had a position in Wanamaker's store in Philadelphia, is home at present paying her mother a visit. The Sharkey and McCoy fight which took place in one of our schools last week, was called a draw by the referee, until a better occasion presents itself. W. E. Keller erected a grist mill about four weeks ago, and as his work is very successful, he is receiving a liberal patronage from the community. To accommodate his patrons he is running day and night. THE Centre Democrat and the 3-times-a-week N. Y. World—four papers a week—for \$1.65 a year, is the greatest offer a-going. All the news worth having.

Oak Hall.

The patrons of Victor Grange, No. 159, had a gala day on January 17th, it being the day for the installation of officers for the ensuing year. It was decided to have a jubilee, so a committee was appointed and other orders necessary for a big dinner. About 11 o'clock the patrons, their families and friends began to arrive, and after all being served with the good things prepared, the room J. S. Dale, Deputy of County proceeded to install the following officers: Master, Nathan Grove; Overseer, A. W. Dale; Steward, Margaret Thompson; Assistant Steward, W. E. Grove; Treasurer, Philip Wertz; Secretary, Hiram Thompson; Gate keeper, W. A. Rockey; Ceres, Belle Lytle; Pomona, Sophia H. Thompson; Flora, Edith Decker; Ledv Assistant Steward, Mrs. Agnes Grove. After which we had recitations, Music, etc., with a good talk from Deputy; much to the regret of all, the time came to go home. All seemed to have enjoyed themselves, and hoped for many more such pleasant days. H. T. Why don't you subscribe for the CENTRE DEMOCRAT? Do you know it is the cheapest paper in Centre county, if you pay for it in advance. La Grippe Successfully Treated. "I have just recovered from the second attack of la grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexico, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days, against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by F. Potts Green, druggist, Bellefonte.

Wolfs Store.

We have very changeable weather the last few weeks. Mrs. Lena Royer spent some time last week visiting at Madisonburg. Our people all seem to be good since New Year, hence our communications are short. Messrs. Ira Brumgart and W. B. Haines each hauled a load of grain down to Millburg last week, it being worth 70 cents a bushel down there. Orianda, Lena and Susie Weaver, children of D. B. Weaver, who had been down with typhoid fever for almost three weeks, we are glad to report, are improving. The following officers were elected last Sunday in the United Evangelical Sunday School of this place to serve for the ensuing year: Supt. W. H. Zeigler; Asst. Supt., A. Douty; Sec., John B. Stover; Asst. Sec., J. E. Zeigler; Treas., John Brown; Libs., Elsie Breon and Chestie Zeigler. The Kidney Complexion. The pale, sallow, sunken-cheeked, distressed-looking people you so often meet are afflicted with "Kidney Complexion." Their kidneys are turning to a purplish color. So is their complexion. They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly. The cause is weak, unhealthy kidneys. Usually the sufferer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find themselves sick in bed. Dr. Kilmer's Swamp-Root will build up and strengthen their weak and diseased kidneys, purify their diseased, kidney-poisoned blood, clear their complexion and soon they will enjoy better health. You can get the regular sizes at the drugstore, at fifty cents and one dollar, or you may first prove for yourself the wonderful virtues of this great discovery, Swamp-Root, by sending your address to Dr. Kilmer & Co., Binghampton, N. Y. for a sample bottle and a book that tells all about it, both sent to you absolutely free by mail. When writing kindly mention that you read this liberal offer in the CENTRE DEMOCRAT.
