

HAPPENINGS IN BELLEFONTE

Local Events Briefly Told in a Few Lines

PERSONALS, SOCIAL EVENTS

What has Transpired During the Past Week - Movements of our People - What the Local Scribe Saw Worthy of Mention - A Week's Local News in a Few Words.

The attendance at court was not very large this week.

During the past week skating has been good down at Milesburg.

Notice our sale register, we have about our share - probably more.

FOR RENT - Several desirable dwelling houses for rent at attractive prices - A. M. HOOVER.

The Bell Telephone people are making a canvass of the town for the purpose of renewing contracts.

James Bayard secured a position in the Journal office at Lewisburg, where he will remain for some time.

On Saturday afternoon, February 4th, Mrs. Daniel Lane will sell her household goods, on east Bishop street.

On Saturday the county auditors completed their work and returned home. They had little difficulty in auditing the accounts this year.

A six-weeks old child of Herbert Hull of Valentine street, died Monday afternoon. The funeral took place Wednesday morning in the Catholic cemetery.

R. A. Beck, Bellefonte's popular barber, has been seriously ill at his home the past week. His shop was necessarily closed and his many patrons consequently disappointed.

Newton Pennington, son of Thomas Pennington, died at his home on Decatur street Monday. He was 19 years old. Death was due to that dread scourge of our northern clime, consumption.

'Some Sights and Insights in Europe' will be Dr. Holloway's subject for a lecture in the Court House, Feb. 27th. Dr. Holloway will speak from personal observations and not from reading guide books.

During the past week Landlord Davy Rhule, of Spring Mills, and R. T. Comley, of Unionville, were in town. Both will be candidates for the republican nomination for Sheriff - there still are others.

The Garman house, at Tyrone, now runs a free bus from and to all trains. Al. is an up-to-date landlord, and runs an up-to-date hotel, and is doing an increasing business everyday. - Phillipsburg Ledger.

The 'Annual Statement' embodying the receipts and expenditures of Centre county for the past year, appears in full in this issue on pages six and seven. More extended comment on the same will appear in next issue.

Paul, an infant son of Mr. and Mrs. George Eberhart was in a critical condition on Sunday afternoon. It came near strangling from swallowing some hard substance, which the physicians succeeded in forcing into the child's stomach, and thus relieved it.

Some time ago Edward, son of Hon. James Schofield, went to Philadelphia to secure a position. He suddenly changed his mind and enlisted in the regular army, and now is at Fort Crook, Nebraska, a member of Co. L, 16th Regulars which may soon be ordered to the Philippines.

Bellefonte politicians, who have been holding positions at Harrisburg, under the Hastings administration are walking the plank rapidly. The name of Bellefonte will be in disfavor among the Stone-republicans during the next four years. Quite a number, necessarily, must vacate soft berths.

Monday Prothonotary M. I. Gardner had a fall, sustaining a sprained ankle which prevented him from attending court on Tuesday. Mr. Smith came handy and acted in his stead. Last week Mr. Smith was taken suddenly ill with cramps in the stomach, but is O.K. again, and the same obliging Dutchman as ever.

Miss Louise Kellerman, one of the pretty lady operators at the Bell telephone exchange, resigned her position, to go into effect next month. She expects to make Williamsport her future home. She will be succeeded as day operator by Miss Jennie Irwin, and Miss Irwin's place as night operator will be taken by Miss Kate Lieb.

Toner Lucas, the merchant of Moshannon, was in town during the past week, and notified his many friends that he would seek the democratic nomination for treasurer this year. Of course he did not canvass in Bellefonte boro because he knew he would be trespassing upon the political pastures of Wm. T. Speer, of this place, who is after identically the same thing.

During the past week the Commercial Telephone people have been putting up some fine poles on Allegheny street, over 50 feet in height. At several crossings with the Bell lines some interesting contests and disputes have followed. Building telephone lines in town is the chief attraction for our 'Knights of Rest.'

A GOOD INSTITUTION.

Centre County Sunday School Convention.

A Sunday School Convention will be held in Bellefonte for the schools of Centre county under the auspices of the Pennsylvania State Sunday School Association, March 23rd and 24th.

The attention of each Sunday School Superintendent and other Sunday School workers is hereby called to this meeting. Your co-operation is earnestly desired. You are interested in making your school better and in making the schools of Centre county better and enlarging their influence.

The work of the Association is international. All Evangelical denominations working together. The meeting is not in the interest of any one but all are interested. That there may be sent to your address programs and other interesting matter please kindly send your name and address and the name of your school and also the names and address of other superintendents in your community to Rev. A. Z. Myers, Phillipsburg, Pa., who has been appointed president by Rev. Chas. Roads D. D., general state secretary.

Pastors and other workers who would be willing to take part in the program or are interested in the work will confer a great favor by communicating with Rev. Myers as above.

Fine Library For State College.

Through the liberality of Andrew Carnegie, State College is likely to have a splendid library building. Mr. Carnegie offers to donate \$100,000 for the edifice, provided the State will appropriate \$10,000 annually for the maintenance of the library and museum to be connected with it. There is now a library of more than 14,000 volumes in the college.

The college trustees, at their annual meeting last Friday at Harrisburg, appointed a committee to present a memorial to the Legislature, setting forth Mr. Carnegie's offer and describing the necessity for such a building. An act has been drafted for the acceptance of the offer, and it will be introduced next week in the Senate.

The State College trustees have been informed that President McKinley will attend the commencement exercises next June, provided more important matters do not interfere.

Fire at Lock Haven.

On Wednesday afternoon fire broke out in the large furniture factory at that place and completely destroyed the building with contents. It required the best efforts of the firemen to confine the flames to that building and save adjoining property.

The factory was in operation and had a large number of orders ahead and plenty of well seasoned stock on hand. The loss will be heavy and it will require time to rebuild.

Approaching Completion.

The new building for the electric light plant at Mill Hill is ready for the painters. The dynamo and other machinery are expected at any time.

A Bit of Desirable Information.

What is a first, second, third and fourth class post-office? It is a question that is frequently asked. A first-class post-office is one where the gross receipts are \$10,000 and upwards; a second class office is one where the receipts run from \$8,000 to \$10,000; a third-class office is one in which the receipts run from \$1,000 to \$8,000; all other offices are fourth-class. Before an office can have a free delivery the receipts must be \$10,000 or more. The president appoints the first, second and third class postmasters, although he usually submits the job to the fourth assistant postmaster-general.

Combining.

Twenty six independent telephone companies, within a radius of many miles of Pittsburg, are negotiating to unite their interests. The proposition does not include a combination of capital which aggregates \$5,000,000, each company to remain independent in that particular, but to give subscribers the advantage of various connections, which include some 25,000 telephones, the lines extending as far north as Erie and east to Altoona.

Fancy Ball.

The second annual ball will be given by the G. W. O. of Odd Fellows lodge No. 3562, on Thursday evening, Feb. 23, in the Arcade hall, for the benefit of the order. All are invited. There will be a genuine cake walk. James Shorter, George Freeman, James Deelger, William Lee and John Williams make up the committee of management, which is a guarantee of perfect order and lots of amusement.

Dead May Sleep at Gettysburg.

Governor Hastings has received an opinion from Judge Advocate General Lieber, U. S. A., in which he decides that soldiers of the war with Spain may be buried in the National cemetery at Gettysburg. Several soldiers from southern and western states who died at camp Meade were buried in the Gettysburg cemetery.

Lock Haven Furnished the Paper.

The United States printed 2,500,000 2-cent postage stamps in 1898, and the town of Lock Haven furnished the paper for them. Someone who likes the making of calculations has determined that if these 2-cent stamps were placed end to end they would reach over a distance of 40,000 miles.

Remember This.

An important communication from Penn township was omitted from the paper this week, on account of the writer withholding his name. Remember, anything sent to this office for publication must have the sender's name enclosed, or it will not be recognized.

RECENT DEATHS.

SINNICKSON SMITH.

Sinnickson Smith died Sunday evening at his home on West Linn street after three days illness incident to old age. He was born on March 25th, 1824, at Salem, New Jersey, and lived in Bellefonte and Snow Shoe since 1856, being associated in the lumber business with Daniel Rhoads for a number of years and for the last 30 years had lived a retired life at the home of his sister, Mrs. Daniel Rhoads, of this place. His wife died in 1859 and he is survived by his daughter Mrs. Garret Davis, of Wasington, D. C., and a grand-daughter, Miss Susan Davis and his grandsons, Raymond and Harold Boak, the children of his daughter, Anna Belle, wife of Mr. Cameron Boak, Hughesville, Pa., latter having been a most devoted son to him. Mrs. Boak preceded her father to the grave seven years ago. He assisted his father in making early surveys of Ohio and Illinois and knew the hardships of frontier life. He was a "forty-niner" and with his brother, Sterling, was among the earlier arrivals in California at that time.

He was a great traveler having traveled all over South America and other parts of the world.

Funeral Wednesday morning; interment in Friends cemetery.

CATHERINE HARSHBERGER.

Miss Catherine Harshberger, who has been living at the home of Mr. W. P. Humes and sister, died Sunday morning in the 91st year of her age. She belonged to a large, old and prominent Centre county family, all having deceased but one brother, William, who still resides at or near Moshannon, Centre county. She had been employed in the home of Wm. I. Wilson, Potters Mills. At 18 years of age she came to Bellefonte and assisted in the homes of Hon. W. W. Potter, dec'd., E. C. Humes, and later with Wm. P. Humes' household, and lived in the house where she died, continuously for 73 years, with the Humes family, which is an unusual thing.

The funeral took place on Wednesday afternoon at the house, services conducted by Rev. Dr. Stephens of the Methodist church, assisted by Rev. Dr. Laurie of the Presbyterian church. Interment in the Union cemetery.

HON. J. W. SMITH.

Last Saturday Lock Haven lost one of her foremost citizens in the death of Hon. J. W. Smith. He had been in declining health for some time, but on Saturday he suddenly was taken ill and lingered but a short time thereafter. Mr. Smith was 69 years of age.

The immediate surviving relatives of Judge Smith are his two children - Mrs. Hannah Schuyler and Ira; also his brothers, Peter B. K. D., of Mill Hill, and R. T., of Lockport.

Mr. Smith owned a principal portion of the Fallon House. He was engaged in the hotel business for many years. At the time of his death he was president of the Mill Hill brick works, and of the Lock Haven steam heat plant; he had large holdings in timber, coal and oil lands, and also had an interest in the Mountain Lake hotel in Bradford county. Politically he was a staunch democrat, and in his time served as county auditor, sheriff two terms, Mayor of Lock Haven, and as associate Judge of Clinton county.

Almost a Century.

Mrs. Nancy Seibert died at Bellefonte Wednesday of last week at the ripe old age of 98 years. Several weeks ago she fell and broke her hip, which with her advanced age, caused death. Her husband died 40 years ago.

Was a Native of Dunstown.

Mrs. Maria Farley died at Bellefonte Friday from the infirmities of age. Mrs. Farley was born at Dunstown Jan. 26, 1807, and was therefore 92 years old. Mrs. Farley's maiden name was Maria Meyers.

A Little Child Laid to Rest.

On Friday afternoon Harold, the one year old baby of Mr. and Mrs. Frank Hoffman, was laid to rest in the Union cemetery.

Dangers of The Grip.

The greatest danger from La Grippe is of its resulting in pneumonia. If reasonable care is used, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for la grippe we have yet to learn of a single case having resulted in pneumonia which shows conclusively that this remedy is a certain preventive of that dangerous disease. It will cure la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by F. Potts Green, druggist, Bellefonte, Pa.

To The Farmers.

We are placing in our mill a corn cob crusher of the latest improved make. This, in connection with our splendid stone-burr choppers, will enable us to make for the farmers and general trade a feed that cannot be beaten anywhere. It is our intention to make the custom and grist work of the farmers a specialty, and we earnestly solicit this trade, and will do all in our power to give perfect satisfaction. We are now building a large corn crib, and will be buyers of ear corn at top prices. For the convenience of our trade, we are putting up feeding troughs in the Cooke coal yard, opposite the mill, where you will be welcome at all times. Soliciting a liberal share of your patronage, we remain Yours very truly, PHOENIX MILLING CO.

FOR A BICYCLE PATH.

A move is again on foot among members of the League of American Wheelmen and all enthusiastic cyclists to secure special legislation for the central part of the state in the way of cycling paths along the most prominent high-ways, providing there is no enactment of a compulsory road law. The idea advanced is to secure state aid only in part toward defraying the expense of building paths, and this only after a certain amount shall be raised in some other way yet to be determined. During the past several years the building of a cycling path through the West Branch and Bald Eagle valleys, Altoona to Williamsport, via Jersey Shore, Lock Haven, Bellefonte and Tyrone has been constantly agitated, but so far has not materialized to any extent. The route being of almost a natural grade, would require the smallest outlay possible, but would make one of the best runs in the state.

Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffy circles under the eyes, the sallow parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world-wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention (The Centre Democrat) and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.

That Cough Hangs On

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce la grippe, pneumonia or a serious throat affection. You need something that will give you strength and build up the body.

SCOTT'S EMULSION

will do this when everything else fails. There is no doubt about it. It nourishes, strengthens, builds up and makes the body strong and healthy, not only to throw off this hard cough, but to fortify the system against further attacks. If you are run down or emaciated you should certainly take this nourishing food medicine.

SCOTT & BOWNE, Chemists, New York.

PUBLIC SALE REGISTER.

Parties contemplating having sale this year will do well to have their bills printed at this office. It is an accepted fact that the best displayed sale bills are secured here.
