WELCOME TO HASTINGS.

An Enthusiastic Gathering in the Court House Saturday Evening.

A large public demonstration occurred in town on last Saturday evening that not only did honor for the one it was given, but reflected credit upon our community. The occasion was a welcome home to Ex-Gov. D. H. Hastings and family upon their return from four years spent in the Executive Mansion and Department at Harrisburg. Four years previous, the night before their departure from our town, an immense throng gathered at the Armory to say "Good-Bye" to them and to congratulate him upon the high honors he had won in being called to the most exalted position of to telephone business at Jersey Shore on this great commonwealth. MRS. ELEANOR CUNNINGHAM : - On Sunday evening Mrs. Eleanor Cunningham died at her home on Bishop street.

* * *

Her maiden name was Miss Eleanor Hogan and was born in Clare county, Ireland; aged 86 years, 11 months and 11 days. She came to this country in 1828 and in 1831 was married to Francis Cunningham. Their home was then at Curtin's Works. Mr. and Mrs. Cunningham's wedding was the first one that took place in the old Catholic church, and Mrs. Farley who passed away a few weeks ago was their bridesmaid.

Mr. Cunningham only lived a few years after they were married, he died during the year of 1834; and in 1836 Mrs. Cunningham moved to Bellefonte and has lived here ever since. The cause of this good old lady's death was due to old age. She leaves two children to mourn her departure: they are Miss Mary Cunningham and Mr. Merty Cunningham, both living in Bellefonte. She also leaves eight grand children and In addition to what was said last week | nine great grandchildren. The funeral in regard to the Undines' new house, the took place on Wednesday morning. In-

Oranges and Grapes Damaged.

The orange growers of Florida have been hard hit again by a freeze which changed the golden globes of the orange and grape fruit into solid rusty spheres. The temperature in the central portions of the state fell as low as 20 degrees above zero, and the inhabitants who are not well provided to meet cold wheather, were suffering sadly from cold. The damage will not be so great as in the greatfreeze of several years ago, but largely because there were not the trees to damage. Many groves which were just recovering from the last calamity, and beginning again to bear fruit, will be utterly ruined.

Hadn't One in the House.

The Houtzdale Journal is authority for saying that a Pittsburg man lately wandered into a hotel in Woodland, in which a dictionary was a total stranger, and on coming down from his bedroom in the morning was asked by the landlord how he rested.

A ten cent stamp must be affixed to the petition, a 25 cent one to the power of attorney and a 50 cent one to the bond, making 85 cents in all.
