mostly children composed the talent. The programme consisted of dialogues, recitations, music and other interesting exercises. A large audience was present and all were highly pleased. The walls of the room were trimmed with bunting, and the stage was elaborately decorated with pictures of Washington, Lincoln and McKinley, draped with flags. Washington's picture occupied a central position between two pillars, spanned by an arch decorated with bunting, flags and evergreen.
J. W. Blair, the teacher, presided in a pleasing manner and his efforts on this occasion demonstrated to us that literary talent, if cultivated, is not lacking in rural districts. At the close of the regular programme addresses were made by Messrs Hiram Thompson, Clyde Collins, B. F. Blair, Geo. Potter and H. D. Lee.
The proceeds of this entertainment will be used in paying for the handsome framed picture of Washington, Lincoln and McKinley, to remain permanently with other decorations in the school room. Let others follow the example.

It's a 12-pound boy."

THE KIDNEY COMPLEXION.

The pale, sallow, sunken-cheeked, distressed-looking people you so often meet are afflicted with "Kidney Complexion." Their kidneys are turning to a purplish color. So is their complexion. They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly. The cause is weak, unhealthy kidneys. Usually the sufferer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find themselves sick in bed.
Dr. Kilmer's Swamp Root will build up and strengthen their weak and diseased kidneys, purify their diseased, kidney-poisoned blood, clear their complexion and soon they will enjoy better health.
You can get the regular sizes at the drug store, at fifty cents and one dollar, or you may first prove for yourself the wonderful virtues of this great discovery, Swamp Root, by sending your address to Dr. Kilmer & Co., Binghampton, N. Y. for a sample bottle and a book that tells all about it, both sent to you absolutely free by mail. When writing kindly mention that you read this liberal offer in the CENTRE DEMOCRAT.

FACTS ABOUT HEALTH

It is Easy to Keep Well if We Know How—Some of the Conditions Necessary to Perfect Health.
The importance of maintaining good health is easily understood, and it is really a simple matter if we take a correct view of the conditions required. In perfect health the stomach promptly digests food. The blood is employed to carry nourishment to the organs, nerves, muscles and tissues which need it. The first great essential for good health, therefore, is pure, rich blood. No medicine has such a record of cures as Hood's Sarsaparilla and it is because it is the one true blood purifier. Hundreds of people are alive and well today who would have been in their graves had they not taken Hood's Sarsaparilla. It is depended upon as a family medicine by thousands.
are the only pills to take with Hood's Sarsaparilla.

Every cough makes your throat more raw and irritable. Every cough congests the lining membrane of your lungs. Cease tearing your throat and lungs in this way. Put the parts at rest and give them a chance to heal. You will need some help to do this, and you will find it in Ayer's Cherry Pectoral
From the first dose the quiet and rest begin: the tickling in the throat ceases; the spasm weakens; the cough disappears. Do not wait for pneumonia and consumption but cut short your cold without delay.
Dr. Ayer's Cherry Pectoral Plaster should be over the lungs of every person troubled with a cough. Write to the Doctor.
