—Just as was expected, Charles Dorworth, clerk in the Agricultural Department, at Harrisburg, had to "walk the plank" to make way for a Quay republican. Hastings republicans are marked. —Travelled a Long Distance.

Last week there arrived in Bellefonte a young girl who was in charge of Allison Haupt, conductor on the Bald Eagle passenger train. Not knowing where to put her he gave her in charge of Harry Hutchinson, ticket agent at this place. After making some investigation it was found the child was from Pittsburg, Montana, where she had been sent last fall by the Centre county branch of the Children's Aid Society to Mrs. Childs who was going to adopt her. Mrs. Childs unfortunately became an invalid and so was compelled to send her home to the proper authorities in this place. She is six years of age and rather a nice looking child.

Can Thaw Frozen Pipes.

Prof. Wood, instructor in Physics in the University of Wisconsin, has originated the idea of thawing out frozen water pipes with electricity. He takes the electric current used for street lighting purposes, attaches one wire to the frozen pipe inside the cellar of one house and the other wire to a similar pipe in the adjoining or any other house, thus completing the circuit. A current of about fifty volts is then turned on, heating the pipes and melting the ice within. The discovery will obviate the necessity for excavating, which has always heretofore been the expensive feature.

Penny Photos.

The most popular fad just now, is "Penny Photos," made at the Mallory-Taylor Studio. Many conflicting reports have been circulated about the cost and time for making them. We would just say: They are Penny Photos—15 for 15 cents, and are made every Saturday.

He worked at his trade for a while in Bellefonte and then moved to Black Bear, a few miles east of Phillipsburg, and there conducted a hotel for a number of years. Later he conducted a hotel in Phillipsburg. The greater part of his active life, however, he followed railroad contracting and at this business made considerable money at different times.

He has lived in Phillipsburg for almost 50 years.

Linden Hall.

Orvin Burriss, east of town, promised his wife to abandon the use of a pipe; think he has forgotten that resolution, as we again see him "as we used to see him." Sel es recht, Irvin.

It is useless for me to designate our city, as some of the writers do this, give its geographical boundary, for it is known to be a great commercial centre, and I might state, too that there are only a few loafers and they are able to support those dependent on them. One man, especially, makes two trips a day; buys two cigars, smokes one the first trip and leaves the other in a box for the afternoon. When a man can afford it, he may as well make loafing a profession.

Miss Fronia Segner, one of Boalsburg's charming ladies, visited at the Gettig house a few days last week. Tinny was you in it?

Those sandstone of Lot Limpert's, are likely to remain on the heap since our Supervisor was re-elected. Era makes a good road officer, and the majority of the voters are aware of the fact.

It is reported that Linden Hall will put forth a candidate for county Treasurer. Watch for the announcement.

The republican party is one man stronger since the caucus—one of our democrats stepped across the divide, and joined them.

Miss Jennie Weibly was suffering from toothache. She went to Bellefonte and got a piece of "steel" and "tackle" put to it; Jennie has the nerve.

Jas. Goodhart, of Centre Hill, said he would give a farm out west, if he could "squeeze" a certain lady that was at the social last Saturday evening. Jim, please define that word for the benefit of the rest of your class.

Clyde Boyer is preparing to send a laundry basket to Bellefonte each week. Anyone patronizing the steam laundry had better leave the work with Clyde, and it will be all right.

"What does your doctor say?" "You are suffering from impure blood." "What is his remedy?" Ayer's Sarsaparilla. You must not have constipated bowels if you expect the Sarsaparilla to do its best work. But Ayer's Pills cure constipation. We have a book on Paleness and Weakness which you may have for the asking. Write to our Doctors.
