

FRUITLESS CONFERENCE

Between General Otis and Emis-saries of the Filipinos.

GENERAL LAWTON'S ACTIVITY.

While the Rebels Delay the Victorious American Commander Captures Several Villages and Chastises the Forces Opposing Him.

Manila, May 3.—Major Manuel Arguelles and Lieutenant Jose Bernal, of the staff of General Antonio Luna, returned here yesterday to renew and press the request of General Luna for a cessation of hostilities. The two officers were received in conference by Major General E. S. Otis. The proposals which they had to submit differed but slightly from those which they brought from the Filipino commander in the first place. They desired a little time in which to summon congress, and expressed themselves as being confident that the congress will decree peace, because the people desire it. They represent that Aguinaldo is without power to surrender the army, and that congress must decide the question. Incidentally the Filipino envoys asserted that Aguinaldo had not yet made a fair test of his strength against the American forces, because only one-third of his army has been assembled together.

The envoys met General Otis again today, having slept last night in Manila. The second conference was held this morning, and terminated without any definite results.

Whether or not General Luna is sincere in his overtures, the negotiations are giving the insurgents a much needed opportunity to rehabilitate their demoralized forces. The truth is that dissensions among the leaders of the rebels is helping on the disorganization of the Filipino army almost as much as the American campaign.

In the course of the conference with the Filipino envoys General Otis agreed with the statement of Major Arguelles that the people of the Philippine islands wanted peace, and he added that requests for protection are pouring in upon him from all parts of the country.

Major Shields and Lieutenant Hayne, who went to the Filipino lines under a flag of truce, carrying money and provisions for the American prisoners in the hands of the Filipinos, have returned. They found a span of the railroad bridge, a mile from St. Tomas, broken. The officers left ten days' provisions for the prisoners on a hand car at the end of the bridge, placing the car in the keeping of the Filipinos, whose conduct throughout the various negotiations has been all that could be expected of a civilized nation.

Calumpit, the second Filipino capital, was captured on Wednesday last week, and the flower of Aguinaldo's army was practically annihilated. In the assault on the city eight Americans were killed, but the rebel loss was terrific. General MacArthur had 6,000 troops engaged.

McArthur's troops added to their daily victories on Thursday last by capturing Apalit, together with 20 prisoners. Only one American was killed and nine wounded.

The two Filipino officers, Colonel Manuel Arguelles and Lieutenant Jose Bernal, first came in under a flag of truce last Friday, saying they were the representatives of General Luna, who had been requested by Aguinaldo to cease a cessation of hostilities until the Filipino congress could be summoned.

On Monday last General MacArthur sent two officers to General Luna, the Filipino commander, under a flag of truce, carrying money and provisions for American prisoners in his hands, and asking an exchange of prisoners and the names of such as he may have.

Major Bell, with a squad of scouts, has captured the town of Macabebe, about four miles southwest of Calumpit, the people ringing bells and shouting "vivas."

The American army is now employing Macabebees instead of Chinamen, and they are delighted to get 50 cents a day, declaring their loyalty to the Americans.

Last Monday, the anniversary of the battle of Manila bay, was observed by the United States fleet, the usual drills being omitted. Admiral Dewey had many visitors and the American and British merchantmen dressed ship.

OTIS' OFFICIAL REPORTS.

General Lawton's Forces Again Paralyzing the Insurgents.

Washington, May 3.—The following cablegrams were received by the war department from General Otis at midnight:

"General Lawton's column, passing westward from Norragaray, captured Balling and villages in vicinity yesterday, scattering and pursuing 1,600 insurgent troops. His only casualties two wounded. Insurgent loss several killed, large number wounded and captured. Numbers not stated. Have opened communication with Lawton via Malolos by means of Hale's troops and detachments from city.

"List of prisoners in hands of insurgents just received shows that Lieutenant Gilmore and seven enlisted men of the navy, lost from the Yorktown, and six enlisted men of the army, three of the six wrongfully arrested in January before hostilities commenced, all reported to be doing well. Beside the above, two men in the hands of the insurgents, South and Captain Rockefeller, are still unaccounted for."

Brigadier General Funston.

Washington, May 3.—The president has appointed Colonel Frederick Funston, of the Twentieth Kansas, a brigadier general of volunteers. This appointment was recommended by Major General MacArthur and supplemented very strongly by General Otis in a cable dispatch. General MacArthur said that the services of Colonel Funston during the campaign, and especially in the crossing of the Rio Grande river, deserved recognition.

ALLEGED BOODLING.

Effort to Have a Pennsylvania Sheriff Removed From Office.

Harrisburg, May 3.—Deputy Attorney General Fleitz gave a private hearing at his office yesterday afternoon on the application of J. Frank Gray, of Jersey Shore, for a writ of quo warranto to remove from office Jefferson A. Gamble, sheriff of Lycoming county, for the alleged illegal use of money in securing his nomination and election. Mr. Gamble was nominated by the county Democratic convention held at Williamsport, Aug. 16, 1898, and elected at the following general election. Mr. Fleitz reserved his decision on the application.

It was learned from witnesses after the hearing that Michael Dawes, of Williamsport, testified that he bargained for the votes of the two delegates to the county convention from Cascade township in Gamble's interest at \$25 apiece. Valentine W. Quigel, of Williamsport, testified that he saw Deputy Sheriff Frank Miller pay 11 delegates from \$20 to \$25 apiece to vote for Gamble, and that he knew of five others who were paid these amounts by Miller for their votes. Mr. Quigel said Gamble promised to appoint him deputy sheriff, and that after his election the sheriff offered him a sum of money in lieu of the office. W. E. Fieglis, of Loyalsburg township, testified that he saw Miller pay six delegates \$20 apiece to vote for Gamble. E. J. Lewis, of Williamsport, swore that he knew of two other party workers who had each received \$3 from Gamble. C. D. Seelye, of Jersey Shore, who was defeated for the nomination, testified that on the morning of the convention he and the sheriff each deposited \$1,500 with a friend, the money to be paid to the unsuccessful candidate to reimburse him for his campaign expenses, and that they agreed not to buy delegates. After Gamble's nomination all the money was paid to Seelye.

Gamble's side of the case will be heard next Wednesday by the deputy attorney general.

The stricken parents and young wife are almost crazed with grief.

PHILIPPINES POLICY

As Outlined in a Speech by War Secretary Alger.

GEN. WESLEY MERRITT'S TRIBUTE

He Declares General Alger the Best Secretary of War the World Has Ever Seen—Senator Depew an Expansionist, But Not an Imperialist.

Detroit, Mich., May 3.—The Michigan society, Sons of the American Revolution, entertained the visiting delegates, officials of the order, and distinguished guests last night by a dinner unequalled hitherto in Michigan by any similar event in respect to elaborateness of menu and decorations or the distinguished character of the guests of honor of the evening. The occasion was made notable by the presence of Secretary Alger, Senator Chauncey M. Depew, Generals Joseph Wheeler, Wesley R. Merritt and Horatio C. King, Inspector General J. C. Breckinridge and many others who rendered distinguished services in the Spanish and the civil wars.

After two hours' discussion of the menu ex-Senator Thomas W. Palmer, president of the Michigan society, as toastmaster, began the speechmaking with a witty introduction. When he mentioned the name of Secretary Alger the banqueters rose and cheered enthusiastically. After the reading of several letters of regret Secretary Alger was called upon. He said in part: "Under the American flag battles have been fought and won against every force that has sought to check its onward progress toward the setting sun; a flag that has never yet been unfurled against an enemy but to prevail."

"Within the last year we have again been called to arms, and upon April 21, 1898, under the first call for volunteers, 125,000 patriots were sent into the field, while a million men offered their services. At that time, owing to the persistent parsimony of congress in making appropriations for munition of war, we had no provisions of war, we had no equipment for war, but we had men and we had the manufacturers, who, sooner than those of any other nation on earth, could equip that army, an army which, including the volunteers of the first and second calls, numbered approximately 275,000, and this army was marshaled in camps and equipped, 50,000 of whom were sent to distant islands, 10,000 miles apart; battles were fought, victories were won without a single reverse or without the loss of a gun or a color, and all this within 115 days from the declaration of war to the signing of the protocol. Supposing they had a little beef spoiled, what of it? If they had had no beef at all they would have had more than General Joe Wheeler and I had in the other war."

"The flag of this nation has been hoisted over Cuba, Porto Rico and the Philippines, in lands whose people have for centuries been oppressed by Spanish misrule. Whatever else may be, we can be assured as it has been raised in Porto Rico and the Philippines, there it will remain. One of these islands we hold in trust, the others are ours." General Joe Wheeler talked along similar lines. He reviewed the circumstances of the mobilization of the army during the war, and asserted that history will record that the United States' humbling of Spain was without parallel.

Senator Depew said he was an expansionist, but not an imperialist, in the commonly accepted sense of that word. As to the Philippine campaign he declared that the Filipinos were not to be tyrannized over by the United States, but were to have some one like General Sherman to tell them, "Go home, stop raising hell and go to raising crops."

A feature which was of peculiar interest was a speech by General Wesley Merritt warmly defending Secretary Alger. He declared Alger the best secretary of war the world has ever seen.

Baltimore's Democratic Landslide. Baltimore, May 3.—One of the most exciting campaigns in the history of Baltimore city resulted yesterday in a Democratic landslide. Thomas G. Hayes was elected mayor by nearly 9,000 majority over William T. Maister, Republican, the present incumbent, while his running mates, Skipwith Wilmer, for president of the second branch of the city council, and James H. Smith, for comptroller, were chosen by practically the same figures. In addition to these candidates at large the Democrats elected all of their candidates for the second branch of the city council, and 18 of the 24 members of the first branch.

Sampson's Squadron at New York. New York, May 3.—Admiral Sampson's squadron of three battleships and two armored cruisers dropped anchor off Tompkinsville yesterday afternoon after a ten weeks' cruise in the West Indies. The New York, Brooklyn, Indiana, Texas and Massachusetts are riding at anchor off the Staten Island shore. They will remain there for some time and visitors to the ships will be welcomed. One by one they will be placed in drydock at the Brooklyn navy yard to have their bottoms scraped, preparatory to the summer evolutions off the New England coast.

The Spring Rush of Immigrants. New York, May 3.—The spring rush of immigrants into this country through the port of New York has been unusually great. Since the opening of the season some weeks ago there has been an average of 2,000 persons landed each day. Italians are arriving in extraordinary numbers. The officials at the barge office say that not for years have there been so many of them entering the country as at the present time. During Saturday, Sunday and Monday there were landed 4,892 Italians.

Defender May Again Defend the Cup. Bristol, R. I., May 3.—C. Oliver Isaacs said today that the old defender is as good as now, and that if in the trial races of July 1 and Sept. 1 the Defender should prove her superiority over the Columbia the former will be selected for the race with the Shamrock to defend the cup.

GRAIN SHOVELERS RIOTOUS.

One Man Fatally Shot by a Buffalo Strike Sympathizer.

Buffalo, N. Y., May 3.—The trouble between the contractors and the grain shovelers becomes more serious and complicated each hour. Yesterday afternoon a shooting affray occurred. In which one man was possibly fatally shot and another slightly wounded. Another large flood of grain carriers reached port last night, and the congestion in the harbor is becoming most pronounced. The threats that every union man on the docks will be called out shortly are reiterated by the strikers.

Yesterday afternoon William K. Kennedy, a nephew of one of the grain contractors, was shot through the right lung while walking at the head of a gang of scopers, who were on their way to unload a boat. There were about 50 men behind Kennedy. At the foot of Main street they were met by a large crowd of strikers and trouble began at once. Buck Skinner, who was apparently the leading spirit among the strikers, although he is not a scoper, drew a revolver and began firing indiscriminately. His second shot struck Kennedy, who fell to the ground. Another shot struck James J. Hennessy, a fireman, who was standing in a doorway. Hennessy's wounds are slight. A large force of police hurried to the scene and forced the crowd to disperse. Half a dozen men assaulted Contractor James J. Kennedy, but were driven away by the police. Skinner and a number of others were arrested.

PECULIAR CALIFORNIA TRAGEDY.

Murder and Suicide Reveals Singular Attachment Between Women. Stockton, Cal., May 3.—A peculiar tragedy came to light here yesterday, when the bodies of Mrs. William Hickman and Mrs. Hassall, clasped in loving embrace, both dead, were found in a room of a lodging house, a bullet having ended the life of each. Mrs. Hassall had been morbidly infatuated with Mrs. Hickman for some months. Monday night Mrs. Hassall told Mrs. Hickman that she was going to start for London yesterday, and begged Mrs. Hickman to spend the night with her. Mrs. Hickman consented, and her relatives, growing alarmed at her non-appearance yesterday, visited the lodging house and discovered the bodies. Mrs. Hassall had killed Mrs. Hickman and then herself. Mrs. Hassall came from London, Eng., and called herself the duchess, claiming that her husband is a duke. She became so madly infatuated with Mrs. Hickman that her husband left her, but the couple were about to be reconciled. Medical men are of the opinion that Mrs. Hassall was insane. The case is similar to one which occurred at Memphis a few years ago.

Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puff circles under the eyes, the sallow parsnip-colored complexion indicates it. A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor. When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble. Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world-wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention (The Centre Democrat) and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.
