FRIENDLY FILIPINO

Sentenced to Twelve Years For Favoring Americans.

THE SUICIDE OF A LIEUTENANT.

Had Exceeded His Furlough Limit and Was Placed Under Arrest-Rebels Attack and Burn the Friendly Town of Macabebe.

Manila, June 7 .- A Spanish paper asserts that Colonel Arguelles, one of the two members of the original Filipino military commission who were placed under arrest at Tarlac last month, after returning to Luna's camp from their conferences with the United States commissioners, has been court martialed and sentenced to 12 years' imprisonment for "friendship displayed toward the Americans.'

Lieutenant Fred W. Pierce, of the Sixth United States artillery, committed suicide here this morning. He came from Iloilo a week ago on leave, but lingered here beyond the limit and failed to reply to repeated telegrams from his commander. Yesterday he was put under arrest on his commander's order. This morning another officer called to see him, when he suddenly pulled a revolver from under his pillow and shot himself through the head. His friends say his mind was affected by a recent sunstroke.

The rebels on Saturday night made an attack upon the friendly town of Macabebe, and after driving the inhabitants out burned the town.

The insurgents nightly annoy the troops at San Fernando. Several Americans have been slightly wounded recently. The enemy have several Krupp guns, which they bring forward and use for firing large shells into the town, then retreating with their guns. One of the insurgent shells fell within 30 yards of General MacArthur's headquarters Saturday evening. The American troops do not reply to the nightly outbreaks.

The American forces have occupied the peninsula and General Hall's column is encamped at Morong. Major Truman, marching across from Binangonan, found it impracticable to form a cordon, and the insurgents, with the exception of a hundred or two. escaped through the mountains after General Pio del cilar, dragging their battery by buffaloes at night. A few, however, may be trapped.

The Washington troops have returned to Pasig, but the program of the other troops is uncertain.

The present expedition shows the difficulty which is encountered by an army which must depend upon wagon trains in catching barefooted bandits in their own mountains, and also gives proof that the rebels do not intend to fight battles.

General Hall left Santa Teresa Monday morning and marched twelve miles to Morong, up and down rocky hills and through woods and swamps. Scores of the "titled nobility." of his men fell out, owing to the ex- vigorously prosecuted. treme heat, and were left to follow as best they could. The head of the army arrived at Morong at noon, having exchanged only a few shots with insurgent skirmishers on the way. Groups of stragglers followed all day, but the fidence in the government. force was 200 smaller than when it started. The men were almost 36 hours without rations, and it was considerable of an achievement for them

to cover the ground they did. En route to Morong the Americans met flocks of Filipinos, under flags of the bearing of soldiers. Many discarded uniforms were found in the houses. apparently those of soldiers who had to the end." escaped by changing their costumes from "insurrecto" to "Amigo," and walking boldly past the army, which had expected to corral them. Few were

found about Morong. One member of the Washington regimen was killed and two were wounded in the encounter with the outposts.

General Lawton, on board a gunboat searching the coast for Major Truman. stopped at Binangonan, opposite Mor-The natives immediately ran up a flag of truce, and a delegation in canoes put off and greeted the Americans with the usual protestations of friendship.

Bank Robbery by Telephone. Louisville, June 7 .- The German Insurance bank of this city was victimized out of \$5,000 Monday afternoon by two well dressed young men who worked a neat game. Just before the hour for closing the bank the assistant cashier of the German Insurance bank was rung up by telephone and asked if he could accommodate the Citizens' National bank with \$5,-000 in currency. On being answered in the affirmative the inquiring party said he would send two men around to get the money. Shortly afterward two young men appeared at the bank with a check for \$5,000, bearing the supposed signature of the cashier of the Citizens' National bank. The assistant cashier, suspecting nothing wrong, counted out the money to the young men, who were profuse in their thanks as they accepted it. When the check reached the clearing house yesterday it was discovered to be a forgery.

ARISTOCRATIC HOODLUMS.

French Royalists Insult President Loubet at a Race Course.

Paris, June 5 .- President Loubet, accompanied by the premier, M. Dupuy, and the chief of the military household, General M. C. Bailloud, drove to the Auteuil races yesterday afternoon, closely followed by Mme. Loubet in a second landau. As they drove along the avenue des Champs-Elysees the crowd bowed respectfully, but on arriving at Auteuil they were met by a violent demonstration, evidently organized, and directed against the president.

During the races other violent demonstrations, led by royalists, were indulged in. The aristocrats were especially violent, and one, Comte Christiani, struck at the president with his cane, hitting the chief magistrate's hat. Christiani was severely handled by the president's friends. He will be prosecuted for assaulting a magistrate. About 130 arrests were made, and 43 are held, including many They will be vigorously prosecuted. It was noteworthy that the people generally

cheered the president loudly. The chamber of deputies today adopted resolutions vigorously denouncing the rioters, and voted con-

The entire country is aroused, and the prospects are good not only for capturing the train robbers, but the entire band of outlaws which has infested the Hole-in-the-Wall country.

Suppressed Abuse of McKinley. Washington, June 7 .- According to a private letter received here from Munich a German-American journalist, Mr. Louis Holler, editor of the Camden County Journal, on the occasion of a lecture delivered by him in the hall of the Radical-German Union "Odin' at the Bavarian capital, on the German-Americans, most bitterly criticised the present administration and the president. His remarks became at last so violent as to cause the interference of the supervising official, who declared that he would not tolerate any attack on the head of a nation with which Germany entertained such friendly relations as with the United States. The proposed discussion of the lecture also was not tolerated.

Pennsylvania Railroad President a Victim of Indigestion.

HIS DEATH WHOLLY UNEXPECTED

He Had Been Confined to His Bed Since His Recent Tour of Inspection-Over Forty Years in the Pennsylvania Railroad Service.

Philadelphia, June 6 .- Frank Thomson, president of the Pennsylvania Railroad company, died at 7:30 o'clock last evening at his home at Merion, a few miles out of the city. Mr. Thomson had been ill about two weeks. He returned to his home on May 20 from a tour of inspection, which he, with other officials of the company, had made over the main and leased lines of the Pennsylvania railroad system. The trip had occupied about a week. Upon his return home he was suffering from acute indigestion, and at once took to his bed and placed himself in the hands of his physician. Mr. Thomson had enjoyed extraordinary good health and his relatives and friends believed he would soon rally and recover from his indisposition. His death was rather sudden and was wholly unexpected. Mr. Thomson was 58 years of age, and since he reached the age of 16 years had been in the service of the great railroad company of which he had been the head during the last two years of his life, he having succeeded to the presidency in 1897, upon the death of George B. Roberts.

In the early years of his service promotions came rapidly to Frank Thomson, and as responsibilities became constantly heavier he met them and carried them, and was rewarded with increasing rewards. As general manager he introduced notable reforms in

THE LATE FRANK THOMSON. the administration, management and

maintenance of the road, and the same spirit characterized his career as vice president and president.

He developed the high grade of discipline which marks the administration of the Pennsylvania railroad in every department, and a widel difrace course M. Loubet said to those ferent talent was shown in the ...plomatic and delicate relations with other trunk lines and systems when he was second vice president. His "many sidedness" is shown also by his works left in the superior standard of equipment, the adoption of the block signal system and other safety appliances, the building of picturesque stations, the standard track and solid roadbed.

Since his youth Mr. Thomson was noted for his tact and ability to win the regard of all with whom he came in contact. He had always loyal support from his employes and co-workers. During the term of the late President George B. Roberts he was regarded as the diplomat of the system. and trying and vexatious questions were deftly and satisfactorily settled by Mr. Thomson. He had a wide acquaintance among the public men of this country, and perhaps no other American was so widely known among foreign men of affairs.

Mr. Thomson was one of the most popular men of prominence in Philadelphia. His social life was the most attractive side of his peculiarly attractive character. He was a lover of books and a patron of art, literature and music. His beautiful home at 'Conkerhill" was a delightful resort for his large circle of friends, and contains many choice and valuable paintings and other works of art.

President Thomson's successor will be named in a few days. Vice Presidents John Green, James McCrea, Charles E. Pugh and S. M. Prevost are prominently mentioned for the place.

A Methodist Sensation.

Washington, June 7 .- A deed recorded here yesterday by which Bishop John F. Hurst, of the Methodist Episcopal church, transferred through an intermediary to his wife, Ella Root Hurst, their fine home on Massachusetts avenue, in the fashionable part of the city, has caused a great deal of comment here. It is reported that the transfer was preliminary to a legal separation. Bishop Hurst was out of the city, and his attorney said he had nothing to say about the matter. Mrs. Hurst has been in Europe for two

Recently he has abused his wife, hence the expose.

CHARGES AND COUNTER CHARGES.

Alleged Bribers Arrested, and Accusers Charged With Perjury.

Harrisburg, June 3 .- Information was made before Alderman Spayd, of this city, yesterday afternoon against Representative John Engler, of Lycoming county, charging him with perjury in testifying before the legislative investigating committee that he was offered a certain sum of money by ex-Senator John J. Coyle, of Philadelphia, to vote for reconsideration of the McCarrell bill in the assembly last February. A warrant was issued for Engler's arrest and he was arrested at Williamsport today and released on bail. Informations will also be made against certain other legislators who appeared beforge the bribery committee, charging them with giving false testimony.

Robert Evans, of Philadelphia, who is charged with having corruptly solicited Representative William C. Norton, of Wayne county, to vote for the McCarrell bill, waived a hearing last evening before Alderman Maurer, of this city, and gave bail in \$800 for trial. The Commonwealth Trust company, of Harrisburg, has furnished bonds for Mr. Evans and other defendants in the bribery cases. The warrants for the persons against whom informations were made on Thursday in this city have all been served, the accused have furnished bail, and the prospects are that the cases will be called for trial at the term of court beginning June 12. TWO PHILADELPHIA SHOOTINGS.

Five Persons Wounded, But Only One

Likely to Die. Philadelphia, June 7.—Two shooting scrapes occurred here yesterday in which two men shot four women and then attempted to take their own lives. Out of the six persons, only one, a woman, is likely to die.

The first attempt at murder occurred at Olney, a suburb of this city, in the afternoon, when William Keaton attempted to kill his wife, Ida, and her sister, Annie Shellenberger. Keaton and his wife had had a quarrel, and she left him and went to her father's home. He called at his father-in-law's house and without much ado shot the two women. Mrs. Gilles, a 70-year-old neighbor, who came to the door of her home to see what the noise was about, was accidentally shot in the foot. Keaton escaped in a cab, but several hours later he was arrested after he had shot at himself twice, but missed each time. None of the women will die.

The second attempt at murder and suicide was the result of a lover's quarrel. Frank Wilmer, aged 21, asked Mrs. Mary Ruhl, aged 28, whom he was courting, to marry him, but she refused. Wilmer then shot her in the force.
