Councils Doings.

Just a quorum was present at Monday night's meeting of the town council. Nothing of special importance was embodied in the various committee reports. Among the business transacted was an order for a new brick pavement on Howard street from Zeller's to Humes' residence, while other crossings on the same street are to be repaired. A new crossing is also to be put down over alley between Col. Reynolds and Mrs. Blanchard's property on Linn street. Council decided to purchase 500 feet of new hose, 250 feet for each company. The borough stone crusher is to be housed in the old Undine hose house, insured for \$400 and the building for \$300. The street committee was instructed to give notice that all bad pavements must be repaired within five days. Thomas Barnhart, on behalf of his daughter, Miss Fanny Barnhart, served a summons on the council in a suit for damages for injuries sustained in a fall on the pavement in front of one of Joseph Bros. & Co's. houses on East Curtin street. Said accident occurred last November. After approving bills to the amount of \$250.39, council adjourned.

A Cyclist Narrow Escape.

Thursday morning, Reuben Loveland, son of W. F. Loveland, of Lamar, was riding his wheel between Jacksonville and Hubbersburg on his way to Hecla. As he was passing a point where employees of the Central Commercial Telephone company were working, a pole which they were placing in a hole fell towards him. The men yelled a warning to him, and taking no chances the young man dropped into a ditch at the side of the road. He escaped the falling pole, but the long piece of timber struck his bicycle, ruining the front wheel.

Leased Ore Lands.

The executors of Miller Stewart's estate have leased to J. W. Gephart, as trustee for the parties purchasing the Bellefonte furnace, 385 acres of iron ore land in Buffalo Run valley for the period of 25 years at eight cents a ton royalty. The parties must deliver not less than 800 tons per year. Mr. Gephart also leased last week 430 acres of iron ore land in the same valley from the executors of the John L. Thompson estate for 25 years for 16 cents per ton for ore mined and washed and eight cents for every ton shipped.

Bicycle Thieves.

Harry Elmer, also known as Corman, who stole George T. Bush's bicycle and was arrested recently by detective Joseph Rightmour at the home of Joseph Rumberger, has been committed for trial at the August sessions on the charge of larceny. Bush recovered his wheel from Darius Waite to whom Elmer several times endeavored to trade it. Cashier McCurdy, who also had his wheel stolen from the Bush House on the Fourth, has not yet been successful in recovering his property.

Seashore Excursions.

Previous notices in this paper as to the Central R. R. of Pa. excursions July 20th, August 3rd and 17th, announce that tickets will be good for ten days. It has now been decided to make the time limit fifteen days including date of purchase, which will make these excursions still more attractive.
