What Our Army of Alert Correspondents See and Observe Worthy of Note—The Local Happenings of Every Community Will be Gladly Published—Send the News, We will Publish it.

Linden Hall.

Earl Geringer spent Sunday afternoon with George Felding. Miss Potter, of California, is visiting friends in this section. James Swabb went to the county seat on a shopping expedition Monday.

Miss Armadia Potter is again able to be out after a long spell of sickness. Jos. and Lee Brooks paid their grand-ma, near the Gap, a visit on Sunday.

Miss Geringer, of Altoona, is at present sojourning at the home of Henry Geringer. The information given by "Yankee," under the heading of "All the facts" was satisfactory.

A very heavy rain fell here on Friday afternoon and washed the wheat fields considerably. Mrs. Alfred Wieland, of Syracuse, N. Y., is visiting at the Wieland home, for a few weeks.

Thomas Coble, who for the past two years resided in Illinois and Michigan, came home on Thursday. A number of our people attended the Reformed Sunday School picnic, held in McFarlane's Grove, Saturday.

Our school opened on Monday with J. M. Garbrick, a graduate of Lock Haven, as teacher. Think our new director has made a good selection. J. A. Gettig bought Will Felding's driving horse and harness. Any one wishing to buy a good cheap buggy will do well by calling at the latter's home.

George Gettig left for Burnside township, on Saturday, 2nd, where he opened his school on the following Monday. This is his first experience and we wish him success. J. Will Zeigler asked us one evening last week where those Linden Hall items were. Now he just wanted us to tell of him having his lady out for a drive, but we don't mean to do it.

Rev. McCauley, formerly of Pleasant Gap, but now of Barnat Cabins, Huntingdon county, paid a brief visit to the Brooks family. He is around calling on the members of his former charge. Prof. C. E. Ziegler, of Penn Hall, finished his summer term of instrumental music last week; he will resume his work next summer in this section beginning in April. He is an able instructor and has secured all his old pupils, and some additional ones, which goes to show that the people know in employing a good teacher they get the worth of their money. Prof. speaks well concerning the talent of his pupils who have progressed satisfactorily during the term.

We overheard some people of this community saying that the scribe was stopped from sending in items, not thinking that through his negligence they did not appear in the two last issues. Please do not be so quick in forming opinions of that kind. Why would we have to discontinue when our items contain nothing but the truth? We aim to please all, when we hear good of one we are always ready to state it; when the reverse, we do not hesitate to write it. So people who want to have the best written of themselves, must have their actions conform with their wish. This does not apply to any individual but to all.

Fillmore.

Our old veterans have all returned from the encampment and report a good time. Kraig Hunter claims it rained on Monday morning. Wonder how he knows? Ask him. We have a young man in our neighborhood who only goes to see his best girl four nights a week.

John, how do you like to stay at a place with the girls, while the old man dries your clothes for you? Gosh but it rained. Charley Remy says he does not care if his help did leave, his wife presented him with a big boy. Now the work will go. Our blacksmith had a spell of sickness that required the skill of Dr. W. U. Irwin for a week past. He is alright again.

Saturday evening, 16th, the young people will hold a festival in the church yard. All kinds of refreshments will be served. Come and bring your friends along. It is for a good cause. On Friday night Mrs. John M. Eckley before retiring thought she would go and see what was causing the dog to bark, for an hour or more. When she opened the door there stood two of the call-thumpians, making all the noise they could with a cow bell and a sea shell. Miles went out and asked them what they wanted, and told them he would set up the cigars if they would go away. Capt. Jinks and his company started home through the mud swearing not to try serenading again with such a small company.

How is your wife?

Has she lost her beauty? If so, Constipation, Indigestion, Sick Headache are the principal causes. Karl's Clover Root Tea has cured these ills for half a century. Price 25 cts. and 50 cts. Money refunded if results are not satisfactory. For sale by Krumrine Bros., Bellefonte, Pa.

Wolfs Store.

Mrs. J. S. Emerick is at this writing on the sick list. Jacob Tyson and wife, from Green Burt, were guests at Jonathan Shetz's last Sunday. Plato Tressler and wife, from Logan-ton, visited in our midst last Saturday and Sunday.

Mr. Jacob Brown and Jonathan Harter, from Millheim, were seen in our midst last Saturday and Sunday. Jerry Jones, who also left this place about twelve years ago for Kansas, is also here enjoying a visit in Central Pa. D. B. Weaver, who spent last week in Philadelphia and other points of interest, returned home last Saturday much pleased with his trip. A heavy storm visited our valley last Friday evening, doing much damage to sown grain fields and some of our farmers are compelled to sow some of their fields over.

A. E. Bowersox, who nine years ago left this place for Reserve, Brown Co., Kansas, is at present visiting his old parents and many friends. Mr. Bowersox, when he left Brushvalley, was only a boy, and what he saw and learned while out west was a good education for him. He has lots to say, and speaks highly for Kansas. The pain of a burn or scald is almost instantly relieved by applying Chamberlain's Pain Balm. It also heals the injured parts more quickly than other treatment, and without the burn is very severe does not leave a scar. For sale by F. Potts Green, Druggist, Bellefonte, Pa.

Ed. Frank, of Woonsocket, Dakota, arrived in this place one day last week to visit his parents, Thomas Frank's, on North 2nd street, and other relatives here for several weeks. He is engaged in the mercantile business in the above named town and reports trade real good in his western home. This is his first trip east for a number of years and was quite a surprise to his parents, they knowing nothing of his coming. Judging from appearances, the West must agree with him, as he is the perfect picture of health.

E. church property. For particulars inquire of Mr. Green.

Quite a number of soldiers attended the encampment at Philadelphia, last week, and reported having had a good time. One met with a misfortune, by having his money lifted from his pocket. Ask John. A MEAN JOKE: On Sunday morning a party of six young men, thinking of having a general good time, (a love feast) as they termed it, purchased a four-gallon keg of beer, carried it to W. Fishers' on the mountain. After a few minutes rest drove the spigot. Lo! and behold! \$1.25 worth of rain water they had to drink, instead of the good, elegant beer. Pretty dear drinking for the boys.

During a thunder storm the barn on the Lehigh farm was struck by lightning, but fortunately no serious damage was done. A lawn festival will be held in the Presbyterian church yard, on Friday and Saturday evenings, September 22 and 23. All are invited to attend.

The labor being made swift, easy and free from danger, morning sickness, swollen limbs, and like evils readily controlled, and all female diseases speedily cured. Poorman has been housed up for some time with muscular rheumatism. James Smoyer lost a cow valued at \$35 last week. Death caused by eating too much chop.

Rev. B. J. Hammel will preach his last sermon for this conference year, on Sunday evening. It is the desire of the people for him to return. Last Saturday some of Georgetsvalley's young bloods were out flying their kites and shooting off their revolvers on the street.
