

### The Racket.

Is to-day a better store than ever it was. I ought to know as I opened the first box and have been around more or less since the doors were opened for business Jan. 1, 1889.

### The Reason Why

The store is more than 8 times as large, as when started--The stock has increased ten fold, with number of employees in proportion. The same rules of business prevail--No tricks, no misrepresentation. It's a good store and I would be glad to have U Kom & C.

G. R. SPIGELMYER.

### Pleasant Gap.

Jack Frost paid us several visits. The trees are putting on fall colors. Sadie Hile has been sick, but is recovering. John Griffith made a big improvement on his store, by painting it. The farmers about this place are busy picking apples and husking corn. Robert Barnes and wife, of this place, Sundayed at Wm. Brookes, of Linden Hill. Howard Wells who has been employed near Huntingdon on a lumber job, is home on a short visit. A couple of gents, who are canvassing at this place, seem to spend much time in the lower end of town. Miss Sue Kelley lectured at the M. E. church on Sunday night, and expects to lecture again on Sunday evening. It was attended by a large congregation. Wm. Hoover and wife expect to take about a week's vacation and visit friends at Green Wood. Howard Biglow, Mr. Hoover's nephew will take his place for awhile. --THE CENTRE DEMOCRAT will be sent to any new address until January 1, 1900, for 15 cents.

### Howard.

James Lucas has sold out everything and left the place. Scot says he is not going up to Port again, before Saturday. George Glossner unloaded a car load of fine cattle on Monday. Mr. Helmen and wife, of Iowa, are visiting friends in this section. Our town is bound to get better, as democrats are moving in and republicans out. The social held in Lucas' Hall on Saturday evening, by the M. E. people, was a success. W. H. Neff has begun napering the M. E. church. The edifice is being repaired to perfection. We are sorry to say that Miss Jennie Wagner is very sick at the home of her brother John Wagner. Mrs. Love, wife of Hon. John G. Love, of Bellefonte, was a guest of W. T. Hall and sisters, on Tuesday. Edward Bechdel and wife, of Pittsburg, are visiting his father and mother, Mr. and Mrs. James Bechdel. Mrs. Julia Brown and Miss Sophia Rockey, of Hubbersburg, transacted business in our town on Monday. The show people pitched their tents at Eagleville but were back and spent Sunday among friends at this place. The M. E. church and Sunday School is being held in the Evangelical church, until the M. E. church is finished. Our merchant, W. S. Craine, made his trip to Port on Saturday of the past week. As usual, his sister accompanied him this time. C. C. Lucas, of Giltentown, has located here and rented the Lucas & Bro's store room and has opened a very nice store, with a large line of goods. Locking the school house and locking the scholars out when they were a few minutes late did not last long. That kind of work won't do at Howard. Wm. Wharton, son of our pastor, A. P. Wharton, has been seriously ill with blood poison the past two months. At this writing he seems to be improving. Wm. Wharton, who has been a student in Trinity College, Hartford, Conn., for two years, intends spending the next two years in Columbia University, New York City. We have three democrats in town who apparently will lose their votes, simply because their names were not on the sixty day list, when returned to the collector. Mr. Speer, of Bellefonte, the worthy candidate for treasurer, was in our town looking up his interests. Vote for Speer, as he is a poor man, an old man and an honest man. John Hagan, of near this place, had a barn raising last Thursday and had a good crowd. Best of all was the good dinner. The tables were set out in the open field, loaded with all the delicacies of the season. Wonder why the sixty day list has no democrats on this fall, after it leaves the commissioners' office. Our young democrats will have no taxes to pay, while a good many republicans are assessed twice in the duplicate and again in the sixty day list, and will have two taxes to pay; too bad that they can't vote twice.

### Coburn.

ON EVERY BOTTLE Of Shiloh's Consumption Cure is this guarantee: "All we ask of you is to use two-thirds of the contents of this bottle faithfully, then if you can say you are not benefited return the bottle to your Druggist and he may refund the price paid." Price 25 cts., 50 cts. and \$1.00. For sale by Krumrine Bros., Bellefonte, Pa. 2

Miss Snyder is improving at this writing. Sol Lingle is putting up his saw mill at Eisenhuth's siding. Harry S. Horner set out two thousand strawberry plants. J. F. Garthoff shipped his potatoes from Highvalley to Coburn. Rabbits are so plenty in Highvalley that they destroy the young peach trees. Ed. Brauch, one of Coburn's school teachers, was in our valley looking for chestnuts. F. Barker and son John, of Ingleby, were taking a buggy ride with their fine horses. George Eisenhuth, our real estate agent, sold W. W. Eisenhuth's house, south of Coburn. Adam Sheesley moved back to his home. He was working for Harter Brothers, near Woodward. Reuben Billmeyer and Daniel Krader are building a bridge across Penns Creek to get their logs to the mill. W. E. Smith, of Millmont, was at Coburn, Saturday afternoon and had a talk with our real estate agent. A flock of wild geese flew across Highvalley. There were forty three in the flock, as near as could be counted.

### Moshannon.

William Cramer, of Jersey Shore, visited his mother here, this week. The farmers are busy raising their potatoes; the crops is fairly good. Mrs. Shilling, of Huntingdon, visited her daughter Mrs. Jennie Viehdorfer, at this place, this week. J. T. Lucas spent a few days in the eastern cities this week, buying a full line of fall and winter goods. The Misses Mary and Ella Foreman and Miss McGinity, of Marion Centre, were guests at the home of Mrs. Mollie Rankin this last week. The next Sheriff of Centre county, Cyrus Brumgart, was in our vicinity this week looking up his political friends, which are by no means scarce. We wish him success. On the 10th of December, 1897, Rev. S. A. Donahoe, pastor M. E. church, South Pt. Pleasant, W. Va., contracted a severe cold which was attended from the beginning with severe coughing. He says: "After resorting to a number of so-called 'specifics,' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's Cough Remedy, which acted like a charm. I most cheerfully recommend it to the public." For sale by F. Potts Green, druggist, Bellefonte, Pa. THE next time Tom. Harter quotes statistics, we guarantee that he will stick closer to facts.

## COMMISSIONER RIDDLE'S OVERDRAWN ACCOUNT

### How A Republican Commissioner has Been Using County Funds for his Convenience.

On Wednesday, October 5th, the editor of this paper made a careful inspection of "Ledger F" and the "Minute Book" in the Commissioners Office and found that an amazing state of affairs existed in that department--public monies being used by officials, in the shape of largely overdrawn accounts. The matter in detail, was given by us last week. The situation may be summarized briefly as follows:

M. F. RIDDLE'S ACCOUNT, AUG. 14, 1899:

To total orders drawn to date.....	\$866.00
By 159 days service.....	556.50
To Amount Overdrawn - - - - -	\$309.50

M. F. RIDDLE'S ACCOUNT, OCT. 2, 1899:

By 189 days services to date.....	\$661.50
To Amount Still Due Treasurer	\$204.50

NOTE:--At the time that this account was examined the writer took the precaution to call in Wm. Dukeman and have him to go over the ledger, also to see that same was added up correctly. Then both went over the "Minute Book" together counting the days that Mr. Riddle was in attendance at the office, AS WELL AS THOSE DAYS WHEN HE WAS DELIVERING BALLOTS, ELECTION SUPPLIES, OTHER BLANKS, VIEWING BRIDGES AND OTHER WORK, ALL OF WHICH APPEARED ON THOSE MINUTES, AND ALL OF WHICH ARE INCLUDED IN THE ABOVE STATEMENT.

### LET HARTER SEE THE RECORDS?

Last Friday, Editor Harter called at the Commissioners Office and asked to see this famous "Minute Book." Mr. Robb, the clerk, refused the request on the ground that it was not open for public inspection, and claims that the courts have so decided. This is becoming conscientious, soon. We won't argue that point, as it is immaterial. They may have the right to refuse it, but we know that the Commissioners have the privilege to show it, if they want to. Therefore, by all means show it to Mr. Harter so that he will have an opportunity to tell the public what he saw. This is only a "Grand Stand Play" to give Mr. Harter an excuse to dodge, and hedge, and insinuate, and intimate, and avoid printing the astonishing facts in the Gazette. Any ordinary man well knows that if that "Minute Book" contained any information to clear up Matthew Riddle's overdrawn account that no power on earth would prevent Harter from seeing it--even sleeping with it for a week, if necessary.

Let the truth be known; let the Gazette see the shameful facts on the official records. Any other course, is practically a confession of guilt.

### EXCESSIVE DOG TAX.

### Clearly Set Out How Twice Too Much Money is Collected. Used For County Orders.

The following very clearly, fully and explicitly explains to the people how Commissioners Riddle and Fisher imposed on the dog owners, and misappropriated about \$2000 of the sheep fund. The following totals are copied from the different statements:

	Amount Levied	Damages Paid.	Bal.	Used by Co. Coms.
1894.....	\$2090	\$ 558	\$ 88	none
1895.....	2976	1636	424	none
1896.....	2805	1972	799	none
Republican Board in office.				
1897.....	2926	1233	1458	1243.25
1898.....	2370	1138	988	741.82

Total Dog Tax Misappropriated to pay County Orders.... \$1984.97

In April 1899 the dog tax was again assessed at the same excessive high rate. These commissioners saw that they were levying more than was needed, even in the face of the fact that they had over \$3000 still uncollected and the sheep claims have been growing less, from year to year. The law says they shall levy ONLY A SUFFICIENT amount to pay the sheep claims.

Dog owners can easily see where they have been imposed upon, by Commissioners Riddle and Fisher, and are compelled to pay about twice as much for the privilege of keeping a dog as the law intends they should.

### Zion.

Wm. Fishburn says it sounds a little odd to be called papa. Mrs. S. E. Showers and daughter Minnie, of Pleasant Gap, made a few calls in our town last week. Milton Bickel, son of Isaac Bickel, is very low with typhoid fever. Dr. P. S. Fisher is the attending physician. It is rumored around that there is a wedding in sight in our community. Perhaps there is, that is if his courage does not fail to ask pa and ma. The farmers of our community should take warning, that on next Saturday is the Feast Day at the Rod and Gun Club, and not to go beyond their capacity. Wonder what is the matter with our young ladies, in letting our young men leave the county. Girls, give the boys a warm shoulder, as winter is coming and then you won't be left. B. A. Noll, our wide awake merchant, is very busy cleaning his store room. He is expecting his new winter stock in a few days. We would advise our friends to call on him and examine his fine assortment of goods, before going elsewhere.

### COMPULSORY ATTENDANCE.

All parents, guardians, or other persons having control or charge of any children between the age of eight and sixteen years, are hereby notified that under the Compulsory Attendance laws now in force in the State of Pennsylvania, such children are required to attend the public or private schools of Bellefonte during at least 70 per cent. of the time the said schools are in session. This law will be enforced by the Board of Directors on and after Monday, October 16th, and the Board earnestly requests of said parents, guardians, etc., to see to it that the children under their control or care are in attendance at one of the said schools. The Board has selected for the attendance officer, for the purpose of bringing to justice truants and those who are willfully disobeying the Attendance Law, Joshua Foulk, who will be directed to enforce the law to the letter. By order of the Board D. F. FORTNEY, President. H. C. QUIGLEY, Secretary.

### Dedication.

The United Evangelical church, at Snow Shoe Intersection, will be dedicated on the coming Sabbath, Oct. 15. Services Saturday evening at 7:30 p. m., Sunday at 10:30 a. m., and 7:00 p. m. Rev. S. P. Remer, P. E., Lewisburg, Pa., Rev. J. A. Hollenbaugh, Altoona, Pa., and Rev. J. Womelsdorf, of Bellefonte, Pa., will be present. All the friends are cordially invited to these services.

Those parents who have two or three boys and girls to clothe know what an item the shoe bill is, and they'll not be overjoyed at the news of the general advance in the price of everything that enters into the makeup of shoes. But they needn't worry yet, we intend to stand by them in the matter of prices as long as we can, and having bought our fall stock early, we will be able to quote the same low prices that have been ruling. When we re-order we may have another story to tell. Until then, fit your boys and girls from our splendid stock. MINGLE'S SHOE STORE.

The Loganton Journal furnishes the following: The United Evangelical people at Carroll have purchased a 500 pound bell for their new church. Adam Trump has ivy poison. It is spreading over his body and torments him awfully. The two new school houses in Greene township are models of beauty. The school board, the tax payers and the scholars are well pleased.
