A SAD AFFAIR—This community was shocked late last Friday when the news spread that Mrs. Adam Wolfe (nee Brindie), of near this place, met with a painful and fatal accident. Mrs. Wolfe was ready to retire for the night and carried the oil lamp in her hand, when it exploded, the contents of the lamp being thrown on her body and clothing. Her father, Mr. Brindie, was the only one present with her, her husband being away. At once she was enveloped in flames and it was with great difficulty that her father extinguished it with a table cloth. Her body was badly burned, from which she suffered great pain, and she only lived until the following Saturday afternoon, at about 3 o'clock, when she fell asleep, from which she never awoke. She leaves a sorrowing husband, with four little children; also a father and mother, two brothers and two sisters and many friends to mourn her early departure. Her funeral took place at Rebersburg on Tuesday 24th inst. Interment in the Union cemetery. Aged about 29 years. Truly her bereft husband and friends have the heartfelt sympathy of all in this community, in this hour of bereavement. Mr. Wolfe and other relatives hereby tender their most sincere thanks to the friends and neighbors generally for their kindness during the short illness of the deceased, and who so kindly took part in her burial.

It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, and used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. October 21st, was a day of much pleasure and enjoyment at the home of Mr. and Mrs. George Cowher, residing near Black Oak Chapel. The pleasant event was brought about as a surprise birthday gathering and it was truly a surprise and agreeable one in every particular. The venerable couple had on that day attained their 72nd birthday, when their two daughters and two grand-daughters, conceived the idea of driving away dull care for at least one day, which was done to perfection by the gathering in of about 75 neighbors and relatives, bring with them many useful presents as well as happy smiles. It Hangs On

If it was only health, we might let it cling. But it is a cough. One cold no sooner passes off before another comes. But it's the same old cough all the time. And it's the same old story, too. There is first the cold, then the cough, then pneumonia or consumption with the long sickness, and life trembling in the balance.

Ayer's Cherry Pectoral

loosens the grasp of your cough. The congestion of the throat and lungs is removed; all inflammation is subdued; the parts are put perfectly at rest and the cough drops away. It has no diseased tissues on which to hang.

Dr. Ayer's Cherry Pectoral Plaster

draws out inflammation of the lungs.

Remember we have a Medical Department. If you have any complaint whatever and desire the best medical advice you can possibly obtain, write the doctor freely. You will receive a prompt reply, without cost. Address, DR. J. C. AYER, Lowell, Mass.
