

THE REPUBLICANS LEAD

In the Contests Carried on in Twelve States Tuesday.

NASH VICTORIOUS IN OHIO.

In Kentucky Republicans Again Carry the State.

MARYLAND GOES DEMOCRATIC.

The Followers of Bryan Carry the Day in Nebraska.

In Pennsylvania the Full Republican Ticket Is Elected, Although State Treasurer-Elect Barnett Has a Reduced Plurality. Republicans Lead in New York, but Tammany Carries the Great City—Republican Gains in New Jersey—Crane Elected Governor of Massachusetts.

Columbus, O., Nov. 8.—At midnight the chairman of the Republican and Democratic state committees were claiming the election of their respective state tickets, and also a majority of the legislature. There are no Jones legislative candidates, but Samuel M. Jones, mayor of Toledo, is certainly the closest third that ever entered the Ohio gubernatorial race. The indications are that he has drawn more heavily from the Republicans in the cities than from the Democrats, and the exception of Columbus and smaller cities, and that the Jones districts will not be so large in the rural districts. There is not the usual percentage of either Republican or Democratic gains or losses, as the gains run for the Republicans in some places and for the Democrats in other sections. Even after the returns are complete from Cincinnati, Cleveland and Toledo it may be difficult to reach the result positively, owing to the tide in the Jones vote, which runs in streaks and causes Republican losses in some places and Democratic losses in other places. Judge Nash claims his election as governor, and Republican Chairman Dick said he was assured the Republicans had carried everything, but he had no figure yet to announce. A press representative sent to Mr. McLean, at his residence, asking if he claimed his election, and received the reply that he had no answer yet to make. Chairman Seward, of the Democratic committee, said he was not prepared yet to answer the question. Later returns show that the Democratic gains in Cincinnati and other cities were reduced, and that McLean was likely third at Cleveland and possibly at Toledo, in which cities Jones drew much more heavily from the Democrats than from the Republicans. At the same time the Republican net gains outside of Cincinnati, Cleveland and Toledo were increasing at such a rate as to indicate a plurality of 30,000 to 40,000 for Judge Nash for governor and the entire Republican state ticket, including a majority of the legislature.

THE VOTE OF KENTUCKY.

Republicans Claim the State by Ten Thousand Plurality. Louisville, Nov. 8.—At midnight Chairman Long, of the Republican campaign committee, claimed that General Taylor had carried the state by from 10,000 to 15,000 plurality. He says that Taylor has carried the Third, Fourth, Fifth, Ninth and Eleventh congressional districts, while the Eighth and Tenth are close. The Republicans have made heavy gains in most of all the Democratic strongholds, which were expected to give Goebel large majorities. Chairman Long claims the city of Louisville by from 2,000 to 5,000 majority. Returns received up to midnight also indicate the election of the entire Republican ticket, while the complexion of the legislature is in doubt. The weather throughout the state was perfect and more than an average vote was polled, the total falling but little short of the vote in the last presidential election. Comparatively little disorder prevailed, and aside from several arrests for alleged violations of election laws, the election was characterized by a remarkable degree of quietude. The Courier-Journal (Dem.) fronts its figures, says the result is in doubt, but the Post (Dem.), which has opposed Goebel, claims Taylor's election by 10,000.

SENATOR BLACKBURN AND OTHERS AT GOEBEL HEADQUARTERS AT MIDNIGHT ADMITTED THE RETURNS FROM MANY DEMOCRATIC COUNTIES ARE DISAPPOINTING, BUT CLAIM THIS IS PARTIALLY OFFSET BY PRIVATE DISPATCHES FROM THE ELEVENTH DISTRICT, INDICATING A FALLING OFF IN THE REPUBLICAN VOTE. BLACKBURN NOW CLAIMS GOEBEL WILL WIN BY 5,000. THIS IS A REDUCTION OF 25,000 AS COMPARED WITH CLAIMS MADE TWO HOURS EARLIER.

MARYLAND AGAIN DEMOCRATIC.

Smith Elected Governor and the Democrats Control the Legislature. Baltimore, Nov. 8.—Incomplete returns from the city of Baltimore and meagre reports from the state indicate that the Republicans of Maryland have been overwhelmingly defeated, and that John Walter Smith, the Democratic candidate, has been elected governor by a majority variously estimated from 10,000 to 15,000. There is also a reasonable certainty that the lower house of the general assembly will be Democratic by a large majority, and that the Democrats will elect enough state senators to overcome the Republican advantage among the hold-over senators, thereby controlling both branches of the legislature. The Democrats have carried the three legislative districts in Baltimore city, and the probabilities are that they will have 75 members in the lower house of the general assembly, while the Republicans appear to have elected but 16. The senate will be very close.

with the chances slightly favoring the Democratic claim of a majority of two. On the face of the returns the Republicans have carried but five counties in the state, viz.: Allegheny, Charles, Garrett, Anne Arundel and Somerset. Five others are doubtful. These are Carroll, Dorchester, Prince Georges, St. Mary's and Calvert. The Democrats have carried beyond a reasonable doubt the remaining 13, including Frederick and Washington, by majorities ranging from 1,200 in Baltimore county and 1,000 in Worcester, down to a very close margin in some of the others. The Democrats are wild with enthusiasm, while the Republicans are correspondingly depressed over the result, which they are inclined to attribute to treachery among the followers of Mayor Malster and United States Senator George L. Wellington. The latter has taken no part in the campaign, and has not hesitated, since his resignation as chairman of the state central committee a few weeks ago, to predict the overwhelming defeat of the Republican ticket. A special from Cumberland to the Baltimore Sun quotes Senator Wellington as saying that this was one of the happiest days of his life. The senator added: "The defeat of the Republican party in this contest was not a surprise to me. At the time of my retirement from the chairmanship of the party there was no question in my mind as to the result. I counseled Governor Lowndes then that his only escape from defeat was his retirement from the ticket. I felt convinced that after his duplicity, weakness and treachery it would be impossible for him to be elected. He preferred the advice of the coterie of L. Republicans and assistant Republicans, Cowen and Warfield, at whose dictation he had betrayed me. I knew that he was foredoomed to defeat and though some of my friends thought it unwise for me to put myself on record in a declaration that he would be beaten, I felt no hesitation, because of there is not the usual percentage of either Republican or Democratic gains or losses, as the gains run for the Republicans in some places and for the Democrats in other sections. Even after the returns are complete from Cincinnati, Cleveland and Toledo it may be difficult to reach the result positively, owing to the tide in the Jones vote, which runs in streaks and causes Republican losses in some places and Democratic losses in other places. Judge Nash claims his election as governor, and Republican Chairman Dick said he was assured the Republicans had carried everything, but he had no figure yet to announce. A press representative sent to Mr. McLean, at his residence, asking if he claimed his election, and received the reply that he had no answer yet to make. Chairman Seward, of the Democratic committee, said he was not prepared yet to answer the question. Later returns show that the Democratic gains in Cincinnati and other cities were reduced, and that McLean was likely third at Cleveland and possibly at Toledo, in which cities Jones drew much more heavily from the Democrats than from the Republicans. At the same time the Republican net gains outside of Cincinnati, Cleveland and Toledo were increasing at such a rate as to indicate a plurality of 30,000 to 40,000 for Judge Nash for governor and the entire Republican state ticket, including a majority of the legislature.

NEW JERSEY REPUBLICAN.

Conely Returns Show a State Plurality of Twenty Thousand. Trenton, Nov. 8.—Returns so far received indicate that the Republicans have carried the state by about 20,000 plurality, although there was no direct vote on a state ticket. The Republicans will control both houses of the legislature by good working majorities, and will have an increased representation in the house of assembly. The Republicans have elected senators in Camden, Gloucester, Somerset, Union and Essex, and probably in Salem and Monmouth. The Democrats have elected but one senator, in Warren.

The senate will stand 14 Republicans to 7 Democrats. The Democrats lost three assemblymen in Middlesex and one in Salem, and the next assembly will be composed of 41 Republicans and 19 Democrats, as against 37 Republicans and 23 Democrats last year. The result in Monmouth is very close, but it is believed that the Republicans have elected Francis senator, and that the Democrats have elected assemblymen and county officers. The Republicans carried Cumberland for the assembly, but the Democrats elected the county clerk and sheriff. The Republicans carried their entire ticket in Middlesex and Union counties. The Republicans made a clean sweep in Passaic county, electing four assemblymen and the two coroners. The assemblymen get about 2,800. The Republicans carry Union county by about 2,200 for senator and assembly. William Howard (Rep.), for county clerk, ran behind his ticket by about 300, but is safe. Robert G. Houston (Rep.), for sheriff, is elected by about 2,000.

Sussex county went Democratic, electing Elvin E. Smith, the retiring member, to the assembly for another term. John M. Hotalen (Dem.) was elected sheriff. The result of yesterday's election greatly improves the chances of United States Senator William J. Sewell to succeed himself in the senate. The senate will remain Republican for two years more, as next year the senators retiring are all Democrats except one, who is from a county almost certainly Republican, so the Democrats cannot make any gain, and in the senatorial elections next year they will have everything to lose and nothing to gain. Yesterday's elections for assemblymen are taken here to indicate that the Republicans cannot lose next year. The appointment of Republicans for state treasurer and other state officers this winter is assured.

BARNETT WINS IN PENNSYLVANIA.

His Plurality Over Creasy Is Estimated at 138,483. Philadelphia, Nov. 8.—Estimates from all the counties in the state indicate the pluralities for Barnett (Rep.) over Creasy (Dem.) over 120,000. In some counties the estimates were necessarily based on meager information, and complete returns may change the figures here given. In nearly all of the counties Barnett, the Republican candidate for state treasurer, ran behind the rest of his ticket. In 1897, when Swallow (Ind.) carried ten counties in the state, the plurality of Beacom (Rep.) was 129,717, and in 1895 the plurality for Hayward (Rep.) was 174,254. Complete returns from the forty wards in this city give Barnett (Rep.) for state treasurer, a plurality over Creasy (Dem.) of 69,407, against a plurality of 74,548 for Hayward, the Republican candidate in 1895, and a plurality of 70,953 for Beacom (Rep.) in 1897. The total vote cast yesterday was 150,440, against 158,588 in 1895, and 145,947 in 1897. The city's \$12,000,000 loan bill was favored by an overwhelming majority of the votes cast. Republican State Chairman Reader said this morning: "Colonel Barnett's majority in the state will be 149,000. The majority in Allegheny will be about 20,000, and in the state exclusive of Philadelphia and Allegheny about 59,000. The other candidates will run somewhat ahead of Barnett, as the opposition within our own party has been concentrated on Colonel Barnett." In an interview Senator Penrose said: "It seems to be a staunch Republican victory all along the line, and a strong endorsement of the national administration. We are all gratified at the splendid endorsement of Colonel Barnett." In Chester county the fusionists claim to have elected their ticket, but the figures so far received do not support the claim. It is possible that Cornwell, the fusion candidate for district attorney, was elected. One congressman was elected in Pennsylvania yesterday. In the Ninth district, comprising Berks and Lehigh counties, Captain H. D. Green (Dem.) was chosen by a majority of 5,000 to succeed D. M. Ermentrout, deceased. Judges were elected in eleven counties in Pennsylvania yesterday. In six counties there was no opposition, the following being elected: Allegheny, Frederick H. Collier; Berks, Gustave A. Endlich; Chester, Joseph Hemphill; Dauphin, John H. Weiss; Luzerne, Gaines L. Halsey; Philadelphia, Samuel W. Pennypacker and Henry J. McCarty. In Lancaster Judge Charles J. Landis (Rep.) was opposed by David McMullin (Dem.), but Judge Landis was re-elected by a large majority.

MASSACHUSETTS' REPUBLICAN PLURALITY.

Boston, Nov. 8.—The Republicans carried Massachusetts yesterday by 65,000 votes, electing W. Murray Crane governor. The entire Republican state ticket was elected by practically the same plurality as the head of the ticket, and the legislature of 1900 will also be Republican by the usual large majority, there being few changes in either branch. The total vote for governor, with one town missing, was as follows: W. Murray Crane, Republican, 168,846; Robert Treat Paine, Jr., Democrat, 103,812. The senate of 1900 will stand practically the same, 33 Republicans and 7 Democrats, while the house will have about 165 Republicans and 68 Democrats, with the balance divided among the Socialists and Prohibitionists. While the Socialists lost a representative in Haverhill, their candidate for governor led the Democratic nominee in that city, and in other parts of the state the Socialists' doctrine was given some endorsement.

VIRGINIA OVERWHELMINGLY DEMOCRATIC.

Richmond, Nov. 8.—Returns thus far received show that both branches of the legislature will be overwhelmingly Democratic. The vote was exceedingly light, the only contests being between Democrats and Independents, and the warmest of these fights was in the Isle of Wight senatorial district, where the Democrats lost. Another warm fight was in Shenandoah county for the house, the Independent candidate winning there also. Seven anti-Democrats are elected to the legislature. Mayor Jones Gratified. Toledo, Nov. 8.—Mayor Jones said today: "The result of the election is extremely gratifying to me, as it must be to every lover of liberty. The vote for the non-partisan idea is large enough to justify the claim that the cause has won the greatest victory ever recorded in the political history of the state. I believe the moral force will lead the legislature to pass the municipal code commission bill, which provides that every municipal officer in Ohio shall be elected by the non-partisan plan, doing away entirely with political parties in all our cities."

REPUBLICAN GAINS IN KANSAS.

Topeka, Nov. 8.—Very meagre returns indicate Republican gains in the county elections held over Kansas yesterday. It is predicted by conservative politicians that the Republican gain will reach 10 per cent. In Shawnee county the whole Republican ticket is elected by a gain of 20 per cent. over last year. A very light vote was polled all over the state. In 1896 the Fusionists carried 69 out of 105 counties. Last year the Republicans carried 81 counties out of the 105. Democrats Win in Denver. Denver, Nov. 8.—Returns so far received make the election of the entire Democratic ticket in this (Arapahoe) county practically certain. The Democratic managers claim a plurality over the Republicans of from 4,000 to 5,000. The proposition to issue bonds of the city of Denver for the construction of a municipal water plant carries by a majority of 2,000 in a vote of a little over 5,000.

ALBANY REPUBLICAN.

Albany, Nov. 8.—It is given out at Democratic headquarters that the Republican ticket, headed by Blessing for mayor and containing the names of some Democrats, has been elected. This is a great Republican victory, the first won in many years. Mississippi Democratic by 30,000. Jackson, Miss., Nov. 8.—The election passed off very quietly throughout the state. The Democratic majority is estimated at 30,000. Returns are very scattering so far, and indicate a close vote on the Noel amendment for elective judiciary.

TROOPS IN KENTUCKY.

Governor Bradley Orders Out the Men of the Louisville Legion. VISITED THE POLLING PLACES.

There Was Nothing For Them to Do, and the Only Excitement Caused Was by the Presence of the Bluecoats. Found Everything Quiet.

Louisville, Nov. 8.—At 6 o'clock last night Colonel C. C. Mengel received orders from Governor Bradley to send to the polls at once the Louisville Legion, which had been under arms at its armory all day in readiness for a call. Up to this time the election had been one of the quietest ever known here. A few arrests for alleged interference with voters were made, but there was less than the usual amount of friction between the workers for the respective candidates. When the polls closed, at 4 o'clock, the inspector representing the interests of the Brown ticket appeared and demanded admittance to watch the count. This was done under a mandatory injunction issued by Judge Terry, of the circuit court, shortly before noon, restraining the city authorities and officers of election from interfering with the Brown inspectors. About the middle of the afternoon the Republicans secured a similar order for their inspectors, on representations that they were threatened with interference. In a number of places the inspectors were refused recognition, and Governor Bradley's order for troops to go to the polls was made upon a statement by Judge Toney, reciting this state of affairs. The men were ready, and within a few minutes began to form about the armory. Belts were loaded up with ball cartridges, and every man had his bayonet fixed.

Colonel Mengel, who was in uniform for the first time since the regiment was reformed in readiness for a call, assumed command. As soon as the order became known Sheriff Bell hastened to the armory and protested against the calling out of the troops, on the ground that there had been no disorder and no trouble, and that there was no occasion for action by the state authorities; that Judge Toney had not made any representations to him, the sheriff, as peace officer of the county, that there had been any interference with his order. Colonel Mengel replied that he was acting under instructions from Governor Bradley.

Shortly after 7 o'clock orders to march were given. Companies B, C and D swung into Main street and started on the double quick for the lower quarters of the city, in the west end. They visited polling places en route, and inquired into the treatment of the representatives of all the parties. "Everything was found quiet, however, and the bluecoats were marched back to headquarters. The only excitement noticeable was that occasioned by the presence of the soldiers. Meanwhile the count was proceeding in all the voting places of the city.

TAMMANYITES ELATED OVER THE DEFEAT OF ASSEMBLYMAN MAZET.

New York, Nov. 8.—Returns from state and city so far received indicate that the Republicans will have about the same majority in the next assembly as in the last, the Democratic gains in this city being offset by losses in the smaller counties. The Democrats elect 92 assemblymen, the Republicans 58, a Republican majority of 34 and a Republican gain of 16 seats. The Democrats suffered grave reverses in Erie county (Buffalo) and Chenung county, the home of ex-Senator David B. Hill. In the city elections up to the state the Democratic vote showed a great falling off. Buffalo, Troy and Albany gave large Republican majorities, a complete overturn. Mayor James E. McGuire (Dem.) is re-elected mayor of Syracuse, a tribute to his personal popularity. In the four counties of New York the usual big Democratic majorities were rolled up, every candidate in every county being elected except Gray, Democratic candidate for recorder of Kings, against whom charges of corruption had been made. Tammany shows no elation over the plurality of 50,000 for its New York county ticket, having expected it. The rejoicing is over the defeat of Assemblyman Robert Mazet (Rep.) by Perez M. Stewart, in the Nineteenth assembly district, which normally is strongly Republican. Dr. Nelson V. Henry (Rep.), in the Fifth assembly district, against whom the labor union made a fight, was re-elected. In the Thirty-fourth congressional district F. B. Vreeland (Rep.) was elected by an enormous majority, at least 10,000.

BRYAN "CONCEDES" NEBRASKA.

Says the Fusionists Have Won by Fifteen Thousand Votes. Lincoln, Nov. 8.—It is evident to both parties in yesterday's fight that Nebraska has repudiated her allegiance to the fusion standard. While Republicans are not yet willing to admit defeat, early figures point that way. There has been a steady falling off of the vote of both parties, but while the fusionists have suffered but little the Republican loss has been not less than that of a precinct. If the present ratio is maintained Governor Holcomb and the fusion state ticket will be elected by not less than 10,000. Fusionists claim much more. Chairman Edmiston, of the Populist state central committee, said: "We have carried the state by 15,000, and have made gains in county officers." Chairman Tefft, of the Republican committee, declined to make a statement, but many of his associates admitted defeat, though not conceding it by as large a majority as claimed by the fusionists. Asked for a statement, W. J. Bryan replied, with laughter: "I concede the state of Nebraska to the fusionists by 15,000." This (Lincoln) county elects the entire Republican county ticket with the possible exception of sheriff.
