HAPPENINGS IN CENTRE CO

What Our Army of Alert Correspondents See and Observe Worthy of Note—The Local Happenings of Every Community Will be Published if Sent in Early.

Spring Mills.

John Krape is going to spend the balance of the winter with his mother. Wm. Neese made a business trip to our county seat. Fannie Bowersox, of Wolfs Store, was visiting her brother on Main street. M. L. Smith, of Johnstown, made a short visit with his brother. James Leitzell, Jr., and M. D. Leitzell started for a two-weeks' trip through Snyder county selling their "Indian Herbs."

Michael Shires has been to Altoona for the past week looking up insurance. The rain last week raised Penns creek to an overflow and started the ice to come out Sinking creek which looked at times as if there might be trouble with ice gorges but it all went down stream without any damage being done.

CAUCUS MEETING:—Next Saturday a caucus meeting will be held when the nominations will be made for the following officers: Justice of the peace, tax collector, auditor and town clerk. That is the day to make your choice, and the field is full of good material to select from. The two old supervisors should be re-elected. When they took hold of the office two years ago Gregg township was over eleven hundred in debt. They are about ready to blot out all the debt at the next sitting. Voters and taxpayers, look to your interest.

Last Saturday T. B. Jamison had a bad accident while on his way home from Rishel's, his horse became unruly and got the better of him and threw him out and dragged him quite a distance before he could get the horse stopped. His head was badly cut and bruised. Dr. Braucht was quickly summoned to dress the ugly gash across the temple which took five stitches. He had three ribs broken and two cracked and is seriously hurt. The cause of the accident was some one leading a cow which ran against the horse and it took fright and made a short turn in the road and upset the buggy. The vehicle was very little damaged. Mr. Jamison is a candidate for justice of the peace. This may cause him to be housed up so that he cannot attend the caucus. His many friends should look after his interests.

Ward Shenck, who has been laid up for some time with a touch of pneumonia, is some better. Mrs. Clara Thomas, who has been very sick for the past week, is improving. TELL YOUR SISTER

Karl's Clover Root Tea acts directly on the bowels, liver and kidneys keeping them in perfect health. Price 25 cts. and 50 cts. For sale by Krumrine Bros., Bellefonte, Pa.

Mrs. Boston Viehdorfer made a short trip to Bellefonte on business, last week. Ella Rankie spent a few days in Clearfield during the past week. Elmer Conaway, of Winburn, spent Sunday with his father-in-law, Simeon Hazzard, at this place. Jake Lucas has been very sick for a couple of weeks. One of our prominent young ladies, returning from a trip, when she reached the station was surprised to find three young men waiting to walk home with her, and being a misunderstanding among the young men each one expecting the other to make the trip, halted a few minutes leaving the young lady go home accompanied by a little boy. Mrs. Spencer's sister from Albany, N. Y., has been visiting her recently. Carrie Lucas, who has been ill the past two months, is around again.

HOOD'S PILLS cure Liver Ills, Biliousness, Indigestion, Headache. Easy to take, easy to operate. 25c.

Nittany.

E. J. Markle, of Hublersburg, was in our town on Saturday, the 20th, for the purpose of receiving tax from our tax payers. Mrs. Hattie Winkleman and son, of Mackeyville, spent several days with Miss Mittie Winkleman, of this place. Mrs. Charles Beck has been very ill the past week. A. G. Robb, of Zion, was seen on our streets on Sunday. We had lots of rain and mud last week. Just ask our young folks or inquire of Jack. Boyd Emerick has left for parts unknown. Some of our sports were to Clintondale on Sunday evening. Edward Robb was to Hecla park several days last week, attending the station for J. E. Alters. Tip was in the smear so deep last week that he had to get a new pair of gum boots. Of course he didn't have so very far to go but he got the boots all the same. The convention closed on Saturday night with a grand concert. The singing was very good, but on account of the bad weather and bad roads the audience was very slim. Those from a distance who attended our convention were Miss Mary Hartman, Miss Breen and George Tobias, all of Millheim. Miss Fannie Shaffer, of Zion, who had been attending the convention, returned home on Sunday evening.

Milesburg.

W. R. Johnson is on the sick list. George Gray has returned home from Mill Hall. He has not yet recovered from the fall he had at the above place. Messrs. Benjamin and Chester Neff, of Roland, were in town on Saturday evening of last week. Mrs. Bertha Stetler, of Tyrone, is at present writing spending a few days with her brother, E. A. Swartz. Miss Mary Candy, of Howard, spent a few days in town last week. She was the guest of Miss Mary Hiebler. Harry Quick, a former resident of this place, but now of North Bend, Clinton county, is visiting his parents at this place. John Smith departed on Monday, of this week, for Pittsburg, where he has secured employment. Rev. Dr. Laurie, of Bellefonte, preached in the Presbyterian church on Sunday evening last. Miss Myrtle Meyers, of Altoona, is visiting relatives and friends in this place. Business is booming in Milesburg. The saw mill started last week. Geo. English, a popular salesman of Shamokin, interviewed some of our merchants last week. Four of our young men took a trip to Howard on Thursday evening of last week. They say they had a very nice time.

Hannah.

Milton and John Henderson are making ties. Christ Sharrer is hauling lumber from his saw mill to Retort. We are glad to note the speedy recovery of Miss Sallie Hoover. Speer Pink has returned from Tipton to spend a few days at his home. G. M. Marks moved from the home of John Marks, to the Flat Rock farm, north of Port Matilda, last Wednesday. Samuel Hoover is just as young as he used to be, except when he gets rheumatism, and it settles in that "ankle." Joseph Goss and Allen Hoover are very busy cutting paperwood; these young papas seem to think they must go to work in earnest. It was a girl at Allens, some time since. James Dobson came very near engaging in a game of poker in which he might have been badly beaten. Luckily for him, the game did not go off. It was a real genuine "stove poker." Notice is hereby given that F. Cowher is raising a fine mustache; all persons are cautioned against using the same twist or color thereof; a disregard of this notice will be severely punished.

Runville.

Unwelcome wind. Benjamin Watson, of Snow Shoe, visited at John Walkers last week. Minnie Reasner returned home on last Thursday. Some of our citizens and jealous blacksmiths dispute the assertion of 95 shoes in two days; we can truthfully say it is a fact and can prove the assertion. When we are in dead earnest about a thing we will not flinch an inch. Mr. Heaton is a man that knows how to handle himself and tools and his work speaks for itself. And to make the assertion still stronger, he did not work from 6 till 6. Claud changed his course, he says the new dug road was too muddy. Protracted meeting is still in progress, with good success. Rev. Sherrick preached a very able sermon to a large congregation Sunday morning, and held communion services afterwards.

Snow Shoe.

Linen comes high at Bud's. Turkey red jerseys are in style behind the counters. January has borrowed a week of March weather. Rev. Faus was assisted in his revival, Friday evening, by Rev. Jackson of the Advent church. Mrs. Zindel is suffering from typhoid fever. It is feared her mind has been permanently deranged by the affliction. There must be some attraction up town. "Jimmie" is seen going in that direction pretty often. Jimmie is alright.

DOES THIS STRIKE YOU. Muddy complexion, Nauseating breath come from chronic constipation. Karl's Clover Root Tea is an absolute cure and has been sold for fifty years on an absolute guarantee. Price 25 cts. and 50 cts. For sale by Krumrine Bros., Bellefonte, Pa.

Linden Hall.

Squire Sellers is lying sick at the home of A. E. Meyers. Miss Lydia Brooks, of Pleasant Gap, visited her cousin for a few days. The I.O.O.F. lodge, of Boalsburg, held a banquet in the hall at that place on Thursday evening. The members from this place attended and all look as though they were well filled with good things. We noticed Mr. Weibly had his vest open on Sunday yet. J. W. Zeigler and wife returned home after a week's visit at Glen Iron. Anyone wishing to feast his eyes on a pretty and well-cared for flock of sheep can do so by viewing Clyde Wieland's. Mr. Wieland weighed a lamb at birth that weighed 16 pounds; that is sheep from beginning. Miss Bessie Searson attended a reception at the home of G. R. Roan, near Lemont on Thursday evening. Clyde A. Boyer, student in the P. R. R. office here, left for Montandon to-day, where he will complete his course. We are sorry to lose such a genial young man as Clyde, but as the office at that place has more to do than this one, we predict him success, as practice makes perfect. A corps of teachers attended institute at Centre Hall on Saturday. Chas. Schreffler will move to Pleasant Gap in the spring. Miss Cora Brooks will visit friends in Bellefonte and vicinity for an indefinite period. The Lemont scratch lost his equilibrium and fell all over the scribe. He referred to the winning card drawn by the blacksmith. We held that card for near a year, but the "statute of limitations" set in and we passed the deck to the rest of the players. He has a clean track. Now Mr. Scratch, will you be good? On last Friday evening Samuel Gingerich and wife entertained some of their many friends. Those from our quaint little village were Daisy and Cora Brooks of the Gap, who were visiting here, Jos. and Lee Brooks, W. Felding and the scribe. We all enjoyed the occasion, also the hospitality of this family. During the evening Day Brooks and W. Felding played a game of "parrot" that seemed to interest the corps of pleasure seekers and hosts. One cannot help but enjoy going to this home, as both Mr. and Mrs. Gingerich are so kind and pleasant.

Highvalley.

Jess Snyder commenced cutting props for John Frankbouser. George Eisenhuth took his last logs to the mill; William will start sawing on Monday. R. Billmeyer is busy fixing the saws for business. Quite a number of the young people of this place are attending big meetings at Coburn. The Georgetown correspondent asks his neighbor to give him the boundaries of Highvalley. My good old Dad must have forgotten that six months ago I gave the boundaries. Highvalley is located one mile southeast of Coburn. Coxe is the first farm of about 50 acres clear, next is J. Eisenhuth with 100 acres, next is Jess Snyder with 100 hundred acres, next is the peach orchard of about 30 acres, next is Samuel Alter with about 25 acres clear, then comes Ulrich with 10 or 12 acres, next Ira Snyder with 50 acres, next is widow Stivers with 20 acres, next John Stoner with 100 acres and next is the old Martin homestead, which is the end of Highvalley. Now, good neighbor, it was a mistake about the sun shining in Georgetown on Christmas Day, as the sun only shines in Georgetown during the months of June and July. I understand you mentioned was used at Drum fort fight, if so, let me hear. The Highvalley people don't steal; no jail birds, no township bummers, and no bull frogs to keep them from sleep at night. I have often wondered where Georgetown was; it must be located south of the first bridge that crosses Penns Creek as nobody will know anything of it, but Drum Station is known as a fighting place.

Roland.

Harvey Sager, of Greenwood, is doing the coaling for H. R. Curtin. Blanche was disappointed on Friday because Oscar did not come to visit the school. "Vince Sharp is no longer a boy. "Sully" says he is going to be Furst. Jerre Glenn, of Howard, was seen in our town in the early part of last week. Charles L., comes to town, rain or shine. "Patty" says, if he can't farm for Joe Leathers, he can go to State College. Mr. Laird, of Altoona, is visiting at Austin Walkers. William Barger is very sick with sore throat. Ed. and Or Bryan have again taken up their positions in the band. Band meeting on Saturday night did not suit Chester very well; wonder why? Robert Barnhart is very much crippled up with rheumatism. Frank Smith, of Milesburg, spent Sunday with his fair one. Clair is the most sporty guy in town. Mrs. H. L. Barnhart is very sick at this writing. Velts thinks that it would be nice to live in Snow Shoe.

Lemont.

A young man from Milesburg has a girl at Roland and goes home once a week to see his mamma. Mrs. Weaver and daughter, of Pleasant Gap, visited at the home of Wm. Wasson on Sunday. On account of the heavy rains last week some of the people were afraid that they would have to move out of their houses, for the creek was very full of water, ice and debris. William Wantz was boss fisher last Saturday. Logan Long, of Bellefonte, spent Sunday with his friend Charles Schultz. ROLAND NO. 2. Mrs. Jerre Glenn and family, of Howard, spent a few days this week at the home of J. M. Parker. Mrs. Lawrence Bathurst, who has been seriously ill with pneumonia for some time, we are sorry to say is not much better at present. Mrs. Garbrick, Mrs. Weaver and daughter Freda, visited Mrs. Wasson over Sunday. William Hensyl was seen in our town on Monday. Girls, did you attend the feast given by the boys on Tuesday? Frederick Curtin who has just recently returned from Scotland, O. S., has secured a position with Jenkins and Lingie, of Bellefonte.

Kreamerville.

Mrs. Gates Kenly, of Spring Mills, who had been visiting her mother here, returned home on Saturday. There will be quite a bit of moving going on this spring; we will report later on it. Abraham Brindle moved about 3 miles east of this place. Constable G. B. Winters was to Bellefonte, Monday, to make his quarterly report. E. C. Winters left for Philadelphia last week where he expects to secure employment. A butcher must be hard up if he writes a danner and sends to his customer for zoc, when in reality the customers only owes 18c of it.

HOW IS YOUR WIFE?

Has she lost her beauty? If so, Constipation, indigestion and headache are the principal causes. Karl's Clover Root Tea has cured these ills for half a century. Price 25 cts. and 50 cts. Money refunded if results are not satisfactory. For sale by Krumrine Bros., Bellefonte, Pa.

Zion.

Jacob Stine, our blacksmith, has been unable since last week to attend to all his customers, on account of an injury to his finger, caused by a piece of steel penetrating it. W. M. Miller assisted him several days in his work. Miss Olie Garbrick is staying with Mrs. J. G. Rover to do her housework. Mrs. Rover has been unable to work for quite awhile. She is improving at this writing. The infant child of Mr. and Mrs. C. Bumgardner was buried on Monday. A surprise party was held at Samuel Decker's last Thursday evening. It was his birthday and they all enjoyed themselves eating oysters, ice cream and cake. Mrs. Henry Twitmyer, of Pleasant Gap, was visiting at Samuel Decker's and called on some of her old friends while here. Isaac Bickel, who has been confined to his bed for ten weeks with typhoid fever, is not improving very fast. On Friday afternoon Pomona Grange met at Zion. We were sorry to learn that Christ Decker did not get any farther than the steps at the grange hall. Mr. Decker is quite an orator, but when he got there his courage failed him to think of standing before a large audience delivering an address. His nerves were all shattered. At this writing he is rapidly improving. A number of young people from Bellefonte, drove out to spend the evening at Mrs. Julia Showers in a carry-all, or what you might call it, at least it carried all of them. Wonder if that is the latest style. They all enjoyed the evening and had refreshments in abundance.

Fiedler.

Mike says he has a good reason to be sleepy. Theodore is trying to prevent "aisle" fever. Mrs. G. B. Stover and Mrs. Thomas Stover are on the sick list. Wm. Wolf's stove mill is here, and will soon be ready to turn out staves in large quantities. Nathaniel Boob and Minnie Hosterman, of Hartleton, were here attending the funeral of Mrs. Wolf. Mrs. Adam Yearick, of Madisonburg, is at present visiting her brother, G. B. Stover. Reuben Stover and wife, of Kreamerville, were pleasant visitors at the residence of E. M. Boone. J. W. Stover and wife, of Millheim, and C. H. Stover and wife, of Aaronsburg, Sandaved at G. B. Stover's. Minnie and Elsie were disappointed on Saturday evening on account of the rain, but expect company from Woodward the latter part of this week, regardless of the weather.

Fillmore.

We are having fine weather. Our sick list: Mrs. Joseph Tressler, E. H. Marshall, Mrs. William Brenon; we hope for their speedy recovery. If you want to know what makes John B. Rocky and E. H. Marshall look so pleasant, just ask them. They are grandpas now. A certain man was seen sitting at the window, rocking the baby singing "A charge to keep I have, a boy to glorify." John McAlarney, of Altoona, is visiting among friends here. S. Miles has gone away to work. John went to cut wood for his own accommodation, and Web is repairing some of the wrecked rocking chairs that were not built for two. Sheriff Brungart passed through our town on last Monday, on a business trip, but stopped long enough to shake hands with some of his friends. He saw the voters before the election and has not forgotten them since the election. In this place if a man does not blow his own horn, he will sell no fish; but some blow their horns if they don't sell fish.

Blanchard.

Democrat's CAUCUS:—The Democratic Caucus for North Precinct of Benner will be held on Friday evening, the 26th. All turn out and see that the right men are put on the ticket, and then there will be no kick coming afterwards, and saying that such and such a man should not have been on the ticket. Friday night is the time to decide this, not on election day. My motto is, "Live and let live," but there is a certain party in Buffalo Run valley who had better mind his P's and Q's; get license or stop the business that he has been in in the past. The right party is on to them at last; go slow. A permanent theatrical company that produces only funny plays is nothing but a laughing stock.

Walnut Grove.

News is scarce at present. John Long and Lee Swab, two of Linden Hall sports, made our school a visit one day last week. Miss Blanche Tressler will go to Linden Hall this winter, to clerk in F. E. Wieland's store. George Searson, one of Linden Hall's crack sportsman, recently killed a fox on Tussey mountain one day last week. Irvin Wensel and wife, of Beech Creek, attended church in this place on Sunday. Sherwood Welch returned to Johns-town on Monday, where he has been working the past two months. We know Sue is sorry, and F. is not. Minnie DeLong spent Saturday in Lock Haven. The new sawmill which came to our town last week, owned by Eaton & Swartz, will begin sawing lumber to-day, Thursday. James Packer, who has been very sick for a number of weeks, is improving rapidly, under the skillful treatment of Dr. Walter Kartz, of Howard. J. D. Brickley is again seen on our streets. William Bowes, of Blanchard, spent Monday in this place. Alfred Brickley, of Cleveland, Ohio, is spending the winter with his brother, J. D. Brickley, of this place. Runkle, of Hublersburg, delivered a fine sermon in the Reformed church, Sunday afternoon. C. F. Robb spent Friday evening at Walker. Mr. Hassenplug passed through our town on Thursday. The invited guests were Misses Emma and Lizzie Robb, Misses Blanch and Effie Wensel, Miss Mabel Singer, Miss Wasson, of Johnsburg; Alfred Brickley, of Cleveland, Ohio; Samuel Robb and D. E. Robb. Miss Wasson rendered some very fine music on the organ.

SAVE THE BOY.

As we walk along the streets in our small towns and frequently in large cities, we are forcibly impressed with vast crowds of boys, which literally line up like a regiment, on dress parade, or waiting for morning inspection, at every crossing or street corner of any importance. The question which has repeatedly presented itself to my mind is, why are these boys not at home? Then as we leave the crowded thoroughfares, and get back where are located the homes of many of the boys who are spending night after night standing about the streets, our wonderment only increases, and the question becomes more enveloped in mystery. Those stately homes loom up in all their artistic grandeur, which are in themselves everything that money can make them. Glancing in through the windows our eyes rest upon the scene, and we are completely carried away by the irresistible beauty and splendor of the elegantly furnished apartments, which are so alluring that we are tempted to stop and gaze at the bewitching scene. In this picture we look upon the home which is God's best earthly gift to us. Everything possible should be done to make the home the endearing and pleasant place in the world. Right here lies the means of saving the boy's. If they can, by the loving environments, be kept within the sweet realm of the home, no fears need be entertained of their safety; no sleepless nights for the anxious mother over her boy who is up all the sweet confidences and pleasant intercourse with father and mother and with brother and sisters for the sake of an outside life, however attractive. Nothing can take their places; nor can the loss of anything else make such a desert of our lives. Then, too, shall we give up our hours for reading and quiet meditation—the very food by which we grow mentally and spiritually? Let us cherish the home. We are greatly influenced by circumstances; in fact, it has been said, we are creatures of circumstances, thus it is, explained why country boys take to the home as a place to spend their evenings, and in after life continue it, the to happiness of their loved ones.

Danger Signals!

Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest? Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself? If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?" Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.

Scott's Emulsion

prevents consumption and hosts of other diseases which attack the weak and those with poor blood. SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions. See and buy, all druggists. SCOTT & BOWNE, Chemists, New York
