The following story is going of one of the ministers of this town, who is extremely courageous in a theological controversy, and who carries a chip on his shoulder for every one who may doubt his dogmas and creeds: A young girl, who was at the point of death, and had a diphtheritic ailment, made the request to have this minister with her as her spiritual adviser. THREE MEN KILLED.

Bad Railroad Wreck North of Snow Shoe This Thursday Morning.

This morning at about 8 o'clock a bad bad railroad wreck occurred near Snow Shoe, resulting in the death of three men and one being severely injured.

A coal train was running on the Grauer branch, on the Pa. R. R. lines. Owing to the frost deranging the track some, the rails spread and the engine went down over a steep bank.

A. C. Round, the engineer, was fortunate in being able to leap in time, but was badly injured. Harry Temple, the fireman, Cal. Temple, a brakeman and Al. Beamer, the engine hostler, were buried under the wreckage and are dead. Beamer's body is the only one visible.

Harry Temple, is a son of Wm. Temple, of Snow Shoe. Cal. Temple recently resided in Bellefonte now of Snow Shoe and was recently married. Al. Beamer's home is at Dick Station, near Tyone, and is a young man unmarried. The injuries of Engineer Round are not considered dangerous.

LATER:—Wreck was caused by broken rail. Only an engine was running.

We wish to thank our friends at Snow Shoe for promptness in furnishing news.

Elopers Caught.

Several times Collins Garret left his wife and daughter, at this place, and went away with Mrs. Bathurst. Once he took a considerable sum of money. Two weeks ago this couple made their third trip. Last Saturday Mrs. Garret received a telegram from her husband to meet him at Tyone. Instead she sent Detective J. W. Rightour with a warrant who captured the man at Tyone and then succeeded in locating the woman at Altoona and both were finally returned to Bellefonte and put in jail.

Strange to say Mrs. Garret withdrew her charge against her husband and he was released, and again is free. It truly is unfortunate that some officer or citizen does not take up the matter and have this shameless, worthless chap prosecuted for such infamous conduct. He should be run out of the town on a rail.

Trout Season Begins April 16.

The act of assembly approved June 11, 1895, provides that trout can only be caught between April 15 and July 15. Trout season therefore opens on April 15. This year the 15th of April falls on Sunday. The act of assembly approved June 3, 1878, strictly forbids fishing on Sunday under a penalty of twenty-five dollars fine. The trout season this year, for this reason will open Monday, April 16; make a note of this fact and paste it in your hat.

Can't Have the Job.

The director of the census has ordered that no assessor, tax collector or justice of the peace shall be appointed as an enumerator. He has also directed that the names of the enumerators be withheld from publication. This is done for the protection of the enumerators from the flood of advertisements with which they would be afflicted if their names should be made public. They would be solicited to become agent for all kinds of patent medicines, farming implements, etc., and this would interfere with their work.

New Firm in Charge.

Last week the new mercantile firm, Meyer & Musser, took possession of the old Wolf store stand, at Centre Hall.
