No less renowned than war," said Milton, and now, in the Spring, is the time to get a peaceful victory over the impurities which have been accumulating in the blood during Winter's hearty eating. The banner of peace is borne aloft

by Hood's Sarsaparilla. It brings rest and comfort to the weary body racked by pains of all sorts and kinds. Its beneficial effects prove it to be the great specific to be relied upon

for victory. Hood's never disappoints. Scrofula — "Running scrofula sores made me shunned by neighbors. Medical treatment failed. A relative urged me to try Hood's Sarsaparilla. Did so and in few months the sores completely healed." Mrs. J. M. Hatch, Etna, N. H. Catarrh-"Disagreeable catarrhal drop-

pings in my throat made me nervous and dizzy. My liver was torpid. Hood's Sarsaparilla corrected both troubles. My health is very good." Mrs. ELVIRA J. SMILEY, 171 Main St., Auburn, Maine. Tumors -" A tumor as big as a large marble came under my tongue and instead of letting my physician operate on it, I used my favorite spring tonic, Hood's Sarsaparilla. The bunch soon disappeared."
