#### Aaronsburg.

Miss Mame Wolf, one of Rebersburg's ber friend Hettie Smull over Sunday:

Mr. and Mrs. Thos. Rote, of Ill, were called to the burg to see Mr. Rote's brother, Daniel, who is lying seriously ill at his home, on West Main street.

Miss Alma Stein, of Zion, is tarrying a lew days at the residence of Clymer

Miss Julia Bower is spending a few weeks in Loganton, as guest of her aged Mrs. Grundy and Mrs. Brown, of

Lewistown, are visiting at the Reformed parsonage. The latter lady is Rev. Brown's aged mother. The band festival, which was held on

Saturday evening, was a grand success. It was one of the best festivals that the boys ever had-hope they may soon have another. Mr. and Mrs. Oliver Wolfe, of Wolfes

father, H. H. Weaver. Miss Margaret Foster, of Harrisburg, is paying her annual visit to Mrs. F. J Foster.

Store, spent Saturday with Mrs. Wolfe's

Miss Edna Marie Weaver tarried a hw days with her grand-pa, on East Main street.

Miss Henrietta Kline and Agnes Whitman spent Sunday with friends at

Mr. and Mrs. Irvin, of Union Co., spent a few days at the residence of

lacob Wyles. Philip Ireys, of Warren Pa., is spending his summer vacation with his uncle. Dr. C. S. Musser.

The school board has elected the following teachers for our town schools, Prof. S. M. Weber, principal; Ervin R. Wolfe, intermediate; and Miss Cordelia Acker, for the primary room.

### Loganton.

D. M. Morris has a force of carpenters at work remodeling and repairing his house on Water street.

The stone crusher has been doing some very good work at repairing roads this sammer and is still at it.

Blias Zellers is now confined to his bed with kidney trouble and rheuma-He has been sick all summer. Dr. J. A. Houtz is so much improved

from his recent sickness that he is able wask up a short time every day now. There is an epidemic of measles among

the children of this town at present, but no fatal cases have thus far been reported,

Edgar Holt, of Northumberland, is yow shipping some very fine white pine timber in the shape of spars. One whole tree cut and peeled 75 feet long. These scors are taken to Mill Hall and shipped direct to New York where they are put on board vessels and shipped direct to Germany. Cyrus Bixler is doing the hauling with five teams.

FIRST CAR RIDE :- Mrs. Daniel Kerstetter, of this place, is aged 82 years, and Monday enjoyed her first ride in the cars. Accompanied by her daughter, Mrs. Ohl of Loganton, Mrs. Karstetter went to Renovo to visit friends.

#### Potters Mills.

Miss Laurine Faust has recovered from a spell of sickness; glad to see her out again.

Frank Royer has moved back to our town again.

Miss Kate Hewes, of Bellefonte, is visiting friends in this place.

Quite a number of our men that workad for E. M. Huyett, have quit and gone work for Culp's, in Mifflin county.

C. M. Smetzler has returned home

from a trip in Illinois, where he expects to buy a farm in the near future. One of our wheelmen went to a festival and his wheel took the wrong track. He

went back the next evening to see the track his wheel took.

Thomas B. Hutchison, of Williamsport, Sundayed with his aunt, Mrs. Carson. Our energetic merchant, F. A. Carson, has just received a large line of new goods and at a very low price. Come and see how cheap you can buy.

#### Port Matilda.

Saturday June 16th was an eventful day at the home of Mrs. Elizabeth Mc-Monigal, residing near Mount Pleasant, it being her 50th birthday, her children conceived the idea of surprising their mother with a birthday gathering which idea was successfully carried out. Much credit is due her daughters, Mattie and Annie, who spared neither labor nor expense in getting up a sumptuous dinner for the large gathering of friends and neighbors who gathered to make the occasion a bright and pleasant one. Many and useful were the presents given to Mrs. McMongal, which she received with thankfullness. To make it more attractive, a photographer from Tyrone was present to take a view of the Mrs. and her welcome visitors. We are able to note the names of a portion of those present: Jerre Sharer, wife and daughter, Miss Dora; Henry Melcher, wife and daughter, Miss Lula; Rev. Newell, wife and daughter, Port Matilda; Alvin McMonigal and wife, Blandsburg; Mod Laird and wife, Retort; James McMonigal and wife, Isaac Sharer and William McMonigal, Mc-Cartney; A. Holtzinger, Tyrone; Charles McMonigal, Blandsburg; Mrs. Alice Burns, California Hollow; Mrs. Jerre Dixon, Mrs. Annie Gilson, Blandsburg; Mrs. Sarah Garber, Mrs. Frank Weaver, Mrs. Susan Miller, Mattie McMonigal, Mrs. Clara Wilson, Mrs. Media Homan, Mrs. Polly Orwig, Mrs. Emma Cowher, Mrs. William Moore, Mrs. Mary Frantz. R's the New Baliste, combining extreme | G. M. Marks, Samuel Cowher, Oscar lightness, close smooth set to figure and Johnson, John Robinson, Edward Orwig and about to grand children all of whom had a most enjoyable time during the

WEDDING BELLS:-This time they ring in Port Matilda. On June 14, 1900, at the bride's home. P. B. Woodring and Miss Harriet Ellen Crain, daughter of W. G. L. Crain, were united in marriage by Rev. E. S. Latshaw, pastor of the M. E. church. Promptly at 3 p. m., the wedding couple entered the parlor which had been beautifully decorated for the occasion. The minister stood beneath an arch of daisies and fern after answering the questions "for better, or worse" etc., the minister pronounced them "one." The bride was attired in a beautiful white dress of Persian lawn, trimmed with lace and ribbon; the groom wore the conventional black. Immediately after the ceremony the handsome young ladies, tarried with guests repaired to the dining room where a table laden with good things awaitand on Saturday evening she took in the ed them. We cannot describe that band festival, and the rest Walter can table, suffice to sav it was filled to overflowing with an endless variety of meats, vegetables, cakes, fruits and everything necessary to satisfy the inner man. One hundred and five guests were present. Among those from a distance were the following: Mrs. Ellen Woodring, Milesburg; the Misses Lewis, Dix Station; John Gray and wife, Stormstown; Mrs. Henry, Budd Thompson, Martha; Aaron Kelley and sister, Philipsburg; Daniel Smith and wife, Houtzdale; Zane Woodring and wife, Tyrone; Frank Woodring and wife, Tyrone; Miss Renova Miles, Philipsburg; Robert Her-man and sister, Lemont. The bride was the recipient of many useful and valuable presents, consisting of china. silver, glass, linen, etc. Amld a shower of rice and the best wishes of their many friends, the happy couple left on the to train for a short wedding tour after which they will make Philipsburg their

#### Pleasant Gap.

The prospects are that the hay will be very poor throughout this section. Miss Annie Corl and Miss Mabel

Saumgardner are visiting at Linden Hall, at present. Miss Mame Miller, of Bellefonte, is visiting her brother, A. J. Miller, of this

Charles Bilger and George Homer will manage Mr. McNitt's stave mill for the present; the former manager being Elmer Snook. They expect to do a big

The potato bugs have got quite numerous at this place.

We wish to say a good word for our new architect, "Petey," who drew the plans for the grand opera house, by our station. Hurrah for Pete.

Dr. Parks and mother, of Centre Hall,

were visiting old acquaintances at this place Sunday. Now all you axe swingers call on Tom Boal, of Peru; he wants to talk to you.

Pearl Gates is teaching music. She is getting along fine.

Mrs. Thomas Neff, who has been sick for so long, is improving very rapidly. Mrs. Sarah Leathers is improving. We all hope for her recovery.

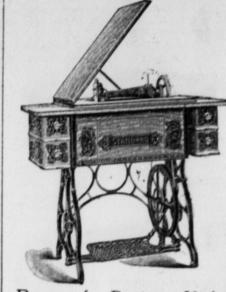

Katie Fravel is working at Thomas Neff's, for a few weeks. It is strange that the Snow Shoe scribe

had to come all the way to Mt. Eagle to find out the invigorating, stimulating, resuscitating qualities of beef tea. But, of course, no one but a trained nurse can give explicit directions in the making of it. Humph! bafe tay.

Information for School Boards.

Smooth lightning rod salesmen are working school boards and selling charts. such as the so-called new education, and prices obtained for such charts vary from \$7.50 to \$60 per set. The school board that pays \$60 gets the same thing as the one that pays \$7.50. Prices are governed by the greenness of the school board. Side payments or drafts for getting signatures run high in most cases. The cost of charts to salesmen averages from \$3 to \$4 per set. Thousands have been sold at retail for less than \$10 per set. In 10,000 set lots such charts are made at \$2 per set.

## The Standard Sewing Machine.

### Every Mechanic

Will vouch for the superiority of Rotary over Vibrating Shuttle Machines. You will only require one in this life. It will outlast any homan frame.

### Every Standard

Rotary makes both Lock and Chain

Reasons for Buying a High Speed "Standard" Rotary Shuttle Two-in-One Sewing Machine. Makes 176 Stitches While Others Make 100.

I The "Standard" Rotary has the biggest bobbin of any lock stitch machine.

Holds 100 yards of No 80 cotton Bobbin more quickly wound.

3 The first Stitch perfect without holding ends of threads.

4 The tension is released when taking out the goods.

5 The finest goods are not drawn or puckered.

6 Less noise than any other machine. 7 RUNS 75 PER CENT. LIGHTER THAN OLD STLYE MACHINES.

8 Is the most rapid sewer-makes two motions of the treadle to three of other machines in sewing the same length seam,

Tension not changed by change of speed, size of thread, thickness of goods nor length of stitch-what other machine can do as much?

10 Most elastic stitch. Thread does not break when seam is stretched. 11 Does not break thread when machine is run backwards.

12 The "Standard" Rotary Needle dips only once when making a stitch-old style shuttle needles dip twice-hence that much more strain and wear.

The "Standard" Rotary Shuttle never stops when the machine is in operation. Old style shuttles start and stop twice to each stitch. Just think of the extra strain and wear that this makes! The "Standard" Rotary Shuttle moves onward continuously without a jar.

14 Shortest needle used in lock-stitch machines-therefore less liable to bend and skip stitches.

16 Owing to the construction of the shuttle and race, the point of the shuttle always comes in proper relation to the loop, hence almost absolute freedom from stitch skipping. 16 Shuttle so constructed that it cannot hit the needle-hence no broken

needles from this cause. 17 Protection and packing of needle bar and construction of take-up and feed

make less liability to oil goods than in other machines. 18 The face plate can be taken off by a thumb-screw, thus enabling the operator to clean and oil the parts without displacing any of them. 19 Feed motions all positive-no springs used-hence machine will feed over

all thicknesses of goods and seam without "chewing" the cloth, no matter what the length of stitch. 20 Will wear twice as long as other lock-stitch machines. 21 Every part is independent of every other part, and can be replaced at a

trifling cost. Therefore you can keep a "Standard" Rotary practically 22 Bran new set of attachments, self adjusting, and fastened to the presser bar

in place of the foot. 23 Stand wheel and treadle run on adjustable steel points, which insures the easiest, smoothest bearings known to mechanics, and the wear is for a

24 Bent woodwork of the finest construction and finish known to art. 25 Automatic keyless drawer and cover locks, peculiar to the "Standard."
