He keeps his stock a moving right along, and is up to date with the season's demands. His advertisement appears on page 4 of this \$102. issue; look for it.

BOUND OVER FOR COURT.

Several weeks ago we gave an account of an attempt to waylay merchant John Haugh and his son at Scotia. Two shots were fired at them while on their way home from the store at night, one of which took effect in the son's shoulder and the other pierced the man's coat. Since then an attempt has been made to locate the offender. It appears that private parties in that section secured the assistance of a detective from Pittsburg who was a colored gentlemen, as \$155. some colored persons in that locality were suspected of the crime. The detective had a clue implicating a young colored man of that vicinity who was seen near the store the night the shot its appearance in the Miles township was fired and went in the direction corn fields and the application of salt where the deed was committed. Furnace Shut Down.

After a very successful run of almost a year, the Bellefonte Furnace shut down last Saturday for the purpose of making needed repairs. The ore banks at Scotia, and other points, have also closed down. As soon as the furnace has cooled sufficiently work will be commenced for tearing out the brick lining and replacing terior of the furnace will be remodeled vent church cemetery. and enlarged so as to increase its capacity at least 25 per cent. It will take from ment was erected in the Catholic ceme- propose to give the employees the usual six weeks to two months to make these epairs and the work will be continuous, night and day, so as to have as little interuption as possible.

Under Supt. Gephart's direction this furnace has been a success. It is intimated that an effort is being made to operate both furnaces, at this place, under one management.

The company expect to put about \$35,000 in improvements and repairs. At least one-half will be required to defray the expense of relining the furnace which will take a small army of workmen at least six weeks to complete. For this work 200,000 fire brick will be used. As far as possible the company have provided employment for their people and very few will be idle while the furnace is shut down.

Driving Association.

The Bellefonte Driving association has sent out entry blanks for their first races to be held on the new race course on the agricultural fair grounds here July 25 and 26 in connection with the Centre county Centennial. The opening races will be in the manner of a speed program, owing to their being the first held on the track, and will include the following: July 25-2:50 class, trotting or pacing, prize \$250; 2:25 class, trotting or pacing, prize \$300; running race, best two in three half mile heats, prize \$150. July 26-2:37 class, trotting or pacing, prize \$250; 2:15 class, trotting or pacing, prize \$300; running race, prize \$150. In addition a special race will be run on this day for a prize of \$100, making in all a total of \$1,500 in prizes for the two days.

There is much work to be done on the ground and it will require an unusually strong force of men to make it in shape for this event.
