Just a chance meeting in the rain and so many things to talk about. That means wet feet and a neglected cold. Then comes the hacking, lingering cough, and the doctor looks serious and talks of pine woods or mountain air.

That is the time when Dr. Pierce's Golden Medical Discovery proves its value. It has cured hundreds of cases of "weak lungs," obstinate, lingering cough, bronchitis, spitting of blood, and other forms of disease, which if neglected or unskillfully treated lead to consumption. There is no alcohol in "Golden Medical Discovery," and it is entirely free from opium, cocaine, and all other narcotics. When you ask your dealer for "Golden Medical Discovery," do not be deluded into accepting a substitute. The dealer's "just as good" carries no weight beside the thousands of cures performed by Dr. Pierce's Golden Medical Discovery. Accept nothing in its place.
