Kreamerville.

Mrs. H. H. Royer and mother spent a pleasant day in Penns valley at the old home, one day last week.

We now can boast of a new industry in this town, which turns out to be a blacksmith shop, with H. K. Small. He is one of our industrious young men and we hope the people of this surrounding community will give him their liberal patronage.

W. J. Bierly, our cigar manufacturer, has moved his factory into the rooms of S. A. Walizer, in the central part of town. He will now sell his goods at retail, as well as wholesale. Let him be well patronized.

Mrs. Bertha Solt is still lingering with inflammatory rheumatism.

The members of the Epworth League, of this place, spent Thursday of last week at Spring Mills, attending the Epworth League Rally, held there. All report a good time, if the quality of water will not be considered, as it happened to be Rhinestone, and made some very unpleasant feelings; all went away feeling that the day service was a benefit to all.

Mr. and Mrs. Israel Rachau, of Clintondale, spent Sunday with friends in town. Chickens wanted by H. H. Stover, every week. We pay you spot cash, no trading old goods, but solid silver dollars.

A little child of Geo. Miller's swallowed a piece of glass a few days ago. Dr. Musser was called and he succeeded in removing same without very much trouble.

L. A. Miller left Monday morning for Smithtown, where he will take charge of a school, for the ensuing winter. Our town was represented very well with that race, commonly called Negroes. Our merchant G. B. Waite furnished them with a very cordial repast, being a very extra supper on Monday evening; after supper the darkeys furnished them with some vocal selections. It seemed as though the people had never seen any colored people before, and we were amused to see some, with deep frowns on their countenances, and others who were so opposed to negro camping, leading the columns to hear and see the black skins. When Mr. Waite makes a feast for the white people, we will then be in the swim. Nit.

Highvalley.

Scribe No 1 did not come out last week, and we can't do with out the news, so I will try and give you some items.

Scribe No 1 was busy last Saturday burning his new ground as he intends to sow wheat this year, as he believes this will be a good year for wheat. He says it is always a good sign when a democratic president will occupy the white house.

Ira Snyder threshed 600 oats sheaves and got 68 bushels of clean oats; he now also believes this to be a good year for grain, but his potatoes did not turn out so well.

Samuel Alters claims he threshed 5 bushels of wheat to the hundred. Sell is quite, Sam.

It is rumored that Henry Eisenhute bought the stove mill from John Stoner. Our young folks where all at the dance, on Saturday night, at Penn Hall.

Some of the farmers feed some of their cattle, not on account of poor pasture, but Highvalley is a good place to raise stock, but Ingley and Kankeltown will beat it.

The Coburn Scribe is holding his gas back. He thinks gas will be better after November the 6. I can't tell, but one thing is sure Jacks will be cheaper as the hay is high, and those that dont

need them will sell cheap just to save the feed.

A vagrant claims that Scribe No. 1 is killing twenty Democratic votes in Highvalley. Dont be alarmed, the No 1 Scribe knows his business. There is not a better Democrat in Highvalley and all the enemies he has are the Kankeltowners.

John Galer lost a valuable horse last Thursday, sorry for him.

If rain dont soon come the wells in Highvalley will go dry. Never happened before. Uncle Abe says his well is so low that he have to dip the water with a tea cup and it is boiling hot.

Millheim.

The United Evangelical Association had a Bible reading convention here this week. The attendance was fair, mostly preachers.

There was quite an excitement at the colored camping here on Sunday evening and Monday. A mother-in-law, in male attire, young couple and a single woman were the prominent characters. A warrant was taken out for the offenders; the woman gave bail but the young man skipped out.

The Reed horse sale was fairly well attended, the average price was \$72.

J. H. Reifsnnyder, Esq., received a car load of tight barrels, and he can supply parties in need of cider barrels.

Mr. and Mrs. A. A. Miller, of State College, spent several days with relatives and friends last week.

A party of young ladies and gents, of of Bellefonte, registered at the Musser house on Monday. They traveled on horse-back and went to Millisburg on Tuesday.

Mrs. W. W. Boal and daughter Grace, spent Sunday with her mother.

Sheriff Brungart had business at this end of the county on Saturday.

T. C. Smith and John DeHaas, of Beech Creek, attended the horse sale on Saturday.

Mr. and Mrs. William Kreamer are in attendance at the Lycoming Co. fair, at Williamsport this week.

Dr. J. P. Harter and wife are visitors in town this week.

W. R. Weiser had several funerals this week.

Rev. Gearhart conducted Harvest Home services in the Lutheran church Sunday.

S. H. Diehl and John Rote, of Bellefonte, were looking up the political fences at this end of the county last week. There don't seem to be any compromise among the republicans in this end of the county.

Michael Shires the bustling insurance agent of Spring Mills, attended to business here this week.

W. H. Harrison and wife, accompanied by Mr. and Miss Shott, drove to Bellefonte Sunday.

The potatoes are about all raised, and the yield is a scant half crop.

Mr. and Mrs. Charles Passler, of Freeburg, are visiting with the lady's parents, J. Spigelmyer's.

J. H. Reifsnnyder and S. K. Faust made a business trip to Lock Haven, this week.

Harry Kister and Miss Mary Hartman spent Sunday at Freeburg.

Mrs. John Toner, from Philadelphia, is visiting her mother, Mrs. Rebecca Musser, at the Musser House.

Thomas Buck, of Lewisburg, and Miss Ida Thomas, of York, are visitors at the Evangelical parsonage this week.

Jacob Stamm, of Loganton, is visiting his sister, Mrs. Elizabeth Henney, on West Main St.

Miss Bertha Houseman went to Philadelphia last week.

Mt. Eagle.

Mt. Eagle also has a Billy (goat.)

R. C. Leathers supplied the town with hard coal for the winter.

We are glad to report that Albert Aikey is improving wonderfully in health and his many friends hope to see him soon able to resume his work.

The political campaign has now fully opened in our city and with such able men as Judge Riley and Hon. J. C. Dunkle to uphold the principles of W. J. Bryan we can not help but show great democratic gains at the fall election.

Mt Eagle, although seemingly dead, can boast of sending out more sightseers than any other village of its size in the county.

Mr. and Mrs. Franklin Dietz and son, and Mr. and Mrs. S. C. Bower are viewing the sights in the wild west.

Mr. and Mrs. W. T. Leathers, Mr. and Mrs. James Leathers and Mrs. Eliza Leathers and daughter Cora have taken a trip to Niagara Falls and neighboring points of interest.

Miss Florence Leathers returned to Lock Haven Normal on Monday. Miss Florence is entering her senior year and we hope to see her carry away the honors of her class.

Although England has produced such great poets as Byron, Shakespeare and Milton, whose masterminds penetrate the very depths of nature, yet we have a poet of unknown fame in our town whose soul pours forth in beautiful language the eulogy of an old yellow dog.

And the old folks went ahead and we young folks behind--is Willie's story.

No event happened lately in society circles that was pulled off with as great success as the lawn fete at Miss Holt's on last Friday night. The house is situated in a very picturesque place with the lawn slightly rolling, dotted here and there with beautiful trees and shrubbery, with all this the moon shone out bright and clear on the few merry-makers seated on the lawn which made a beautiful sight. The guests all seemed to be infatuated by the grandness of the scenery and enjoyed themselves in proportion. After luncheon the guests were favored by some very fine music by Misses Holt and Ness, after which the merry-makers returned to their homes having spent a delightful evening.

Family Reunion.

The fifth annual reunion of the Booth-Hosterman families will be held in the Woodward narrows on Saturday, Sept. 15th. This comprises one of the largest and best known families in that section.

Loganton.

The Loganton Journal furnishes the following:

Messrs Meixel, Coleman & Co. will soon finish erecting their boarding house near Carrol. The big saw mill is completed and ready to run any day. The contract for cutting the logs has been let to Theodore Martz. He will commence work in full blast Monday next.

Schenck Reunion.

The third reunion of the Schenck family was held on Thursday 6th in a grove near Howard. Upwards of four hundred of the descendants of Michael Schenck were present. A program of interesting exercises had been arranged for the day. Rev. Wharton delivered the address of welcome and a choir selected from the Schenck descendants sang a number of selections and the Howard Cornet band was present also.

Judge John G. Love in his oration referred to the Schencks as being among the early settlers of Bald Eagle valley; the Schenck and Pletcher families having moved into the valley in the fall 1705, and located on the farms now owned by them in the vicinity of Howard. Henry Pletcher, on account of services rendered during the Revolutionary war was given a grant of 400 acres of land in the vicinity of Howard on which his descendants reside and on which the town of Howard was built. Another address was delivered by Rev. Mr. Bair. Miss Grace Schenck sang a solo and two Sunday school classes rendered very pretty exercises. The dinner and supper were heartily partaken of, the visitors being well cared for.

During the day pictures were taken of the 3rd, 4th, 5th and 6th generations of the family.

The reunion exercises were presided over by David B. Schenck. The next reunion of the Schenck family will be held at the same place some time in Sept. 1902.

Niagara Falls Excursions.

September 20, October 4 and 18 are the remaining dates for the Pennsylvania Railroad Company's popular ten day excursion to Niagara Falls.

Round-trip tickets will be sold at \$10.00 from Philadelphia, \$5.75 from Williamsport; and at proportionate rates from other points and principal intermediate stations.

EXPANSION NOT IMPERIALISM.

The apologists for the administration's imperialistic policy are in the habit of quoting Thomas Jefferson freely. He was an expansionist, they say, and in adding Porto Rico and the Philippine islands to our domain President McKinley has only followed the example set by the great father of democracy when he made the Louisiana purchase and added the vast area which has developed into so many and such great states. What an insult to the memory of Thomas Jefferson is such a use of his name! It is the duty of every Democrat in the land to resent it.

Jefferson added to our domain contiguous territory and homogeneous populations. He discerned far in advance the growth of this country and adopted the safe and certain methods of accommodating the increased population. But he never favored the annexation of territory widely separated from our own land and inhabited by other races than such as might properly and safely be assimilated with our own. He never favored a policy, moreover, which would require the maintenance of a large standing army or an extensive navy to protect it from enemies abroad or foes at home.

There is a vast difference between expansion and imperialism. Jefferson favored one and abhorred the other, just as that matchless follower of Jefferson, William Jennings Bryan, does at present. Imperialism is not enlarging the boundaries of the country. There might be an empire built on territory half the size of Pennsylvania. Governing outside the constitution is imperialism, and governing subjects instead of citizens is the most odious form of imperialism. That is what the administration is attempting to do, and citing Jefferson to support such a policy is a crime against the memory of the father of democracy.

MOTHER MARY JONES.

The republicans, frightened at the dread consequences of a general strike in these "McKinley prosperous" times, have been charging the responsibility for the agitation in the anthracite coal fields to the democrats. This charge is denounced as false by Mother Mary Jones, who has achieved considerable prominence by the attitude she has assumed toward the miners. Mrs. Jones at Hazleton, under date of September 11th, gives expression to the following:

"The talk that Mr. Bryan and the democratic party are behind the strike movement is too absurd to discuss. It certainly came from republican source. The gatling guns that have shot down the boys have been those of the money power.

"I do not think that Mr. Bryan would sanction a strike of any kind, because I think he knows of the untold suffering a strike entails. Any one who is familiar with this suffering would certainly not use one for political purposes. The strike will come if the demands are not granted. This is unfortunate, but necessary.

"I have been through the homes of those affected and I repeat that the strike is necessary. The commonest needs of life are missing from these poor little homes.

"The appearance of the wives and mothers proves, too, the suffering. There will be no violence.

"I have been at many of the meetings at which organizations have been effected, and I want to say that I never saw a more orderly set of men in my life than these anthracite-workers.

"The talk of murder and drunkenness is absolutely untrue."

Vaccination not Mandatory.

The school directors and parents of this city will be interested in an opinion that was filed by Judge Fanning, at Towanda, Pa., Monday. It was in the case of the commonwealth vs. E. L. Smith, and states that the compulsory education law and the act requiring vaccination come into conflict. Smith decided to have his son vaccinated, and the boy was refused admission to the school. The school board brought a prosecution and recovered two dollars, the penalty for nonattendance.

Judge Fanning's opinion reverses this judgment, holding that the vaccination law is not mandatory, but optional, and that Smith did all the law required in sending his son to school, although he was refused admission. This is the first decision in the state where the two acts came into conflict.

Re-union of the 51st Regiment.

A reunion of the 51st Regiment, Pa., Vol., who served in the war of the Rebellion, will be held at Lewisburg, on Friday, Sept. 14. A number of noted and prominent speakers with state-wide reputation, will be present for the occasion. Linn Hartman, of Philadelphia, son of former Gov. Hartman, has already signified his intention of being present by accepting the invitation. The 51st Regiment was composed of two companies from Easton and Norristown, and four companies raised in Lewisburg, Millisburg, Bellefonte, and other parts of Union and Snyder counties.

Crushed Under Limestone.

Friday afternoon two truck cars of limestone got away going down the incline track from the quarries to the kilns at McCalmont & Co's. plant of this place. They ran over the dump, broke the bumper and plunged 25 feet to the ground below. George Potter Iddings, the brakeman, was carried over, and buried beneath the tons of stone and crushed badly, his death being instantaneous. He was 50 years old and is survived by a wife and three children.
