Chamberlain's Cough Remedy has a remarkable record. It has been in use for nearly thirty years, during which time many million bottles have been sold and used. It has been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Greens'

"Incurable" Heart Disease Soon Cured.

During the last two or three years very great improvement has been made in the reatment of diseases of the heart. Cases formerly considered incurable now readiyield to new remedies. The wellknown specialist in treating heart diseases, Franklin Miles, M. D., LL. B., of Chicago, will send \$2 50 worth of his new Special Treatment free to any of our afflicted readers.

This liberal offer is for the purpose of demonstrating the unusual curative powers of his new Treatment for heart troubles, such as short breath, pain in the side, oppression in the chest, irregular pulse, palpitation, smothering spells, puffing of the ankles or dropsy.

They are the result of twenty-five years of careful study, extensive research, and remarkable experience in treating diseases of the heart, stomach and nerves, which often complicate each case. The Treatments are prepared express
