IN CUPID'S REALM.

W. H. Wells and Jennie L. Mann, both of Howard, were united in marriage at the United Brethren parsonage on South Thomas street Thursday afternoon. They will make their future home at Martha Furnace.

KLOSSOM—KELLER.

R. Keller and Miss Mary Clossom, both of Tyrone, were united in marriage Saturday morning at 10 o'clock in the parlors of the Brockerhoff House by Rev. Wilford P. Shriner, of the Methodist church.

WAGNER—HAZEL.

Wednesday noon Miss Emma C. Wagner and George H. Hazel were married at the home of the bride's parents, Mr. and Mrs. Adam Wagner of this place, by Rev. A. A. Black, of the Reformed church at Boalsburg.

Caught by a Saw.

Monday W. A. Knofsinger an employe in Colver's stove mill at Centre Hall came into the Democrat office with his right hand in a sling. Whilst running a saw in the mill a stick of wood jumped out of place and caused his hand to come in contact with the swiftly revolving saw by which his thumb was cut half through and the first finger severely lacerated, which may cripple both thumb and finger. His injuries were dressed and are on a fair way to healing.

Board of Health Organized.

At a regular meeting of the Board of Directors of Spring school district, held March 16th, 1901, Dr. G. P. Harris, under directions of state board of health, organized said board as a board of health as follows: President, Wm. W. Hampton, of Bellefonte; sec'y., R. M. Kaup, of Axeman, thereby giving them full power to act.

Two Excellent Sermons.

Rev. Levan Bickel, of Bellefonte, delivered two very excellent sermons in Lock Haven Reformed church, last Sabbath. Although young in the ministry, Rev. Mr. Bickel has revealed a gratifying development in the unfolding of God's word and gives promise of attaining a high place in the ranks of his ministerial brethren, says the Clinton Democrat.

Houtzdale Sinking

Houtzdale has been said to be going down, in a business way, for a good while, and now one of its streets has begun to cave in, the result of mining pushed under the foundations of the town. It is feared that in time that once thriving town will be "out of sight."

—Miss Overton, one of the instructors in Bellefonte academy, has added to her educational work a course of instruction in the history of Centre county, for the pupils under her supervision. The Democrat cannot forego pronouncing this as most laudable in Miss Overton, and a move worthy of adoption by the teachers of our public schools. Centre county has a great and interesting history which has not received the attention it deserved hence so few have a knowledge of the interesting past of our county. This subject, in our county's educational halls, should be deemed of no less importance than the study of the history of outside states and nations. We trust the lady above named will be the successful pioneer in this line.

Opportunity for an Industry.

The following advertisement appears in the current issue of the Iron Age: "Wanted—Location for factory manufacturing tacks, small nails, staples, etc., using 1000 tons of steel per year; must have cheap fuel and shipping facilities; state advantages; address W. R. Robertson Steel & Iron Co., Cincinnati, Ohio." Here is a chance for Bellefonte's public spirited men to name this city as having all the requirements called for in the above adv. It does not appear from the notice that the party asks for land, bonus or subscriptions. Why not write them and show the advantages presented by Bellefonte?

Thought of His Mother.

At Renovo last Thursday Neal Donovan, to years old, was crossing the railroad track on an errand. He was run down by a freight engine, having both legs and arms cut off. He died a short time after.
