M. E. CHURCH RE-DEDICATION.

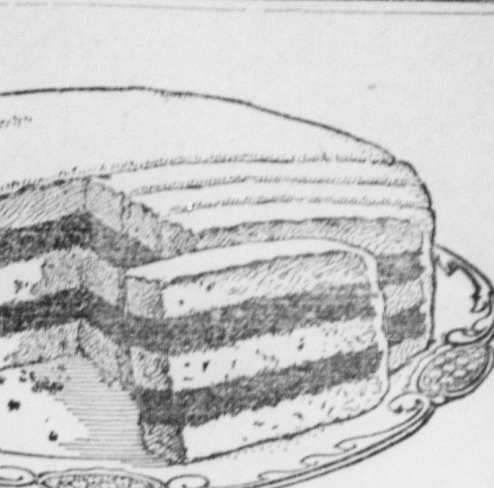

The members of the Methodist Episcopal church, of Bellefonte, are anxiously looking forward to the time when their house of worship, which has undergone extensive repairs during the past six months, will be reopened. To describe what has been done to the edifice in the line of improvements, is beyond the scope of this article. It truly has been remodeled and refurnished in a manner that is pleasing, and appropriate as the house of worship for such a large and influential congregation. Next Sunday morning, April 7th, the formal re-opening services will take place and an interesting program has been prepared for that and the balance of the week, from which the following extracts have been made: Sunday morning at 10 a. m.—sermon by Bishop C. H. Fowler, assisted by Rev. J. Ellis Bell, presiding elder and Dr. W. A. Spencer. Receiving the offerings will be conducted by J. W. Powell. The musical selections, in which the new pipe organ will be used for the first time, will be a rare treat. Afternoon—special Easter exercises will be held and short addresses will be made by some of the visitors, and special music will be rendered. Evening—sermon by Dr. W. A. Spencer, some choice sacred renditions and receiving offerings. Monday evening Bishop Fowler will deliver his famous lecture on "Abraham Lincoln," in the Court House. Admission 50 cents. 200 seats inside the bar, will be reserved at 25 cents additional. Can be had at Reese's grocery store. Tuesday evening, "Fraternal services," at the church, in which the different resident pastors of Bellefonte, will participate. Wednesday evening, "Platform meeting," with Hon. John G. Love presiding. Addresses by D. W. McCurdy, Esq., and ex-Governor D. H. Hastings. Thursday evening a grand organ recital in which some of the best talent in the state will assist. Friday evening, sermon by Rev. J. W. Hall, D. D. Sunday, April 14, Rev. E. J. Gray, president of Dickinson seminary, will deliver the sermon and in the evening they will have the pleasure of listening to Rev. Samuel Creighton. The pastor, Rev. Wilford P. Shriner, has certainly prepared a good program for the week's exercises and the celebration of their return to their former house of worship, which in fact is a temple consecrated to the Lord. Splendid Opening. If crowds and exclamations of appreciation tend bring an event into public favor, the millinery opening at The Globe could scarcely help being a decided success. This firm has this season, as in the past, been the first to display the latest creations in millinery, and merits the reputation in which it is held by the people of Bellefonte. The pressure of trade has already been so great this season in this department that they have been compelled to employ additional help in order to accomplish the volume of business. We were told by Mr. Katz that more hats were displayed and more sold than on any previous opening. We would say to all who have not seen their display, it would be time well spent, and the courteous attention bestowed can hardly fail to make you a customer of this department. Two Towns Go Dry. A bitter legal contest in the Blair County Court between the forces of the anti-Saloon League and the Knights of the Royal Arch, the hotel men's organization, over the granting of liquor licenses, ended Friday when the Court granted sixty-five licenses, held over and refused twelve applicants. The towns of Bellwood and Juniata go dry. The Court holds that the number of business failures among the hotel men warranted restriction rather than expansion of the number of licensed houses. Committee Meeting. The democratic county committee will meet in the arbitration room in the court house, Bellefonte, Pa., on Monday afternoon, April 22nd, 1901, at one o'clock sharp. The object of the meeting is to confirm the apportionment of delegates and to arrange for holding the democratic primaries. We would urge that every member of the committee be present, either in person or by a substitute. W. J. SINGER, JOHN J. BOWER, Sec'y. Chairman. Easter Services. There will be special services in the Lutheran church on Easter Sunday. The Holy Communion will be administered morning and evening and reception of members. Special and inspiring music at all these services. In the evening Eugene Wentzel will sing "The Resurrection." The order of Easter service by the Sunday School and congregation will connect with it the best musical program ever rendered in the church. Whisper It. After May 1 Williamsport will have dollar gas for fuel purposes. Fuel gas has been \$1.35 per thousand feet, with 10 cents off a thousand for prompt payment. After May 1 it will be \$1.10, with 10 cents off, making the net price \$1 a thousand. That is one point where Williamsport can beat us.

At this season the housekeeper must look specially after the baking powder. As she cannot make good cake with bad eggs, no more can she make cake that is light, delicious and dainty with inferior baking powder. Royal Baking Powder is indispensable for the preparation of the finest food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., which expert bakers say is unobtainable by the use of any other leaving agent.

There are cheap baking powders, made from alum, but they are exceedingly harmful to health. Their stringent and caustering qualities add a dangerous element to food.
