As a necessary precaution the town people kept their cellars and smoke houses locked during their stay. Among the citizens of Huston township who came to have the valuation of their farms increased or otherwise were, Ex-treasurer Jno. Q. Miles and Ex-sheriff W. M. Cronister. Jno. Q. said, "because I had to gather acorns in the fall to keep my hogs alive over winter, was no reason that they should reduce the valuation of my farm. It is just as good as Sheriff Cronister's. It is true" he said, "that the Sheriff raises more briars and mullen stalks to acre than I can, but I want you to understand my farm is as valuable as his and I want it raised so as to compare with Col. Reynolds' farm". The Sheriff brought a half pint potatoes along to show that he could beat John Q. raising other crops than mullen stalks. We believe both went home well satisfied with their adjustments and with the commissioners.
