life be a happy one. "But hush! hark! a deep sound strikes like a rising knell." It's the cry of "a fight! a fight!" James was going to slap the boy but "not for Joseph." Joe wouldn't have it that way Joe wouldn't have it that way,

hence the fight. We were going to say They fit and fit. And gouged and bit And struggled in the mud Until the ground Ten feet around Was spattered with their blood. A pile of noses, ears and eyes Reached half way up to the skies.

But they didn't. James got a stone about the size of a lump of chalk and threw it at Joe, cutting an ugly gash just below the ear, sending him to grass and then ran like a hero, evidently believing that, "He who fights and runs away will live to fight another day." And that's all there was of it.

We will devote this month to the cleaning up and Disposing of our Entire Stock of SPRING and SUMMER CLOTHING. Beginning to-day every garment in our establishment, Men's, Boys' or Children's, will be reduced in price to such an extent as to make buying simply irresistable. We are entering upon the closing month of by far the biggest season's business in the history of this store. Our immense business has naturally left us with considerable of what we call odds and ends, meaning one and two suits of a kind. These goods simply must be sold, original price, cost or profit will not be taken into consideration. They have got to be bundled up and taken out of this store regardless of their value. Should you be lucky enough to find yourself with one of these packages under your arm you can safely credit yourself with at least one-half of the amount you left with us. The saving will be greater than you expect. It will be so big that you will not have to be told of it a second time. We expect July 1st to find every Spring and Summer Suit in this big store sold.
