

CARNEGIE AGAIN KING.

Will Dominate the Affairs of the Big Steel Trust.

SCHWAB HIS REPRESENTATIVE.

The Headquarters of the Combine Will Be Removed From New York to the Carnegie Offices in Pittsburgh—To Absorb the Steel Hoop Company.

Youngstown, O., June 19.—Information reached here last night from a reliable source that at a meeting of the stockholders of the National Steel company to be held at East Orange, N. J., June 27, a prearranged plan to consolidate the National and the Carnegie Steel companies will be effected. After this meeting the officers of the National Steel company, which will then be known as the Carnegie company, will be removed to Pittsburgh and joined with those of the Carnegie company, all being under one management.

This explains why the plans which were practically closed for the removal of the national officers from New York to Youngstown were suddenly changed. It is evidently the policy of the United States Steel corporation to abolish all high salaried officials and have the affairs directed from the Carnegie offices in Pittsburgh. The manner in which matters are shaping themselves goes still farther in establishing the fact that Mr. Carnegie is still in control and is personally represented by Mr. Schwab.

In addition to the consolidation of the National Steel company with the Carnegie Steel company it is also understood that the identity of the Steel Hoop company is to be lost in that of the Carnegie Steel company after July 1. All contracts that shall have been made by the two companies by that time will be fulfilled by the Carnegie Steel company.

Within the last ten days the sales agents' office in Cleveland of the Carnegie Steel company and the Illinois Steel company, with other offices of the kind, have been consolidated, with one agent in charge. The indications point strongly to the domination of the United States Steel corporation by the Carnegie influences.

A WEST VIRGINIA AVALANCHE.

A Young Woman Killed and Her Mother Fatally Injured.

Keyser, W. Va., June 19.—An avalanche unparalleled in the West Virginia mountains occurred Monday night at Hopeville, Grant county, 38 miles from here. Great sections of the mountain side along the Potomac river for two miles rushed down into the beautiful valley. Thousands of tons of forest trees, immense rocks and earth came down and the home of Mrs. Anderson Ours, a widow, was completely wrecked. The 22-year-old daughter of Mrs. Ours was instantly killed and Mrs. Ours is in a dying condition. A little grandchild who was spending the night with Mrs. Ours was grabbed by her when the first warning came, but escape was impossible, and when found yesterday the grandmother was buried to her waist in the debris, holding the child in her arms above the chilly mud and stone, in which she was fastened so tightly that after many efforts neighbors found it necessary to literally pull the bruised body out, leaving her clothes buried. The child only will recover. Miss Ours' body was recovered.

Mine Workers in Convention.

Pottsville, Pa., June 19.—A convention of the United Mine Workers of America of District No. 8 was opened here yesterday, and is still in session. Over 128 locals, representing a membership of more than 40,000 miners, are represented at the convention. There were discussed at yesterday's sessions the restriction of the coal output of the district; inspection of employees' cards at the mines; the adoption of the flat rate of wages at some of the mines, or taking up the scale without percent age. Miss Emma Lamphere, of Galesburg, Ill., asked the support of the mine workers in securing for the retail clerks of the region shorter hours.

Molineux's Fight For Life.

Buffalo, June 19.—The final direct verbal plea for another chance before a jury for Roland B. Molineux, the alleged poisoner of Mrs. Katherine J. Adams and Henry C. Barnett, and the first half of the arraignment of the people in resistance were heard by the court of appeals yesterday. John G. Milburn, representing Molineux, spoke nearly two hours, and was succeeded by former United States Senator David B. Hill, whose argument in opposition lasted until court arose at 2 o'clock. Mr. Hill will close today, and with a brief reply for the appellant the case will be submitted to the court.

To Court Martial Navy Paymaster.

Washington, June 19.—The secretary of the navy has appointed a court martial for the trial of Paymaster John R. Martin, U. S. N., on the charge of "scandalous conduct tending to the destruction of good morals." What Paymaster Martin actually did was to advance to himself and a brother officer certain small sums of money, due on account of his own salary. The government lost nothing by this transaction.

DR. KENNEDY RELEASED.

Alleged Murderer of Dolly Reynolds Out on \$10,000 Bail.

New York, June 19.—Dr. Samuel J. Kennedy was released under \$10,000 bail yesterday afternoon. When Judge Newburger took his place on the bench District Attorney Philbin suggested that Dr. Kennedy be admitted to \$10,000 bail. Mr. Moore said that he thought the indictment ought to be quashed, but Judge Newburger said a motion to that effect would have to be made in another court. Mr. Moore then consented to the fixing of the bail at \$10,000 and Judge Newburger issued an order to that effect. The wife of Lieut. Elmer E. Hand, a retired naval officer, furnished the bail.

As Dr. Kennedy and Mr. Moore walked briskly through the streets about 600 men and boys joined in "three cheers for Kennedy," and made the response, "He's all right," to the question, "What's the matter with Moore?"

Mrs. Kennedy was waiting for her husband in Mr. Moore's office, with her father and mother and several friends. As the doctor entered the office his wife stretched out her hands to him, and with a sob in her voice said: "How do you feel, Sam?"

"I haven't begun to feel yet," replied Dr. Kennedy, looking tenderly at the wife, his voice trembling and tears standing in his eyes.

Dr. Kennedy remained in the offices of his lawyers for nearly an hour before going to the ferry on his way to his home in New Dorp, Staten Island, which he had not seen for 34 months. At his home there was a great public demonstration and general illumination last night, with speeches and fireworks.

The men were held on an affidavit sworn to by a policeman, charging them with being responsible for the deaths of Jere V. The new amendments provide that on the application of 30 electors of any election district the courts shall direct the opening of ballot boxes in the presence of the court where complaints of fraud are made. The bill had previously been amended so as to include the party circle and the assistance features of the Focht bill. The bill is on third reading and can be called up at any time.

The senate refused to concur in the house amendments to the congressional apportionment bill, and a committee on conference was appointed.

A resolution introduced by Mr. Stine man, of Cambria, was adopted, recommending to the president of the United States the appointment of Col. James M. Bell, of the Twenty-seventh regiment, U. S. V., as a brigadier general in the regular army.

Among bills passed finally were: Establishing in first and second class cities a house or houses of detention for delinquent, dependent and neglected children; house bill amending the bill regulating the manufacture and sale of "boiled" or "process" butter; also a number of appropriation bills.

Now In Bellefonte

Dr. Stites, the well known Specialist on Catarrh, has returned to Bellefonte.

Owing to the numerous requests of former patients he has opened the same old offices permanently under his own personal supervision and control.

SCIENCE HAS TRIUMPHED.

Catarrh, Asthma, Bronchitis, Throat and Lung Diseases can be cured.

DR. STITES, the great specialist, is daily demonstrating the truth of his statement by the almost miraculous results of the NEW TREATMENT.

The Wonderful New Treatment

Kills the Catarrh Microbes as soon as it reaches them. Asthma, Bronchitis and many stomach troubles are caused by the venomous Catarrh germs, and as soon as they are destroyed all other troubles gradually disappear.

DR. J. K. STITES,

No. 21 North Allegheny Street, Bellefonte, Pa.

Ear, Nose, Throat & Lung Specialist

Also all Chronic, Nervous and Private Diseases.

Dr. Stites can be seen any day at his original offices 21 North Allegheny street where he will be glad to talk to the afflicted. Consultation and examination free. For many years he has made a specialty of Catarrh and Lung troubles and will be pleased to give free advice to any who will call on him. He cures Catarrh, of the Head and Stomach, Consumption, Asthma, Bronchitis, and Deafness by his NEW METHOD. It throws healing, oily vapors into the air pipes of the lungs. It heals the sore places. Remember that it is no trouble to examine you and tell you the probabilities in your case whether you take treatment or not.

Mrs. Dietz of Wingate again gladly testifies to the good Dr. Stites did for her: Words cannot express my gratitude for the benefit I have received from Dr. Stites and the New Treatment. I have had Lung Trouble and Catarrh. I was so bad when I went to Dr. Stites I had no hope of ever being well. I was so weak I could not do my own work. The pain in my chest and side was terrible. I could not lay down in bed. I coughed and spit all the time and was most miserable, but I am glad to say through Dr. Stites and the New Treatment I can do my own work. I do not cough and can sleep good. I can lie down and rest well. I am glad Dr. Stites has come back to Bellefonte, and I hope my few words will lead others who suffer as I did to go to Dr. Stites and be cured. Yours with best wishes, MRS. ANNA DIETZ, Wingate, Pa.
