A RECENT act of the legislature forbids the using of alcoholic drinks by school teachers.

How nice it would be if we could take off our flesh and sit in our bones this weather.

SINCE the weather has been so warm the people have let up cussing the last legislature, and taken a rest.

IT IS some relief to know that it is unnecessary to lick revenue stamps every time you write a note or draw a check or transact any kind of business.

IF Mr. Depew wants a third term and Perry Heath really wants Mark Hanna, why can't they get together and attain both ends by selecting Mr. Heath's choice.

THE State Democratic Executive Committee, selected Harrisburg as the place for the meeting of the Democratic State Convention and appointed August 15th as the date.

THE British Jingo, who have been insisting on "no terms for the Boers" have been sadly disconcerted by the Boers ultimatum of "no peace without independence."

LATE census returns show that there are six American millionaires who have become naturalized Britishers. It pleases them and it pleases the United States; whether it pleases the British is another thing.

THE official report of ship building in the United States in the fiscal year 1900-01 shows an aggregate of over 400,000 tons, the largest for 46 years. Yet, now is the time selected to clamor for a subsidy bill.

A new law authorizes township road commissioners or supervisors to build and maintain a lockup in which offenders against the law may be kept until committed to jail or discharged. Very few such institutions will be needed in this country.

THE appropriation made by the State Legislature during the session closed will reach \$27,000,000, and the estimated revenues will be several hundred thousand dollars less than that amount. In pruning we are anxious to see where the Gov's axe will fall.

OUR state legislature adjourned right in the height of the hot spell, many of the ripper solons having visions of something hotter ahead—600 deg. Fahrenheit—without fans or ice vendors near, and no possibility to pass "rippers" for franchises in cooler territory.

THE State Prohibition Convention, in session in Harrisburg last week, nominated Isaac Monderau, of Meadville, for Supreme Court Justice, and J. J. Porter, of Pittsburg, for State Treasurer. These people although early in the field come in last on the wind up, yet we must admire their zeal and perseverance.

THE NEXT republican county convention has been called by Chairman Reeder, for Tuesday, July 30. To date everything has been quiet along the lines and the Quayites are lying low. They evidently intend to allow matters to go by default. They realize that Reeder will not allow them to run the next convention.

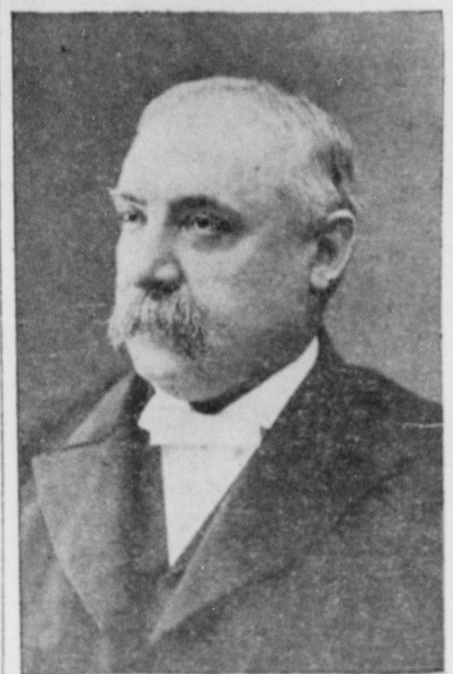

THE Congressional apportionment of the State makes the counties of Centre, Clearfield, Cameron and McKean a district designated as the 21st. The new district is largely republican. The vote for governor in 1898 was Stone, 12493, and Jenks 12492, or a republican majority of 1. Last fall McKinley carried the same territory by 2,583. That will settle all the democratic boomlets for some time to come.

WHEN the ubiquitous representative Thompson reached his home Philipsburg after the adjournment of the legislature, he found no band at the station to meet him; no constituents to greet him, and no banquet prepared at which to seat him. This is tough and tough—and the toughs owned him, and now how ungrateful! The best thing Thompson could do would be to fall back upon his dignity, pick up his duds, and for spite emigrate to Clearfield.

THE courts should have no difficulty in pronouncing the infamous franchise legislation unconstitutional on the ground of having been purely special legislation, the act having been passed for the special benefit of a few machine bootlickers and who at once grabbed the franchise robbery to the exclusion of all other citizens with the connivance of the governor and the state department officials, all of whom were in the criminal conspiracy to have this special legislation put through for the sole benefit of a special set. This can not be denied.

TRIBUTE TO SENATOR HEINLE.

In nominating Senator Heinle, of Centre county, as the democratic nominee for president pro tem. of the senate, Senator Wentz, of Montgomery, paid a merited tribute to a faithful democrat and able senator. Senator Wentz said: Mr. President—I take pleasure in compliance with the request of the democratic caucus to place in nomination for the office of president pro tem. of this senate the name of one of our most distinguished fellow members. During his senatorial

career, which is now drawing to a close for the present term his every act has been one of good service to the people and an honor to himself. We feel in placing this honor upon him that we have honored our party by recognizing his sterling qualities of a man and a democrat. He stands for everything that is good and true in politics as he stands in other walks of life and I feel that every member of our party will regard it an especial honor to be granted the privilege of voting upon this occasion for the Hon. William C. Heinle, of Centre, whose name I place in nomination for the exalted office of president pro tem. of this body.

The above is a graceful compliment to our esteemed townsman who, in his course at Harrisburg, has discharged every duty with rare fidelity. Senator Heinle returns from this memorable session free from suspicion and not only has ranked among the foremost and ablest democratic leaders in the senate, but has also won the esteem and plaudits of an upright and honest constituency in his district.

It is very nice to sell half a billion dollars worth of goods more than we buy each year, but the question is, how long the rest of the world can afford to buy half a billion more than it sells.

RECENT DEATHS.

MRS. JOHN THOMPSON:—of Port Matilda, dropped dead at her home in that place Saturday evening. She had been out on the mountains all day picking berries and it is believed that the over exertion caused heart failure and death. She is survived by a husband and several children.

MISS LAVINA GATES:—died at the old Gates home near Gatesburg, Sunday morning, of consumption, aged 70 years and 1 month. She was the daughter of the late Frederick Gates, and was born on the old homestead where she died. Two sisters survive her, namely, Mrs. Mary Bollinger, of Millheim, and Mrs. Matilda Rumbarger, of Pine Grove Mills. Interment at Gatesburg.

MRS. MARTHA J. RICH:—widow of the late Benjamin Rich, of Unionville, died at her home in that place Tuesday evening, the 2nd, after ailing for some time. Her maiden name was Greist and she was 69 years of age. She was a member of the society of Friends. Surviving her are a son and three daughters, namely, John L., Mary, Annie and Lillie, all of Unionville. Three brothers also survive, namely, Owep, of Adams county; T. B., of Unionville, and Joseph, of New Castle, Pa. Interment at Unionville, Friday.

AMMON MILLER GRENINGER:—aged 48 years, died Tuesday, July 2nd, at his home, 1517 Chestnut street, Philadelphia, from typhoid fever. Mrs. Greninger and her two daughters, Bessie and Minnie, and son Edward, are also down with the same disease. Mr. Greninger and family were residents of Bellefonte until a few years ago. Deceased is survived by his wife and seven children, namely, Thomas, Bessie, Minnie, Edward, Lottie and Mary, of Philadelphia, and Samuel, of Howard, Centre county. Interment in that city. Mr. Greninger was a native of Sugar valley, and for several years was engaged in the mercantile trade at Coburn.

MRS. CELESTIA HALL:—wife of George Keatley, died at the residence of Wm. Keatley in Unionville, on the 4th of July, of typhoid fever, aged 25 years, leaving to survive her a husband and three small children. This is an exceptionally sad death; being cut down in the morning and bloom of life leaving behind her three small, beautiful, promising buds, whose motherly care is so much to be desired in their early training. May He who sees even the sparrows fall, ever protect them. Mrs. Keatley took sick at her home near Pittsburg and was brought home only a few days before she died. She was a member of the M. E. church, having given her heart to God about ten years ago, at a revival meeting at Unionville. Funeral services were conducted by Rev. Wharton, of the M. E. church.

STAMP TAXES ABOLISHED.

Cannot Redeem Less than \$2 Worth of Stamps. The act of March 2, 1901, amending the war revenue law of 1898, went into effect on Monday, July 1st, and will remove entirely many vexatious stamp taxes which have proved a burden, and an annoyance, as well as a tax, to business men and to the general public. The government has made provision for the redemption of the stamps, but the red-tape requirements are so intricate that holders of the stamps in small lots are likely to prefer to lose them rather than to try to sell them.

On this account it is thought by some men of business that the government may profit as much as \$2,500,000. WON'T REDEEM LESS THAN \$2. The smallest amount redeemable is \$2. Furthermore, the claimant must make an affidavit and file it with the internal revenue officer of the district, stating from whom the stamps were purchased, accompanied also by an affidavit of the first purchaser of the stamps. Thus it is necessary for the claimant to trace the ownership and to secure affidavit of each owner back to the original purchase from Uncle Sam.

MUST GIVE UP STAMPED CHECKS. To have imprinted stamps upon checks, drafts and other documents redeemed the holders must forward the instruments to the Commissioner of Internal Revenue at Washington, either by express or registered letter at their own expense; and once turned into the government for redemption, they cannot be returned to the owners.

This is a ruling that will prevent many from sending in their printed checks, because, being in book form, and numbered serially, they will not care to give them up entirely, especially where there are only several dollars' worth. The result will be that long after July 1st checks with the revenue stamps printed thereon will be in circulation.

No stamps will be redeemed after July, 1903.

By the new act the taxes have been remitted on bank check, telegrams, money orders, promissory notes, leases, mortgages, bills of lading for export, warehouse receipts, life insurance and other items, and reduced in many others. The taxes have been repealed entirely on express receipts, while a tax of 1 cent remains on domestic bills of lading or freight receipts. The tax is remitted on a bond or obligation by guarantee company, but the taxes on indemnity bonds and on "bonds, debentures, certificate of indebtedness, etc.," remains unchanged.

In order that the public may know what changes have been made, the following summary of the taxes repealed and modified, together with those remaining unchanged, is given below from the classified list prepared by the internal revenue office in Washington:

- ITEMS REPEALED. Bank checks, 2 cents. Bond or obligation by guarantee company, one-half of 1 cent on each \$1. Certificates of damage, 25 cents. Certificates of deposit, 2 cents. Certificates not otherwise specified, 10 cents. Charter party, \$3 to \$10. Chewing gum, 4 cents each, \$1. Commercial brokers, \$20. Drafts, sight, 2 cents. Drafts and orders for the payment of money otherwise than at sight or on demand, and foreign bills of exchange and foreign orders for the payment of money, remain taxable, as provided for by section 8, paragraph 5, of the act. Export bills of lading, 10 cents. Express receipts, 1 cent. Domestic freight bills of lading, remain taxable at 1 cent. Insurance—Life, 8 cents on each \$100; marine, inland, fire 1/2 cent on each \$1; casualty, fidelity and guarant, 1/2 cent on each \$1. Lease, 25 cents to \$1. Manifest for custom house entry, \$1 to \$5. Mortgage or conveyance in trust, 25 cents for each \$1,500. Order for payment of money on sight or on demand. Perfumery and cosmetics, 1/2 cent for each 5 cents. Power of attorney to vote, 10 cents. Power of attorney to sell, 25 cents. Promissory notes, 2 cents for each \$100. Proprietary medicine, 1/2 cent for each 5 cent. Protest, 25 cents. Telegraph messages, 1 cent. Telephone messages, 1 cent. Postoffice money orders, 2 cents for each \$100. Warehouse receipts, 25 cents.

For Children.

Nothing that comes in a bottle, is more important for children than Scott's emulsion of cod-liver oil. And "important" means that it keeps them in even health, on the highest plane of physical life. "Do they live on it then?" "No; they don't touch it except when they need it." "When do they need it?" Whenever they show, in whatever way, the least disturbance of even balance of health. It is not for acute diseases, with some exceptions; it is for a slight falling off from first-rate condition. It is to be used as a food, whenever their usual food does not quite answer the purpose of food.

Tyrone merchants by agreement have determined to close their places of business during the month of July and August, commencing on the 5th day of July, at the hour of 7 o'clock in the evening, except Saturday evening and other evenings from the 10th to the 20th of the month inclusive.

Sugar valley is swarming with grape bugs. They are as ravenous as hungry wolves and their capacity for devouring grape buds and leaves, green peaches and sour cherries is enormous. It is feared that the entire grape crop, which looked so promising a few days ago, will be destroyed by them.

The wheat crop of Clinton county is one of the best that has been grown in that county in several years. Rye has attained unusual growth and stands in some fields five to six feet high. Corn has made rapid growth during the past week. The peach crop is very good, although it is feared that the early yield may be damaged somewhat by general rot.

St. Paul's Episcopal congregation and Sunday school, of Lock Haven, will picnic at Hecla's today.

Festival Season..

Requires Posters, and posters for a festival are as big money makers for a public sale. It all depends on the size and "get up" of your poster. Folks nowadays think that if you are too mean to get decent sized bills printed that maybe you might be mean enough to make the ice cream out of corn starch. And you all know that the big crowd is what makes the festival a success. Printing posters is our business. We do them promptly. Can often do them while you wait. Very respectfully, CENTRE DEMOCRAT.
